Cedar Beach Held First Dance Saturday

Much excitement last Friday morning when the Stouffville Fire Brigade answered a call to the home of Mr. and Mrs. P. Gray, 9th Line opposite Sunny Valley. A smouldering fire had started around the stove pipe in the kitchen ceiling, but it was quickly extinguished by the firemen. The only damage was that done to the ceiling. However, Mrs. Gray suffered some burns about the arm while trying to put the fire out before help arrived. All is well again now and things are back to normal.

In spite of the cool unhappy weather, there was a fair crowd at the opening dance at Cedar Beach last Saturday night. Everyone seemed to be having a good time and the orchestra was good. It was nice to see all the colored lights aglow again along the lakefront. Glendale gets off to their season's start this Saturday. Mr. and Mrs. Pidgeon are back again at the stand and ready for another summer's work. Things are happening in spite of the unseasonable weather.

In our birthday department this week we have that of Mr. C. S. Reekie. His birthday was Tuesday but to be sure of a real surprise his grade 5 and 6 pupils gave him a party Monday afternoon. There was lots of eat and two birthday cakes were brought. The class ate one and the other was given to Mr. Reekie to take home for his own. The kids and the teacher all had a happy time. Happy birthday from the parents, too.

Mr. and Mrs. F. Trenholm were weekend guests of Mr. and Mrs. A. Copeman. Mrs. Trenholm, Freda is Mr. and Mrs. Copeman's daughter. They came all the way from Glen Walter. That's the near Cornwall.

Mr. and Mrs. W. Wright, Lakeshore Rd., had guests all last week. Mr. and Mrs. L. Ludlow from Kansas City were vacationing on this side of the border. We hope the weather didn't discourage them too much. More U.S. visitors are expected by the weekend.

There will be a combined Mother's Day Service of the Sunday School and church next Sunday at 9:30 a.m. Note the change of time. For the summer months church will be at 9:30 a.m. and Sunday School at 10:30 a.m.

The Men's Club will meet next Monday night, May 14, in the church basement.

The Active Service Class will meet at the church next Tuesday night, May 15, for a clean-up bee of the church yard and flower beds. Each one is asked to bring a plant or shrub for a plant sale. This will be followed with a business meeting and lunch.

Birthday greetings to Doreen Jones, May 7; Ronald Jones, May 11, and Mrs. Elmer Wilson May 10.

Election of the new Executive for 1956-57, refreshments being served by Mothers of Grade 8. Mrs. A. Cousins, Social Convener.

Cherry Hill Farm, Unionville, was the scene of a very gay event on May 3rd, when the York Simcoe Home & School Council held their Annual Meeting. Taking part in the Festivities were members of the Golden Mile Pipe Band who played Scottish Medley of Famous Marches that had everyone's feet tapping. Young Walter Konieczny, 9½ years old, then played two very lovely pieces on his Piano Accordion: The Rangers March and Autumn Breezes. This lad shows a great deal of talent in his manipulation of this rather cumbersome instrument, as well as exhibiting a very remarkable poise belying his extreme youth.

Following on this came the Madson Dancers who are very well known for their colorful costumes and gay dancing. Their joyful execution of some of the Danish Folk Dances made everyone eager to be up and join in. Rounding out the International Theme came a French Group of Singers and Dancers with their familiar Habitant Folk Songs.

Annual Reports were presented through the medium of an eight-member panel, with Mrs. Mildred Toogood, President, in the chair. Some very pertinent points were thus brought into focus on the role a member must play if an Association is to be a success.

Mr. Crutcher of the Richmond Hill Association and Mrs. Eschenlohr of Unionville, outlined a very ambitious plan that is being carried through in some of the schools, whereby a school in Western Germany is adopted by a Canadian School and through correspondence and snapshots methods of teaching, folk songs, etc., are exchanged.

Mrs. LeMasurier of Langstaff placed the Report of the Nominations Committee before the group and the following officers were elected: Mrs. B. Kays, Pres.; Mr. J. Coghill, West Area Vice President; Mrs. O. Jaques, North Area Vice Pres.; Mr. F. Wolfe, East Area Vice Pres.; Mrs. T. Chant, Treasurer; Mrs. W. C. Noble, Recording Secretary; Mrs. C. W. Gage, Corresponding Secretary. Executive Members were Mr. Clare Ingram, Mrs. Patterson, Mrs. Stapley and Mrs. Huggins.

At the close of Elections, Mr. S. Burgess of Unionville presented Mrs. M. Toogood, Retiring President, with the Sapphire Pin on behalf of all Association and Council members, in appreciation of her excellent leadership and services.

Refreshments were then served, being in the form of cakes and cookies with colourful icings and shapes in the European fashion, thus ending this extremely pleasant meeting with the International Theme.

Members of Gormley Home and School are asked to remember their monthly meeting on May 14th, at S.S. No. 7, Markham. There will be a special programme for the children. Presentation of Annual Reports,
