**MELVILLE**  
Mrs. Mary Forrester  
Well, I suppose the great assortment of ghosts and goblins have returned to their normal selves by now and the shellers-out are getting a breather. I don't know which party enjoyed it the most—the ones hollering "Shell Out" or the ones doing it. It surely keeps one guessing as to who the various ones are. Short of tipping a mask, it's almost impossible. Oh well, all's quiet for another year.

The Melville W.A. held a very successful bake sale at their regular meeting last Wednesday in the Church basement. Friends were there from Ballantrae, Bethesda and Peach's and a hearty welcome back to Mrs. Tom Kerr of Whitevale who delighted us all with her lovely solos and also a welcome to her pianist, Mrs. Wheeler, also, of Whitevale.

Mrs. Fred Mulholland has been suffering from the effects of a severe cold but glad to report she is feeling much better. Remember the first meeting of the A.O.T.S. Club which gets under way next Tuesday, Nov. 8th, in Melville Church. The Ballantrae ladies are catering for this supper meeting.

We welcomed Rev. Campbell of Keswick at our services on Sunday. Our minister, Rev. H. Moddle, was at Keswick United Church preaching at their anniversary services.

Mrs. Wm. McKay is spending a couple of weeks with her daughter, Mrs. John Harkness of Whitby.

The Bethesda W.M.S. are celebrating the 60th anniversary of their society on Friday night of this week, with a service in their church. Miss Hazel Reesor of the Soudan Interior Mission is to be their speaker and the Melville ladies are invited to this service. We will have to divide our numbers, as Peach's ladies are holding a bazaar at the home of Mrs. Henry Miller on the same evening.

Mr. and Mrs. Jack Hill of Moose Jaw, Sask., have been visiting their aunt and uncle, Mr. and Mrs. Pat Reid, for this past week.

The Melville W.M.S. held their regular meeting at the home of Mrs. R. A. Bruce on Tuesday, Nov. 1st. In the absence of the president Mrs. McKay, the vice pres., Mrs. A.H. Smith presided.

A very good time is reported at the Young People's Halloween Party on Saturday evening

Mrs. J. Falren and son are on an indefinite stay with Mrs. Falren's daughter, Mrs. Jack Palmer, Lakeshore Rd. The Palmers hope to have an extra stocking hanging from the fireplace come Christmas.

While we're in the baby department, Mr. and Mrs. Leitch, 9th line, were blessed with a baby boy at the Newmarket Hospital last Thursday. Best wishes to all three.

There was no bowling last Monday. We had Halloween instead. The first regular meeting of The Ballantrae Home & School Assn. was a great success. A "Christmas Carnival and sale" is being planned for Saturday, Dec. 10th, so keep a ring around that date on your calendar and plan to attend. Make it a family night out, the more the merrier.

Are there any Scout Masters in the area? Many in the community feel that Cubs, Scouts, Brownies and Guides would be a good thing for our young people. We have willing helpers but no leaders. If there is anyone who has the qualifications and the time, the community would certainly appreciate your efforts. Anyone interested please write or phone Mr. Tom Phillips, R. R. 2, Stouffville, 60901.

After a summer of waiting, Mr. "Stu" Patrick, owner of the popular Glendale, became a proud and happy grandfather last Monday. It is a little girl for Howie and Doris Patrick. Congratulations all around.

Mr. and Mrs. W. Wright had a Sunday visit from Mrs. Irene Taylor, Toronto.

Miss Janet McKay of Carnovan is having a long visit with her sister and brother-in-law, Mr. and Mrs. Ekelding, Lakeshore Rd.

Mr. and Mrs. Todd of Goodwood, Mrs. Clark, her girls and young John Paxton from Greenwood all spent a very pleasant Sunday with John's grandmother, Mrs. C. Paxton, Lakeshore Rd.

**THE "NOTRE DAME" Model C21T17**

This compact 21" table model, although physically smaller than many conventional receivers is a beautifully designed combination of period furniture warmth and ultra-modern style. The natural wood mouldings with their flowing lines complement the fine woodgrain finishes of Walnut or Light Oak. A sculptured tube mask, mounted OUTSIDE the safety glass adds to the overall appearance and provides front tuning without increasing the height of the cabinet. Two-tone durable plastic controls, clearly marked for tuning ease, allow the viewer to make the usual adjustments without reaching around the side or back of the receiver.
