

THE SPORTSMEN'S SHOW

On Saturday night, I along with a few thousand other persons attended the Sportsmen's Show at the Coliseum in Toronto. The display of sports items is truly a colorful spectacle. The show has everything from fishing tackle to cabin cruisers and although the price tags may appear a trifle high and some of the samples a little impractical, it doesn't cost anything to look and one can always dream of some day parking one in your driveway or anchoring it to the wall in your private lake. Perhaps for the average \$50, a week for the majority of displays are very much exaggerated. In most cases even if John Brown or Jim Smith has a few thousand dollars he doesn't know what to do with, the costly displays would probably sit on blocks for eleven months of every year. Personally speaking, a \$20,000 cabin cruiser wouldn't make much headway down the Rouge River and a \$3,000 Austin Healey sports car would find the going pretty tough on the 9th concession about the middle of April, but for a small minority of viewers such items are very much a part of their sports life. The show however does not lean entirely toward the "millionaire" wage earner. The common ordinary fellow can fish just as well from a flat-bottom boat as from a sixty horsepower yacht and a Nash Rambler will take you to town and back just as well as an \$8,000 Lincoln convertible but all are there under the same roof. The show leaves nothing to be desired. If you like singing, there's a melodious barber shop quartet to entertain you; if you like dancing, there's square dancing to lively western music. In fact you name it, and they have it.

According to the daily press, the attendance this year at the Sportsmen's Show was less than last year's figure but if you were there on Saturday night, the Coliseum resembled the Canadian National Exhibition. The grounds were completely filled with cars and late arrivals found it necessary to park their vehicles somewhere between Sunnyside and Hamilton.

Summing up the show, I would say it's well worth a few hours of your time. It's both colorful, interesting and economical unless by chance your wife talks you into buying a \$2,000 summer cottage, an \$8,000 Lincoln or a \$15,000 yacht.

IN TOP FORM

The Clippers may be thankful that they have a top flight goaltender guarding their nets. Norm Stunden's work between the pipes during the past couple of games has been nothing short of spectacular. In the game at Georgetown on Friday night of last week, Stunden was at his best. His star-studded performance in the first period alone had the players shaking their heads and the large crowd buzzing with excitement. The homesters appear to be inspired by Norm's outstanding play and they are now going all-out to pull the series out of the fire. One of the largest crowds in the history of Georgetown's arena, is expected to attend Friday's final game.

One week ago, Stouffville's chances of getting out of their own group looked almost impossible. As in the Oakville series, the Clippers were behind the eight ball but now it's all evened up and sixty minutes of hockey left to decide the group champion. Can they do it? Can they come through and win their group with three straight victories? It's a big question, especially with the rubber game on Georgetown ice, but Stouffville would appear to like the smaller rink and for this reason they have a good chance of upsetting their once highly-favored rivals. Everybody is keeping his fingers crossed and you can be sure that there will be a good following of Stouffville supporters at Georgetown on Friday.

Eight Teams Play in Lions League Finals Mon. Night

On Monday evening, March 26th, the lengthy Lions PeeWee schedule will be completed. Eight teams will battle for two fine trophies in the annual "Young Canada Night". The admission charge is 25c and tickets are available from any of the PeeWee players. The Alf Aiole Memorial trophy will be presented to the PeeWee winners and the Jim Austin trophy will go to the Bantam Champions. The games commence at 7 o'clock.

At the present time the two championships are a toss-up between eight well-balanced teams. In the PeeWee group, Boston have a two point edge over the Black Hawks and the Red Wings. In the Bantam group, all four teams are deadlocked, each with one victory and a loss.

On Monday night, Boston squeezed out a close 2-1 win over the Red Wings to move all alone into the first place position. Billy Payne fired both goals for the winners while Frank Taylor notched the lone Detroit tally. In the other game, the Black Hawks moved into a tie for second place by beating the last place Rangers 2-1. Stanley Nesbitt and Murray Painter blinked the light for the Hawks. Les Lye fired the lone goal for New York.

