STOUFFVILLE, ONT. PHONE 98W1

DICKSON'S HILL

Mrs. Clare Bolender of Bethesda spent a few days with her sister, Mrs. A. C. Barkey, who entertained a number at a quilting last week.

Mrs. Murray Little, one of the canvassers for the Canadian Cancer Research Fund, has called on the homes in this immediate district.

Best wishes for recovery go to Miss Dorothea Barkey who underwent a tonsil operation recently, also to Mr. Lester Eby, who has undergone spinal surgery in the Toronto General Hospital.

Mr. and Mrs. Charles Gostick of Stouffville and Mr. Gingham of Lethbridge are motoring to Alberta accompanied by Mrs. Charles Hoover as far as Espanola. She is visiting the Hills on Manitoulin Island.

Dr. Osborne and Mr. Mallet were fishing at Lake Simcoe and their efforts were rewarded by catching an eight pound lake trout. Other local fishermen have supplied their neighbours

with plenty of suckers.

Sympathy is extended to the families of Mrs. Levi Hoover, Mr. Geo. Hilts of Gormley and Mrs. Leslie Grove of Victoria Square, who have passed on to their heavenly home.

The W.M.S. of Mount Joy joined the local Society in their Easter Thank-offering service, conducted by Pastor Shantz.

Mrs. Ralph Baker of Gormley gave a message of witness that was greatly appreciated.

Everyone is invited to the annual Missionary Convention being held this week. There will be special Missionary stories and offering for the Missions in the Junior Sunday School under Supt. Carl Grove.

Careful Driver: One who slows down as he passes a red light.

Football: a game that gives people something to kick about.

'Fancy Carriage' Dipsy-doodles Through Canadian Woods

New Multi-Jointed Pulpwood Vehicles Do Work Of '40 Men—8 Horses'

If you visit a pulpwood camp, this winter, chances are you'll see a vehicle the likes of which you have never seen before. The paper company forest engineer, who probably contributed to its design, will point with pride to this amazing conveyance that may soon replace the horse and the tractor for the speedy, economical transportation of pulpwood in the forest.

A "fancy carriage", about as expensive as the Continental automobile, this forest vehicle is known as the Mark IV Logger and is the result of many years of research and experiments by engineers of the pulp and paper industry.

Commenting on the placing of the vehicle in commercial use, W.A.E. Pepler, manager of the Woodlands Section, Canadian Pulp and Paper Association, stated that the machine will produce substantial savings in moving the pulpwood harvest from stump to road or river.

The Mark IV Logger runs on 6-foot tires over any kind of terrain, through streams and deep snow, over mud, ice, stumps and rocks, carrying a load of 1 1/2 cords of pulpwood which it picks up and dumps mechanically. It is operated by one man.

Powered by a 65-HP, 6-cylinder engine, the new industrial vehicle has a top speed of 36 miles per hour on the highway and of about seven in the bush. It has four speeds both forward and reverse.

According to Mr. Pepler, the chief characteristic of the Mark IV is the fact that it is both "articulating and oscillating", which means that its four wheels are always on the ground. Each wheel operates independently, the Logger having 4-wheel drive, 4-wheel brakes, 4-wheel steering; thus it is under the complete control of the operator at all times. Its universal joint is located midway between front and rear wheels, permitting the front wheels to swing around at right angles with those in the rear. In other words, the new vehicle is steered, not like a truck, but by means of its articulation.

Biographical Background of Dr. R. M. Taylor

Dr. Taylor was born in Vancouver but has spent the major portion of his life in Toronto, where he received his education. He received his B.A. from the University of Toronto in 1936 and his M.D. in 1939.

Following a year and a half of postgraduate study, he joined the Canadian Army and served with the 4th and 5th Canadian Divisions overseas from 1941-1945. At the end of the war, he returned to postgraduate study at the University of Toronto and the Toronto General Hospital. He was made a Fellow of the Royal College of Physicians of Canada in 1948 and was appointed to the staff of the University and of the Toronto General Hospital.

In 1950, he accepted the post of Director of the Medical Division of Atomic Energy of Canada Ltd. at Chalk River, a position which he held until his appointment as Executive Director of the National Cancer Institute and the Canadian Cancer Society.

With plenty of suckers. Sympathy is extended to the families of Mrs. Levi Hoover, Mr. Geo. Hilts of Gormley and Mrs. Leslie Grove of Victoria Square, who have passed on to their heavenly home.

