**CLAREMONT—**  
We extend our sympathy to Mr. and Mrs. Harold Dean in the death of Mr. Dean's two sisters who died suddenly, one in Meaford and one in Owen Sound.

### CEDAR GROVE

Last Saturday morning was foggy for a nature hike but a few turned up and had a very interesting time.

Three new arrivals were christened in Zion Church last Sunday: Karen Elizabeth, daughter of Mr. and Mrs. Bert Tapscott; Douglas Harold, son of Mr. and Mrs. Harold Lapp; and Stephen Reginald, son of Mr. and Mrs. Frank Robb.

Euchres—There will be a Euchre in Cedar Grove schoolhouse on Monday, May 21st. Everyone welcome. Last week's results: Betty Swain, Mrs. Carson Armstrong, Mrs. Herb Jarvis, Gordon Dimma, Alvin Klinsk, Fred Marquis.

The May meeting of the WMS was held at the home of Mrs. Frank Reesor with the President in the chair. Titles of Missionary Books read by each member were used to answer roll call. Bales will be packed at Mrs. Leila Burkholder's on May 29th. Mrs. Ivan Bear read an article on Alcohol and Health and Mrs. Frank Reesor's group took the worship and program. Mrs. Archie Little gave a talk on Angola, it being the 75th Anniversary. Mrs. Whitaker and Mrs. Walter Reesor also read papers about the mission. Mrs. Allan Reesor conducted the worship period.

Dr. McKay, of Unionville, who died this week, will be sadly missed by many in Cedar Grove. He was the family doctor for several families and the Public Health Officer for many years. The Mother's Club are having a Quilting Party this month. Those who know how to quilt will be able to go ahead and those who do not will be able to learn. Mothers are asked to bring a thimble, needle and scissors. If you have 7 buttons suitable for a child's cardigan, bring those along too. Thursday, May 17th.

### BOX GROVE

Shirley Howard  
The last few days have been outstanding ones in the great suddenness of changes in the weather. First there was the change from winter coats on Friday to sun-suits on Saturday, and then the change from 80 degrees on Monday morning to 60 degrees in the afternoon. We were fortunate in this area, though. Our only casualty from the severe storms was a forty-minute power failure.

Happy birthday to Larry Crozier who celebrated his seventh birthday with a party on Monday afternoon and also to Bruce Dowdell who was 11 years old on Tuesday.

There was a very nice family service at the United Church last Sunday and next Sunday there will again be a special service; this time for "Rural Sunday." Sunday School will be held at the regular time.

News from the school is that our baseball team was victorious in their game with Mount Joy on Friday afternoon but the Arbour Day cleanup was not so successful on account of the wind. On Monday morning many of the children had their polio shots. The boys are planning another paper collection for next September so we'll have all summer to save our papers.

If everything goes according to schedule, the woollens and cottons for blankets from Fairfield will be sent off this week.

The Box Grove Youth Centre League held their first baseball game last Tuesday between the White Socks, Captain Clarence Degeer, Manager, Cec Crozier and the Dodgers, Captain Ernie Armstrong, Manager Bob Walter.

Mrs. Raymer had all her family home on Mother's Day when she was visited by Mr. and Mrs. H. O. Klinek of Stouffville. Mrs. Brennan, Jim and Geraldine of Ajax and Merle Raymer of Stratford, and of course, Don and his family.

Mr. and Mrs. Scotty Black visited with Mr. and Mrs. D. Martin of Agincourt on Sunday.

Don't forget that the Cancer Campaign is still under way in the village and Mrs. Haines, the local canvasser, will be around to see you soon.

Cancer, you know, is an expensive disease, and contributions to the Cancer Campaign help cancer patients to meet this heavy expense.

Euchre winners last Friday were Daisy Brown, Joyce Lapp, Pat Francis, Herb Jarvis, Bob Lawrie and George Freeman. The freerout was won by Harvey Thomas and Irene Riddle.

The Hi-Fi Club took in \$25.00 from their sale of fly swatters last Saturday.

It is planned to hold an organizational meeting on Wednesday evening with the idea of starting a Girls' Club Baseball League.

## Stores Swing to Friday Night Shopping

Stouffville merchants will commence Friday opening this week, closing at 6 p.m. on Saturday evening. The change is announced by the Retail Merchants' Association. Tuesday evening will remain open throughout the summer as before and stores will be closed all day Wednesday.

The move is in line with the change made in the majority of surrounding centres and the buying public is asked to take special note of the change.

### GOODWOOD

Mrs. Les Meyers  
About two hundred and fifty attended the Christian Family Day service in the United Church on Sunday morning. We were very pleased to see visitors from Fifth-line and other communities. Mrs. Colby's Boys Choir rendered four selections which were very well received. Mrs. Colby is to be congratulated on the fine work that she is doing with these boys.

Mr. Carl Ashenhurst spent the weekend with his parents, Mr. and Mrs. John Ashenhurst. Carl is now working in Toronto and he and Mrs. Ashenhurst and children expect to make their home there in the not too distant future.

