

**COME TO CHURCH**  
Next Sunday, Jan. 29th, the fourth annual O.M.H.A. Church Service will be held in Christ Church (Anglican) Stouffville at 2.30 p.m. All resident and district minor hockey players have been invited to attend. In past years, the members of the Bantam, Midget and Juvenile teams from Stouffville have always been well represented but the absence of PeeWee players has been quite noticeable. It is hoped that these young lads will make an extra effort to attend on Sunday afternoon.

**OUTDOOR ARENA**  
When the Stouffville Lions Club placed a hard top on the local tennis courts a number of years ago, who would have thought that these same courts would be used more in the winter than in the summer time. Believe it or not it's true. Tennis as a sport here in town is enjoyed by comparatively few, for reasons I will never know, hence these courts are not used to a great extent in the summer. This winter however, a few enterprising men hit upon the idea of flooding the flat surface and transforming it into an outdoor rink, available to both boys and girls. Through the generosity of Harold Murphy, a tractor and snow plow was obtained and with Ken Wagg at the wheel, the surface was cleared of all loose snow. Fire Chief Bill Malloy assisted by Messrs. Fred Cassio and Daws Wagg put the foundation flood on the courts. Messrs. Ted Cadieux, Tat Alda and Walt Smith have since taken over the caretaking duties of the rink and every evening they spend between three and four hours shovelling snow and flooding the ice in preparation for the following day's activities. The weatherman has co-operated to provide these promoters with frigid temperatures and very little snow. If you want to see how these young lads and little girls are enjoying this man-made arena, drop down to the tennis courts some afternoon after school or over the weekend. As is usually the case in a venture of this kind, the responsibility for its success rests on the shoulders of only a few. Messrs. Cadieux, Alda and Smith would appreciate very much if some of the dads whose children are enjoying these fine skating facilities, would dig in and assist with the snow shovelling, flooding etc. Many hands make light work.

**ALMOST TOO LATE**  
Don Rope, forward with the Kitchener-Waterloo Dutchmen, and a one-game substitute with the Stouffville Red Sox a few seasons back, came very close to missing his trip to take part in the World Amateur Hockey Tournament at Cortina, Italy. The reason — he slept in. Don Rope, a loose-jointed athlete who handled the catching chores for the Red Sox on one occasion, can thank a neighbor lady's glance out of her window for his presence at the Olympic village. The team was ready to leave for Malton and the flight to Italy when a last minute check showed left-winger Don Rope missing from the group. The bus was held up while calls were made to Don's home in Galt, but there was no answer.

An observant neighbor lady happened to glance out of her window and noticed Don's car still in the driveway. She knew he was supposed to be leaving with the Dutchmen so she awakened him. While the utility player was racing to Kitchener, anxious team mates continued to make frenzied calls to his Galt home. Finally the motorcade pulled out. Fifteen minutes later he arrived at the auditorium. John Decker, the auditorium assistant manager sped the missing puckster in pursuit of the bus. It was finally overtaken just east of Breslau. We can imagine he had a good deal of explaining to do before his mates believed his story.

**JUST AROUND THE CORNER**  
It hardly seems possible that playoff time is just around the corner. The Bantams open at Port Perry on Monday, Jan. 30th and the Midgets have finished their scheduled games and are waiting to enter their elimination series. The four team Arena League playoffs commence on Thursday, Feb. 2nd and the Clippers start some time after Feb. 17th. The Juveniles expect to enter their playoff round in two weeks time. Where has the winter gone? It seems only a few weeks ago that the various clubs were being organized.

## Clipper Rally Falls Short, Milton Wins 5-3

Stouffville Clippers matched their rivals, Milton Pontiacs, goal for goal in the second period and outscored them 2-1 in the final frame, but a first period lapse cost them their fifth home game in six starts. Milton took the game 5-3.

A fast-breaking Milton team backed by some steady goal-tending by "Red" Gilbert, saw the visitors skate into a 3-0 lead in the first period. The Clippers had a good share of the territorial play, but they couldn't put the puck in the net. Gilbert performed well in the Milton cage but on a couple of occasions only the rabbit's foot in his back pocket and the horseshoe around his neck kept the puck out of the net. In the final minute of the frame Harold Hodgson missed the open goal and on the same play left-winger Bud Lehman bounced the puck off the post.

