Business Scene

The sale has been completed of the Golden Clothing Store business to Mr. Don Davis of Stouffville who will take possession at the end of the year. Mr. Davis has been manager of this well-known clothing store for sometime.

Mr. Golden, who has been a popular merchant here for some twenty years and who has drawn a clientele from over a wide area, will retire to Toronto where he will engage in the construction business. He first opened the present store on Main St. in 1938. He operated a store for a time in the present Maple Leaf Dairy site before the new building was

Mr. Golden became known throughout the area as far back as 1928 when he was a travelling clothing salesman. He has become a valued member of the local business fraternity and he best wishes go from business associates for his new venture.

\$25 Grant For Library

Acting on a request from the Unionville Public Library, for a grant of \$100, the council of Markham Twp, last week expressed a desire to help the library board, and voted a grant of \$25.

The council explained that grants to other libraries were at the lower figure, and it was felt that the amount paid to one library could not be increased over the amount given to others.