Mrs. Smith of Mount Albert spent Mother's Day at the home of her daughter, Mr. and Mrs. Herb Wagg.

Sunday visitors with Mr. and Mrs. J. F. Reid were Mr. and Mrs. Roy Reid, Mr. and Mrs. Roy Oaten, and Mrs. Norman Reid of Toronto.

Congratulations to Miss Lorraine Bunker who was crowned May Queen at the Uxbridge District High School formal dance Friday evening. Those persons named on CKRV Barrie at 6.30 p.m. on Monday evening were able to see Lorraine in the news.

The ladies of the Woman's Association served a delicious banquet to about forty Explorer Girls and their mothers on Monday evening. During a very enjoyable program June Jefferson, Carolyn Bunker, Carol Mitchell and Mary Tindall received graduation diplomas and pins.

Mrs. Arthur Downwell, Stouffville, was guest speaker. At present there is need of a C.G.I.T. leader. If anyone in the community is interested in leading this girls' group it would be appreciated if you would volunteer.

Mr. Harvey Bunker is busy clearing the lot north of Earl Tindall's house. It is understood that Harvey intends to build a new home there.

Mr. and Mrs. Norman Maye have purchased the lot just east of the United Church and will be building a house on it. At present they have taken room at Mr. and Mrs. Alger Maye's.

Congratulations to Mr. and Mrs. Allan Taylor on the birth of their son.

**CANCER FUND OVER \$5,000**

Harry Tobias, a third sister. The funeral services will be held on Thursday, May 18th, at the O'Neill funeral home and burial will be in Stouffville Cemetery.

**Hockey on Wheels Is New Sport**

Hockey played on motorcycles—a crowd-drawer in California but never before tried in Canada—may soon be tried in the arena at Waterloo, Ont.

Waterloo Arena Commission has approved use of the arena for this novel sport by the Canadian Motorcycle Association, promoters.

The association says the game is played on motorcycles with half-inch studs on the tires for traction.

Use Tire for Puck  
A small, wheelbarrow-type rubber tire is used as a puck and players use their feet for passing and shooting.

Eight motorbikes will be on the ice at one time—four to a team. Ten-foot goals will be used instead of the conventional type and the goalies will also be on motorbikes.

"How about the referees, will they be on motorcycles, too?" was one of the questions asked. They will use skates.

The players will wear hockey shin guards, leather trousers, jackets and gauntlets and will look like "overstuffed rugby

players."

Issue Penalties  
The game's duration is three periods and penalties are meted out as in regular hockey games.

However, there will be some variations to the rules. When the "puck" is stopped against the boards, the referee will simply pick it up and throw it in the centre of the ice.

This keeps things moving and prevents injuries. The commission was told that any damages incurred to the building will be paid by the bike riders.

**French Toast Famed In Story and Song**

When homemakers set a platter of French toast on the family table, it's doubtful if anyone realizes that this simple dish has been a favourite for more than 300 years. In Elizabethan literature there are many references to "fried bread." In France too a popular dessert for years has been "Pain Perdu," which translated literally is "lost bread." This is what is known as French Toast in Canada.

We're told this dish was originally developed in France as a tempting way to serve stale bread. However, it isn't necessary to wait until you have dry bread on hand to serve this tasty dish for dessert or as a breakfast treat. Here is a recipe that is closely related to "Pain Perdu" and the "fried bread" to which Shakespeare and other famous authors referred.

Since the maple sugar season will soon be at its height in some parts of Canada we've suggested that these Bread Doughnuts be served with maple syrup. However, they are equally delicious served piping hot with any kind of syrup, jam, jelly or your favorite preserves. Or if you prefer, they can be served sprinkled with brown sugar or a cinnamon-sugar mixture.

the "doughnuts" have been cut out can be used to make bread crumbs.

To Prepare Soft Bread Crumbs  
Crumble slices of bread with fingers or place two slices together at a time, cutting into tiny cubes with a sharp knife.

To Prepare Dry Bread Crumbs  
The bread should be very dry—either naturally dry from standing at room temperature for a period of time or from being placed in a slow oven. Naturally-dry bread can be put through a food chopper with a fine blade, the crumbs being retained in a paper bag fastened to the end of the grinder. If you prefer, you can grate dry bread on a vegetable grater. If the bread has been toasted in a slow oven, it can be rolled into crumbs with a rolling pin.

Bread Doughnuts

- 2 eggs
- 1 cup milk
- 1 teaspoon grated orange rind
- ½ cup fine cracker crumbs
- 12 slices enriched white bread
- 3 tablespoons butter or margarine

Beat together eggs, milk and grated orange rind. Place biscuit crumbs in a large plate. Cut enriched white bread slices with a doughnut cutter. Dip bread circles in milk mixture and then in the fine crumbs. Melt butter or margarine in skillet and pan fry dipped bread circles over medium low heat, like French toast, turning only once. Serve with maple syrup. Makes twelve bread doughnuts.