The W.M.S. of Mount Joy joined the local Society in their Easter Thank-offering service, conducted by Pastor Shantz.

Mrs. Ralph Baker of Gormley gave a message of witness that was greatly appreciated.

Everyone is invited to the annual Missionary Convention being held this week. There will be special Missionary stories and offering for the Missions in the Junior Sunday School under Supt. Carl Grove.

Cancer Campaign Nears End

April has always had a special significance for the woman of the house. Bulbs are being planted, the children's heavy winter things go back in the mothballs, and the annual marathon of soap, water and skinned knuckles — spring cleaning is with us again.

That's April. But April in the last few years — has taken on an added meaning. April's Cancer Month in Canada.

Now, cancer is NOT a pleasant subject, but it is worthwhile to face the facts. As with so many things, if we take a long, hard look at a problem, we reduce it to a manageable size.

Some of us will be able to remember when tuberculosis wasn't talked about openly. A few years back it was mental disease. It is only recently that we have come around to accept alcoholism as a curable disease.

Now, slowly but surely, we are facing to cancer.

And we are doing a great deal more than talk about it. Thousands of volunteers in more than 700 Canadian communities are organized under the banner of the Canadian Cancer Society to fight this disease.

How do they fight it? By raising money to support fundamental cancer research. By informing the public of the facts about cancer. This is done by an educational program that describes the symptoms of cancer and points up the necessity for spotting symptoms early and obtaining good medical advice.

BOX GROVE

Shirley Howard

We are sure that April this year is the coldest on record and also the month with the fewest hours of sunshine. However, the skies did clear enough on Sunday-morning early — 1 a.m. — for those who were still up to see a beautiful display of the northern lights.

Though it's so cold we notice several robins building nests and starting to raise their families. Too bad Mr. and Mrs. Robin can't hang out "Please Do Not Disturb" signs.

Don't forget those two bothersome, but important days coming soon. One is Sunday when we set our clocks ahead one hour for the start of daylight saving time, and the other is Monday, the deadline for sending in your income tax.

Happy birthday this week to Sharon Thomson who will be 8 years old on Thursday and also to her sister Becky who will be 2 years old on Sunday.

Most of the support for cancer research in Canada comes from voluntary contributions collected during the April Cancer Campaign by the Canadian Cancer Society. The 1956 objective of the Society is \$2,100,000.

Although more research work throughout the world is being done on cancer than on any other medical problem, scientists still have not discovered the cause of cancer. Your donation will help to bring the day closer when this disease will be understood and cured.

The important thing to remember is that doctors can cure many cancer cases if they are caught early enough. That is the essential rule: early diagnosis and immediate appropriate treatment.

Everyone should be able to recognize cancer's warning signals. You should ask your doctor about them, or write to your Provincial Branch of the Canadian Cancer Society for literature which outlines these warning signals and tells you something about the success doctors are having now in treating cancer.

You can get that information on cancer absolutely free, from the Ontario Division of the Canadian Cancer Society, Richmond Hill, Box 216.

And don't forget that this great national program of research, education and cancer control needs your help. Make a contribution to the Canadian Cancer Society, too, won't you? Let's help science help us.

The Stouffville Fire Brigade received a call on Wednesday afternoon to fight their first grass fire of the season. The outbreak was at Love's Mushroom Farm, near Gormley.

After an accident a road hog is usually the first to squeal.

WAS 87 GEO. HILTS

The death occurred in York County Hospital on Saturday, of George T. Hilts of Gormley. He was in his 88th. Deceased is survived by his wife, the former Matilda Sheffer, and two daughters, Vera at home, and Mrs. Earl Doner of Stouffville.

The funeral service on Tuesday was conducted from the Heise Hill Church, Gormley, with interment in the adjoining cemetery.

Fire at Jail Farm

A three-alarm fire at the Ontario Mental Hospital at Langstaff caused considerable damage to the top floor of the building. Some 350 inmates were removed to the ground floor and then taken to another wing. Both Richmond Hill and North York fire departments answered the call.

Markham Twp. Constables Bill Shearn and Bob Hood assisted by Provincial Police Officers from the Bond Lake detachment kept the heavy Friday afternoon traffic moving. Firemen worked for three hours before the outbreak was finally extinguished.

Township of Uxbridge TENDERS For Equipment

Sealed tenders, marked as to contents, will be received by the undersigned until twelve o'clock noon on Saturday, May 12th for the supply of a tractor, loader and mower for the Township of Uxbridge.