The jet-propelled Milton forwards caught the local defence flat-footed on all three goals and the forwards were not able to get back in time to assist in breaking up the 3-man rushes. Murray Grenke blinked the light on a pass from Gordie Haddleton at 6:09 and Sonny Townsley made it 2-0 at 10:45. Ex-Clippers Frank Stephenson and Ken McNeil teamed up for the visitors' final tally of the frame, at 17:14.

Down 3-0 going into the second period, Sonny Townsley lengthened Milton's lead with his second unassisted tally. Frank Stephenson blasted a typical Stephenson goal in the final frame, a rifle shot to right hand corner of the net with Gordie Haddleton picking up his second assist of the game.

Les Clarke, Howard Bullock and George Stark were the Clipper marksmen. Clarke's tally

## Bantams Beat Uxbridge 5-4 Hawks Blank PeeWees 1-0

Stouffville Bantams hit the win column on Friday night by beating Uxbridge 5-4 in a close battle. Right-winger Glenn Pennanen was the local leading marksman, notching three of his club's five tallies. Garry Baston and Roger Stouffer fired singles. Three of the four goals scored by Uxbridge were unearned.

Ron Mortimer guarded the cage for the winners and turned in a good job. Both Baston and Pennanen looked good for Stouffville. Baston has been shifted back to defence and has been replaced by Jim Spang on the second line. Coach Bill Lennox is confident that the move will pay off. Hard-working Harold Harper played between veterans Glenn Pennanen and Rick Wedseloft while "Gabby" Taylor was the pivot player on the second line. Ron Stewart centred the third line.

On Friday night of this week the Bantams move over to Ajax for a game and on Monday, Jan. 30th, they play Port Perry in the first game of the round robin playoffs. A winner will be selected out of Uxbridge, Port Perry and Stouffville. Ajax are ranked in a higher class and are not eligible for the group playoffs.

"Do you ever have the feeling that you don't exist?" asks a psychologist. Well, yes, at times when trying to attract the attention of a waitress, or the clerk of a snobbish hotel.

Pittsburg 2, Buffalo 0  
In spite of fine efforts turned in by Buffalo's Warren Hendricks, Keith Stewart, Lynn McMullen, Gordon Over and David Smith, Pittsburg blanked their rivals 2-0 to retain their lead atop the group, deadlocked with the Maple Leafs. The Hornets broke into the scoring midway through the contest when Stanley Feasby took a pass from centreman Billy Holden and rifled a slap shot past McMullen into the far corner of the Buffalo cage. Bob Lehman made it 2-0 when a rather easy shot slid over the line as McMullen apparently lost his balance and could not recover in time to block the drive. Marvin Betz racked up another shut-out and although not overworked, he handled each Buffalo shot with comparative ease.

One man's meat is another man's poison—and one man's sunset is another man's sunrise.

## Top Teams Meet In Arena League Game

On Thursday night of this week, the two top teams in the Stouffville Arena Community League will meet. Pickering, currently heading the group with seven victories and one defeat will battle Peach's who have chalked up a six and two record. The latter squad has not been beaten in their last five starts. A win for Pickering would give them undisputed possession of first place and set the stage for the forthcoming playoffs. A victory for Peach's, however, would deadlock the two teams on top of the heap.

On Thursday of last week, Peach's thumped Ajax 10-1 while Pickering trounced Johns Manville 14-1. Harry Young paced the Peach's attack with three goals while Morris Protenko notched two. Murray Lewis, Murray Grove, John Reesor, Joe Lewis and Don Thomas scored singles.

## Juveniles in Playoffs Soon

The Stouffville Juveniles, coached by Polly Minton and Managed by Don Davis, hope to enter the first round of the Ontario Playoffs sometime within the next two weeks. At the present time, the local squad is having trouble arranging exhibition games, since other teams do not wish to take the risk of player injury at such an important time of the hockey year.

Manager Don Davis stated this week, that two or three new prospects have appeared since their last practice, and these players are expected to further bolster the club's chances. Brad, Elson, injured recently in a hockey accident, is not expected to return to the lineup again this season. On Thursday night of this week, the Juveniles will take on the powerful Midget crew in a pre-playoff tilt.

