The Three Sisters

Markham Twp. Among New Concert Associations

During the past six years, the founder and director of Concert Associations of Canada have formed concert associations in Whitby, Orillia, Oshawa, Newmarket, Leaside, Weston, Scarborough, Markham Township, and Parry Sound. Among the artists who have appeared on programmes in an annual series given in the above communities are: Maureen Forrester, Contralto; Mary Syme, Pianist; James Milligan, Bass; Betty Jean Hagen, Violinist; Glen Gould, Pianist; The Songmen under the direction of David Ouchterlony; The Canadian School of Ballet, with Gweneth Lloyd, Director; John Coveart and Earle Mose as Pianist-Accompanists; Elizabeth Benson Guy, Soprano; The Solway String Quartet; Alan Mills, Folk Song Singer; and many lesser known and younger artists. Among the now internationally known artists who received some of their first engagements, (when almost unknown) through Concert Associations of Canada, are: Maureen Forrester, James Milligan, Glen Gould, Betty Jean Hagen. Mr. Wallace Young was

Muselman's Lake

This week's column is a combined operation. We hope Santa was good to you all this Christmas. Guess by now the New Year's Resolutions are broken, but it was a nice try. Have a Happy New Year anyway. Many families around the Lake had holiday visitors. Mrs. Evelyn Silk of Toronto spent Christmas with her daughter, Mrs. Frank McKibben, 9th line near the Bowling Alley. Mr. McKibben's sister and husband, Mr. and Mrs. Wm. Padley of Niagara Falls were their New Year's guests. Mrs. M. Evis and son Ricky from Ottawa spent Boxing Day with Mr. and Mrs. Jack Wylie, Windsor Drive. Young Rick liked these parts so well he stayed on for the week. Mr. and Mrs. H. Klawietz, Valley Road, turned the tables and spent their Christmas with Mr. Klawietz's sister in Toronto.

As expected, the stork came to the Palmers just four days before the Yuletide. It is another little girl for Betty and Jack. The name is not official as yet, but is expected to be either Susan or Suzanne, guess they'll toss a coin. Congratulations to the pupils and staff of good old S.S. 11. The Senior Christmas Concert this year was the best yet. It was very well done indeed, and all the parents in attendance had a very enjoyable evening. Santa ran out of goodies but no one seemed to mind too much. Phyllis and Melvyn Copeman went off for a week's holiday. Melvyn is visiting his sister in Cornwall but Phyllis travelled on for the brighter lights of Montreal. We hope you both had a good time. The last Home and School meeting of the year was a pretty poor show. Twelve members present would be a liberal count. Mrs. Bateman, chairman of the refreshment committee, set a very pretty table with Christmas motifs. Those who were there discussed a games night to be held in the school on January 13th. It will feature Euchre and other games. More details will be made available at a later date. We know it was a pretty busy week for us all, but let's make up for this meeting by a 100% attendance at the next. Even though the Annual Ratepayers Meeting of the School Board almost doubled

the founder and director of Concert Associations of Canada six years ago. He lives in Oshawa and generally directs activities. Miss Dorothy Parnum as manager, lives in Toronto and maintains a Toronto Headquarters for Concert Associations of Canada. The dates and artists arranged for the series of three programmes to be given in 1956 for the Markham Township Concert Association are: Tuesday, Jan. 10th — The Songmen, under direction of David Ouchterlony, assisted by Carla Emerson, Harpist. Monday, Feb. 13th — Joyce Sullivan, Soprano, assisted by Terry Helmer, Violinist, with Gordon Kushner as Accompanist. Monday, March 5th — James Milligan, Bass, assisted by John Coveart as Pianist-Accompanist. Membership Cards giving dates and names of artists will be mailed by Miss Lemon, the Secretary, to all members of Markham Township Concert Association soon after January 1st.

Mrs. Lloyd Brown of Toronto spent a pleasant Christmas day in Stouffville at the home of Mr. and Mrs. Fred Smith.

its attendance this year, it was still a very disappointing showing. Twenty-one interested citizens showed up to hear about the past progress and future plans for our school. Since Mr. Crowhurst's term of office had expired and Mr. Gord Taber resigned, there were two vacancies for trustees. Mr. Crowhurst, who has done a fine job on the Board for many years now, was nominated and duly elected to fill out the year left in Mr. Taber's term. The second vacancy was filled by Mr. Tom Phillips. Mr. Phillips is enthusiastic and willing. We feel that he will do an excellent job for the School. The third trustee is still Mr. Vern Davies, well known in these parts. These are three very capable men interested in the development and improvement of our school. Congratulations and good luck. This is the part where we are going to stick our neck out, but we feel you deserve ever word of it. In the past year we have heard a bushel of beefs about the building, pupils, teachers, nothing escaped the critical eye of the parents who want only the best for their children. Once a year a meeting is held to air any criticism and complaint. How many of you were there—not a one. Not a single parent from the south shore area put in an appearance. Remember folks, action speaks louder than words. Once a year is not too much to ask of any parent. If you are still reading, we do wish you a Happy and Healthy 1956 with just enough prosperity thrown in to make it interesting.