The Bantam games saw last week's losers court victories this week to create a four-way

"PEPPY JETS" LEAD LADIES LEAGUE

At the close of the regular schedule in the Stouffville Ladies Bowling League, the "Peppy Jets" edged the "Alley Cats" 53-51. The playoffs will start on Friday night. The other teams completed the schedule as follows: Bowlerettes 40, Game Dames 38, Ford Flyers 35 and Dodgers 23. The high single last week was chalked up by Ruth Wagg with 261. She also racked up the high triple with 632.

The players performing with the "Peppy Jets" are Dorothy Bangay, Kelly Watson, Ella Nichols, Hilda Epworth, Eileen Wells and Vi Rennie.

NOTICE TO CATTLE OWNERS IN THE TOWNSHIP OF MARKHAM

The season for Warble Fly spraying will open on April 2, 1956.

The regulations of the Act now provide that:

- (a) cattle not over 6 months of age on April 1st and
- (b) cattle over 3 years of age on April 1st, which are free from Warble Fly grubs need not be done.

In the event owners do not spray all their cattle, it will mean a reduced number will add to the spray costs.

This year for the first spray we require at least a fee of 25c per head. The second spray fee will be determined by the experience gained on the first round.

We solicit your continued co-operation.

WARBLE FLY COMMITTEE.

Clippers Beat Raiders to Even Series, 7th Game in Georgetown Friday Night

With all the cards in the deck stacked against them, the Stouffville Clippers, down 3 games to one, have battled back to even the series and force a seventh and final contest. It will be played in Georgetown on Friday night.

Webster Gets Two
Captain "Chick" Webster paced the Stouffville attack with a pair of goals. His first came at 16:08 of the opening period on passes from wingers Ken Crawford and Bill Bradbury. His second tally was scored in the dying minutes of the final frame with Crawford picking up another assist. Both goals were fired through a four inch space between the post and goalie Rhodes' pad. Bob Bangay's newly formed trio of Webster, Crawford and Bradbury worked well and out-hustled their rivals on almost every play. The second and third string lines were also going all-out. The threesome of Gord Lewis, Harold Hodgson and Bud Lehman collected a pair of goals as did the line of Howard Bullock, Andy Closs and Jack Watson.

Clean-Cut Goals
Unlike the game at Georgetown on Friday night of last week, when some of the goals were of the "flake" variety, every Clipper counter was a clean-cut effort. Jack Watson made it 2-0 at 3:23 of the second period with a beautiful tally on passes from Andy Closs and Howard Bullock. Watson broke into the clear and picked the top right hand corner, with a bullet drive. At 15:40 Andy Closs completed a dazzling 3-way passing play and pushed the puck past Rhodes before he had time to cover the open corner. Ronnie Bell carried the puck into the Georgetown end-zone and flipped to Bullock who in turn relayed the disk to the uncovered Closs. In the Raiders was serving a penalty at the time. With less than a minute remaining in the second frame, defenceman Geo. Stark trapped the puck inside the Georgetown blue-line and moved in on "Dusty" Rhodes. Stark, however, elected to pass the puck to Harold Hodgson who blasted the rubber into the twine from about eight feet out.

In the last period, Gord Lewis and Bud Lehman teamed up in a similar effort with the latter slipping the puck over the line after Rhodes had moved to cover Lewis. "Chick" Webster completed the scoring with a quick shot from the corner of the crease.

Spills Shutout
Georgetown defenceman Dave Irons spoiled a shutout for Clippers netminder Norm Stunden midway through the final period. Irons scored on a slap shot from the blue-line that caught the corner. Stunden's view was blocked on the play. Goalie Stunden turned in another fine effort in the Clipper cage, especially in the first period when the homesters ran into a number of penalties. In the second and third frames however, the visitors were out-played and even Raider goalie Jack Rhodes showed signs of becoming rather irritated when Stouffville sifted through his defence, time and time again. Rhodes could not be blamed in any way for Georgetown's loss and as he had little chance of stopping the shots that evaded him.

Defence Stronger
The return of Bert Baker appears to have strengthened Stouffville's defence considerably. The big 220 pound rear-guard seldom makes a mistake inside his own blue-line and he seems to have a steady influence on the rest of his team mates. Don McIntosh turned in his finest performance of the series especially when his team were short-handed. He used his slap shot to good advantage both in icing the puck and when shooting on the net. Les Clarke, Ronnie Bell and George Stark also played well, the latter two picking up assists on second period goals.

