Four Institute Members Honoured on Birthday

A beautifully decorated birthday cake was on the supper table to celebrate the birthdays of four Institute members, Mrs. A. E. Miller, Mrs. G. Purvis, Mrs. F. Pollard and Mrs. H. Stephenson. The president read letters of request from United Church Fresh Air Fund and The Canadian National Institute for the Blind. It was decided to send \$10. to each of these. Reports were read by Mrs. Casey, convener of Flowers & Fruit Committee and Mrs. Weir, Parsonage Convener. The Spring Luncheon to be held by our members in the church at 12.30 p.m. on May 9th was discussed. Mrs. Purvis announced an evening of cards to be held at Leitchcroft Farms on the night of May 9th in aid of the Cancer Society. The members were also reminded of the invitation to Headford on Sunday night and the Melville Luncheon on May 5th. Congratulations to Mr. and Mrs. Lloyd Penny on the birth of a daughter at Toronto East General Hospital on Sunday, April 22nd. Mrs. J. Weir spent a few days this week at the home of her daughter, Mrs. W. McCowan of Scarborough. Mrs. McCowan has been ill. We hope she will soon be well again. Miss Bety Rao leaves this week for Chicago to take the position as manager of a large show stable and teach equitation. She has been with the Bell Telephone Co. here for three years. Betty is well qualified to take such a position, having taken part in the horse show at the Royal Winter Fair. She will be taking part again this year with the Chicago stable. The monthly meeting of the Gleaners Club of St. Philip's Anglican Church was held at

the home of Mrs. A. B. Pyper. The annual Bake Sale and Afternoon Tea will be held on Saturday, May 26th. Our sister parish, Christ Church, Stouffville is opening a campaign for funds with a Loyalty Dinner on May 10th and the meeting agreed to help with the preparation and serving. A beautiful "Star of Bethlehem" quilt to be made by the members was generously donated by Miss Nellie Bond. Mrs. A. B. Pyper showed pictures and described her recent trip to England. The W.A. of Central United Church is sponsoring a Spring Luncheon in the Church at 12.30 p.m. on Wednesday, May 9th. Mrs. R. Gough was bridesmaid at the Moore-McCullough wedding at St. John's Church, Norway, Toronto, on Saturday afternoon. Mr. R. Gough, Miss M. Rainey and Mr. J. Moment were guests. The reception was held at Muirhead's, Richmond St. West. The closing euchre of the Ladies Club was held at the home of Mrs. L. Rainey on Tuesday night. Gifts were received by each player and the prizes were won by Miss Velma Findlay, Mrs. Hardy and Mrs. J. McLaren. Miss Alexis Lebosky of Toronto visited her cousin, Miss Elizabeth Weir, Pomanda Road, for the weekend. Mrs. Jonah Ramer and children, John, Ruth, David and Edith of Baden, formerly of Unionville, and her mother, Mrs. Gingerich, visited several old neighbors on Station Street on Tuesday. An educational project of the Ontario Temperance Federation was held in the United Church on Sunday night. The young people and teen-agers of Union-

Musselman's Lake

Well, it finally happened. The ice is off the lake. This is the latest ever, according to the old timers around here. It certainly looks good to see and as our youngest said when she saw it, "Now we can go in swimming." Personally, we'll take a rain check on that deal for a few weeks yet. We have two birthdays to report this week - Mrs. V. Davies of Cedar Beach passed another milestone last Tuesday. Happy birthday, Audrey. We can tell the age of the next young lady, Young Debbie Godowitz, Lakeshore Rd., was two years old last Thursday. She had a party with a few of her little friends. Among the guests were Janice, Janet and Mary Skelding, Mary Ann Wylie and Kevin Willis. Everyone had fun. It's hearty congratulations too to Mr. and Mrs. F. A. Copeman. They celebrated their 39th wedding anniversary last Wednesday. Best wishes from us all. A very good time was had by all at the last Home & School meeting, pupils, teachers and parents. The children did very well with the programme and the teachers are to be congratulated for being able to make such an excellent effort in such a short time. We hope there will be more such evenings during the next season. It was nice too, to see so many parents out for the affair. They were well rewarded. The next meeting will be on Wednesday, May 23rd. This is the Annual Meeting and election of officers will take place. It is hoped that all members will come and use their vote. Non-members, too, are cordially invited to come and watch the proceedings. Tea will be served. Last Friday was a gala night for the Musselman's Lake Ladies Bowling League. Their annual banquet was held at the Stouffville Veterans Hall. Some thirty or more bowlers and their husbands turned up and a very delicious meal was served to

them piping hot (there were seconds, too). After dinner came the presentation of trophies and prizes. Each of the winning team players received a very nice trophy. The team was that of Joan Forfar, Live Wires. The all-round Champion for the season and the night was Betty Wilkins. She took top honours for High Single, High Triple and High Average. Several others received little gifts for almost making it. Mrs. "Maw" Forfar took home the prize for the best try. Congratulations to all winners and better luck next time to the rest. After the prize giving, several toasts were made - this was the good part. The President, Ruth Lee and Ann Lehman, secretary of the League, were given a round of applause for doing such a good job and the banquet committee should be appreciated for their efforts. Music was provided for dancing by Lew Mortimer and his Tumbleweeds. Everyone seemed to have a really good time. Congratulations again to all who made such a pleasant evening possible. Well, the Club Euchre certainly made the rounds of dates. Here is the final one - Thursday, May 10, 8.30 at the school. There will be pie and ice cream for lunch and good prizes are planned. This is for a very worthwhile cause and it is hoped all who are able will attend and make it successful. Admission 25c. A door prize is being donated by Mrs. Bruce Forfar to help the evening along. There you are, folks, an evening's fun, good prizes, pie and ice cream and a door prize, all for 35 cents. Who could ask for more? Plan to come and bring your friends and neighbours - a week from tonight, May 10th. Well, the beaches didn't open last weekend as advertised, but it shouldn't be long now. We saw Mr. Griffith around inspecting his boats last week. That's a sure sign of things to come. The lever scale invented by Thaddeus Fairbanks in 1830 was the first contribution to the science of weight in 2,000 years.