Sunday School Evangelist Comes To Stouffville

Rev. Frank R. Wellington L. Th., Founder and Director of the Evangelical Sunday School Bureau of Canada, formerly Field Secretary of the Big Brother Movement, Toronto, working for three years as psychological consultant and advisor amongst parents and boys, and prior to that, Pastor of Calvary Baptist Church, Ottawa.

Rev. Frank Wellington will conduct a special series of services for boys and girls in the "United Missionary Church", commencing on Monday afternoon at 4 o'clock. He will bring his Musical Saw and other instruments, Movies, Film Strips, Slides, Beautiful Illuminated Flannelgraph, "Tiny" his Ventriquist Doll, and Surprises Galore.

Soon the boys from the school newspapers. This time the money realized will be used to buy sports equipment for the school. The profit made by the last collection was sent to the Junior Red Cross and was the largest donation sent in from any school in the rural area, although many of the schools are much larger than ours.

We are pleased to report that Levi Degeer, Mrs. Fiegehen and Dorothy Gray are all feeling better now. Both Dorothy and Mrs. Feighen stepped on rusty nails which caused severe infections that were treated with shots. Unfortunately, Mrs. Fiegehen had a severe reaction to her shot and is only now recovering, although she hurt herself over a week ago.

The Box Grove W.A. will hold their May meeting next Wednesday, May 2nd, at 8.30 sharp at the home of Mrs. Coakwell. Projects for the evening are a miniature Bake Sale auction, and articles for the bazaar fishpond. Also, don't forget to save your woollens and cottons for Fairfield blankets; the shipment date is May 15th.

Visiting with the Raymers on Monday was Mrs. Raymer's niece, Mrs. Dick Brown of Beamsville. Mrs. Raymer is doing fine now, and is able to be up for short periods of time every day.

Visiting with Mrs. Gray this week are her mother and sister, Mrs. Marchant and Doris of Toronto.

Several of the local high school students, among them Joy and Gladys Gray and Susan Armstrong, took part in the demonstrations at the open house held at Markham High School last Friday evening. One of the most interesting items of the evening was a Fashion Show in which the students modelled clothes which had been made by themselves.

This week will see the official closing of all the Youth Centre clubs except the Hi-Fi Club which is planning to run all summer. The Tiny Tot Club is planning a party for Thursday.

The Girls' Club will be holding an open house on Saturday afternoon from 3 to 4 at the club house with the draw for the quilt and Afghan to take place at 3.30 sharp with Samena Sissons officiating. Work done by the girls in both the junior and senior club will be on display and coffee will be served; everyone welcome. Then next Tuesday at 6.30 there will be a joint banquet for all the members of the Girls' Club and Boys' club.

The last, (but not least) club at which we are going to take a look is the Hi-Fi Club. This club meets every Friday evening from 8.30 till 11.00 in the Youth Centre under the guidance of Ron and Kit Hollingworth. The membership includes girls and boys of high school status or older. The meeting opens with a business session followed by refreshments after which the members either dance or go upstairs to the game room to play darts or pool or bowl. As we mentioned above, this club plans to go on all summer and when the weather is warmer will be planning picnics, wiener roasts and swimming parties. Among their projects are raffles and bake sales. Last Saturday's sale being very successful with all the baking being sold quickly and a nice little profit being realized.

The prize winners at last Friday's euchre were Pearl Butler, Mrs. Hollinger, Jean Pegg, Cec. Crozier, Lorne Pegg, Mr. Feeman. The freeze-out was won by Jean Carr and Artie Milroy.

Wolves in Gatineau Park eluded hunters. Wonder if a hunter would be smart enough to elude 85 wolves?

NEWS — In loving memory of a dear husband, dad and granddad, Walter News, who passed away April 24th, 1955. In memory, a daily thought, in heart, a secret sorrow. Sadly missed by wife and family.

NEWS, WALTER. In loving memory of my dear father who passed away Sunday, April 24th, 1955. He is gone but not forgotten and as dawn's a year. In our lonely hours of thinking, thoughts of him are always near. Days of sadness will come o'er us. Many think the wound is healed, but little know the sorrow that lies in the heart concealed. Sadly missed by Harold and Marguerite, Howie and Linda.

HENDERSON — In loving memory of a dear husband and father, Walter Henderson. The world may change from year to year. And friends from day to day. But never will the one we love, From memory pass away. Ever remembered by wife Emeline and family.