Hodgson Hurt
Harold Hodgson was the only injury to come out of Tuesday's contest. The big right winger was cut on the mouth in the first minute of the third period and was forced out of action for the remainder of the game. It is expected he will be back in action for Friday's crucial tilt.

Stunden Sensational In Fifth Game of Series
A lone padded figure in the Stouffville nets saved the Clippers from annihilation in the fifth game of the group finals, played at Georgetown on Friday night. Norm Stunden was sensational. In the first period, the Raiders took advantage of a "cold" Clipper club, to pour shot after shot at Stunden, but with the exception of one drive the agile puck-stopper miraculously kept his team in the game and the series.

Stouffville skated into the game at a disadvantage, having arrived at the rink more than thirty minutes behind schedule due to the icy condition of the roads. Georgetown forced the play in to the Clipper end but Stunden set up a stone wall and guarded his cage with his finest performance of the season. The one tally that did evade him in the first twenty minutes slipped into the twine while his view was blocked by defenceman Don McIntosh who attempted to block the shot. Stouffville were at a further disadvantage in the opening frame when Don McIntosh, Howard Bullock and Bud Lehman were banished with penalties but by some manner or means they managed to hang on.

The Clippers had 2 or 3 fine opportunities to blink the light in the first period although 75 percent of the play was in their own end. "Chick" Webster hit the post with a close-in shot and Howard Bullock missed the net on a clean-cut break-away. Ken Crawford gave the Clippers the lead on a weird goal that slipped between goalie Rhodes' pad and the post. Less than a minute later Georgetown evened the count, with Bud Vary potting the tying goal while the Raiders were playing a man short. At the bell, the teams were deadlocked 1-1.

In the early stages of the second frame Georgetown continued to hold an edge in the play. Don McIntosh was sent to the sin-bin for cross checking, but Norm Stunden's wizardry in the Clipper cage kept the rampaging Raiders off the score sheet. Midway through the stanza, Gord Lewis cen-

ter completed the scoring with a quick shot from the corner of the crease. Georgetown defenceman Dave Irons spoiled a shutout for Clippers netminder Norm Stunden midway through the final period. Irons scored on a slap shot from the blue-line that caught the corner. Stunden's view was blocked on the play. Goalie Stunden turned in another fine effort in the Clipper cage, especially in the first period when the homesters ran into a number of penalties. In the second and third frames however, the visitors were out-played and even Raider goalie Jack Rhodes showed signs of becoming rather irritated when Stouffville sifted through his defence, time and time again. Rhodes could not be blamed in any way for Georgetown's loss and as he had little chance of stopping the shots that evaded him.

Pickering Enters Second Round ORHA Playoffs

Pickering Merchants finally disposed of Sand Hill last week after extending the series to a full five games. They will now meet either Sutton or Greenbank in the next ORHA round. The Merchants came very close to being eliminated by Sand Hill when they spotted their rivals a four goal lead going into the third period. Wilmo Gates, Jim Cruikshank and company stormed to the attack in the final frame and squeezed out a close 7-6 victory. The winning tally was scored with less than a minute to play in the third period. Sand Hill's efforts were hampered in the late stages of the contest when they ran into numerous penalties. Their goalkeeper drew a penalty when he charged the referee following a Pickering goal. Les Wilson, Pickering's steady defenceman, suffered a dislocated shoulder and was taken to the York County Hospital in Newmarket. He was later allowed to return home. Should Pickering square off against Sutton in the next round, they will be facing some familiar rivals who perform with the Greenshirts. John Leavoy, Keith Clarke and George Holborn are three of Sutton's main stars.

Brooklin Lead Junior Series By Two Games
Brooklin Juniors took a two game lead in a best four-out-of-seven series when they edged Gananouke 7-6 in the Port Perry Arena on Monday night. The two teams moved back to Gananouke on Wednesday with the fourth contest at Port Perry on Saturday night. Centre star, Elmo Gibson, paced the winners attack with three goals. Bill Cornish, Bob Carnegie, "Tip" Vipond and Neil Pascoe fired singles. Defenceman Murray Jones and forward Grant Jones were not able to play due to an attack of measles. Murray is expected back in the lineup this week, but Grant's chances are still doubtful.
