High School News By Eddie Sanders

On Friday, Jan. 13th, Stouffville High School had a real was baited with an artificial good time square dancing to fish of white wood, with lead- music provided by the Sodbusen eyes and tin fins, about 8 ters. This dance was a success or 9 inches long. By moving a and I would like to see more of them in the future. Thursday afternoon Stouff-

and Sr. teams were beaten but we are hoping for an improve-"Indian style winter fishing ment when Stouffville starts into the schedule. The first scheduled game was played in Stouffville on Tuesday afternoon when Stouffville again played Richmond Hill here. The Jr. team was slightly outclassed improvement and it would be hard to pick an exceptional player. The final score of the Jr. game was 38-18. The Srs. played an excellent game but were edged out 35-28 in the last minute of play.

January 12 Stouffville has really been busy during the past week. The Christmas exams were given back and the reports come out on Friday, the 13th. For many superstitious people this could be the reason for not doing so

well in the exams. In the sports field at the school we are not doing so well. Last Friday, Stouffville went to Thornhill to play basketball and although the team was beaten badly, Frank Hendy played an outstanding game. The Jr. teams played a good game with a score of 39-48 for Thornhill. Brad Elson got most of Stouffville's points but Don Tran and John Little also played a fine game. On Tuesday afternoon Stouffville played host to Markham. The Juniors made a good showing but were really out-pointed by the Markham sharpshooters. John Little and Don Tran again looked good but Don Haynes and Steve Wideman helped to hold the score down to 74-33.

The Seniors really turned the tables by beating Markham 36-18. Alfred Fairles. Ron, Thomson and Frank Hendy led all the way.

Socially, Stouffville High School is having a Square Dance with the well known Sidbusters supplying the music. We would like to see as many people as possible there to join in the fun this Friday night.

In these days of inflation two persons can live as cheap as one - as one fairly large famlly could live 20 years ago can afford anyway.
