Neighbourhood Notes

Students home for the summer are Grace Rodick and Bob Miller. Bob arrived from Guelph the end of April, and Mr. Wm. Rodick motored to London on Thursday of last week to bring Grace home. We understand George Felgate, a Queen's man, is home also.

Mrs. Wm. Rodick had as her guest Miss Lily Tate of Toronto recently.

Mr. and Mrs. Gordon Vaughan moved to their new home in the Sabiston subdivision on Friday of last week.

Mr. Angus Russell, son of Mr. and Mrs. C. J. Russell, has been in Ottawa recently to receive instructions for a new position he has accepted. His duties will take him to Uranium City for the next year.

Mrs. H. A. Roberts left last week for Victoria, B.C., where she will visit her sister who is ill. Mr. Roberts expects to join his wife later in the summer.

Following the evening service at Brown's Corners United Church Mr. and Mrs. Wm. Rodick entertained Rev. and Mrs. A. C. Huston, Rev. and Mrs. George Morrison, Mr. and Mrs. A. W. Miller, Mr. and Mrs. Wm. Spears, Mr. and Mrs. Ross Hord, Mrs. T. P. Harding and Mrs. F. H. Leaf visited Mrs. Edward Bewell at Galt on Thursday of last week.

Mrs. S. J. English with Mr. and Mrs. Ken Gray and Margaret attended the graduation ceremony at London, Ont., when Johann Gray received her R.N. on Friday of last week.

The girls of the Friendship Club of Brown's Corners Church are expecting a good crowd when they hold their Tulip Tea in the Church parlours on Saturday afternoon of this week. There will be a sale of Home Baking as well, and these gals are famous cooks.

Congratulations to Mrs. Douglas Hood who celebrated a birthday recently.

Crash Landing

It was a very lucky young man who crash landed his four-seater sea-plane in a farmer's field close to Don Mills Rd. and No. 7 Highway on Saturday of last week. The plane had engine trouble and narrowly missed houses and trees in the area. Fortunately, he was coming into a very strong wind, and although the landing gear was not down, there was very little damage done except to the pontoons. Now the problem seems to be how to remove the plane from a beautiful field of fall wheat without creating too much havoc.

Anniversary Services
 Congregations packed Brown's

Corners Church to capacity on Sunday of this week, when this historic church celebrated its anniversary. At the 11.00 a.m. service Dr. H. B. Henderson of Forest Hill United Church spoke on the theme: "Our Christian Heritage", and an excellent choir, under the able direction of Mrs. S. J. English sang "Holy art Thou" and "Bless the Lord, O my Soul". A selection was also sung by the quartette, Mrs. George Hooper, Miss Mary Gough, Mr. Jim Miller and Mr. Ted Gough. The altar was beautifully decorated with spring bouquets.

In the evening the speaker was the newly ordained scholarship student from Emmanuel College, Rev. George Morrison whose subject was "The Rewards of Christ". Two choir selections were sung — "Sun of My Soul" and "Saviour Thy Children Keep". Mrs. George Hooper taking the solos.

Such old friends as Miss Edith Hood, Mrs. Bell Glendinning, Mr. and Mrs. Elmo Middleton, Mr. and Mrs. Dimma, Mr. and Mrs. Rutherford and many from the Headford and Victoria Square congregations were present.

W. I. News
 The W.I. committee of W.I. asky that members mark Thursday evening, May 17, at Buttonville Hall for the monthly meeting. Time, 8.15 p.m.

Buttonville W.I. members will be on hand with refreshments on Saturday of this week when Mr. Charles Boynton holds his sale. It's a cheering thought that a cup of hot coffee will not be hard to come by, should the weather prove nasty.

What a nice surprise on Thursday evening when Miss Ivy Bunt, Supt. of Toronto City Mission, and Miss Margery Finch, Sec., motored from Toronto bringing with them Miss Ruth Fox and Miss Shirley Steckley to have Shirley's birthday supper with her parents, Mr. and Mrs. Fred Steckley. Shirley and Ruth were surprised, too, not knowing anything about arrangements before arrival.

Mrs. Fred Byer and daughters favored us with two vocal numbers at C. E. prayer meeting on Monday night.