## Local Midgets Win Provincial Police Trophy

The Stouffville Midgets are the new holders of the Ontario Provincial Police trophy. Throughout the entire schedule they dropped only one game, that to Brooklin on Monday night of last week.

On Friday night at Uxbridge, the "Flyers" rounded out the regular schedule by beating their hosts 4-3. Murray Holden, one-third of the production line of Holden, Redshaw and Hendricks, counted two tallies for the winners. Ted Suzuki also notched a pair. The league leaders will now enter the group playoffs and will meet either Uxbridge or Port Perry in the semi-final round. The two semi-final winners will play a home and home series for the group championship. A winner must be declared by Feb. 11th.

**BALSAM**  
BY M.T. ZION  
(Mrs. B. Jamieson)

Joyce Disney, Grant Jones and Bill Schloen were among those from Pickering High School who visited Ottawa for a couple of days last week.

Mrs. Lewis Jones, Mrs. B. Jamieson and Mrs. Dick Ward attended a tea last Friday in the Nurses' Residence, Oshawa, in honor of Miss Phyllis Jones who has completed the first five months of her training there.

The young people had a skating party Saturday night at the Disney pond and went to the Jamieson home afterwards for refreshments.

The Mt. Zion Choir sang at the Baptist Church, Clarendon, last Sunday night.

**Neighbourhood Notes**  
Mr. S. R. Patterson, Buttonville School Board Chairman, has announced that the official opening of the new addition to the school will be held on the evening of February 2. The teachers, Mr. Murray Roberts and Miss Jean Howard, will receive the parents between 7:30 and 8:30 p.m. The official opening exercises will commence at 8:30 p.m.

Mr. and Mrs. Kenneth Stephenson have moved to their new home in Arleigh-Heights, and Mr. and Mrs. Reid Brumwell are now in their new home near Victoria Square.

Sympathy of the community is extended to Mrs. John Brown and Mrs. Russell Burr and their families in the loss of their father, Mr. L. Mason of Agincourt.

Congratulations to Miss Rhea Scott whose birthday was Friday of last week.

Mrs. Bill Champion is busy these days — she is a new member on the staff of Markham District High School.

Miss Mary Arnold will be the guest speaker when the children of Davidson Mission Band meet at the Browns' Corners Church next Saturday afternoon, Jan. 28, for their regular monthly meeting.

**W.I. Meeting**  
W.I. Members of Buttonville Institute were treated to a millinery demonstration when they met at the home of Mrs. Charles Hooper on Thursday of last week. Mrs. Harry Bourne of Richmond Hill was the demonstrator, and members found her talk most interesting. An added attraction was the fine singing of Mrs. E. Orr, Victoria Square, who was accompanied by Betty Huston. The meeting was conducted by the president, Mrs. Hooper, and Mrs. James Rodick was secretary. An especially happy occasion was the presentation of a Life Membership pin to Mrs. E. Watlon by Mrs. Aubrey Stephenson. A pleasant half hour was spent when tea was served by the hostesses, Mrs. Hooper and Mrs. Watlon.

Benefit Bridge & Euchre Successful  
More than 100 people attended the Bridge and Euchre party held in Buttonville W.I. Hall on Friday evening of last week, when the Institute gave a benefit for the Cancer Society Gift Cupboard. There were 2 lucky draw prizes — a 19 lb. turkey donated by Leitchcroft Farms was won by Mrs. A. W. Miller, and a hand embroidered linen luncheon cloth donated by Mrs. Wm. McGimpsey. The Door Prize was a leather purse donated by Mrs. F. W. Baker. Bridge and Euchre prizes were all donated by W.I. members. Bridge prizes were won by Mrs. Milburn, Mrs. Jones, and Mrs. Hobden for ladies and Dr. Milburn, Dr. Butler and Mr. Watson for gentlemen. Euchre prizes were won by Mrs. Jameson, Mrs. Peacock and Mrs. Russell Boyington. Men's euchre prizes went to Mr. K. Stots Harry Barber and E. Evans, W. McCready and E. Walton drew for third, Mr. McCready winning.
