### GREEN RIVER

Sorry to hear that Mrs. Wm. Michell was taken to Scarborough General Hospital. Her many friends are hoping she will soon be feeling like herself again.

The many friends of Mr. Wm. Duncan are sorry to hear of his illness and trust he will soon be feeling better.

Mr. and Mrs. T. Bowles and Carole Ann were guests at the wedding of Dalma Cesar of Toronto on Saturday last.

Mr. O. Madill is building a new addition to his house.

We welcome Mr. and Mrs. Hill and family to our community. Mr. Hill has purchased the house on No. 7 Highway east of the village, which was formerly owned by Mr. Hiska.

Owing to the anniversary services of the First Baptist Church in Whitevale, there will be no church service next Sunday evening.

The annual business meeting of the Baptist S.S. will be held in the S.S. room on Friday evening at 8 o'clock.

The family film night will be held in the First Baptist Church, Whitevale, on Thursday, Sept. 27th, at 8 p.m. Everyone welcome.

Mr. and Mrs. Alf Michell and Mr. and Mrs. Allan Michell were guests of the Simmons - Ryan wedding on Saturday.

Mrs. Shank is visiting her aunt in Toronto.

### CHERRYWOOD

The ladies of the W.A. of Cherrywood United Church and their guests from Dunbarton, Whitevale, Brougham, Cedar Grove and Locust Hill, heard an inspiring and challenging address from Miss E. Hart of Fred Victor Mission in Toronto. She gave a vivid description of the work she does there among Toronto's poor and destitute folk and also told of ways a church group could help that worthwhile cause. The devotional period was led by Mrs. A. Brown of Unionville, Vice President of the Rural South in Toronto East, Presbytery. Her theme was "Seeing the Wagons" impressing the many practical ways we could help others follow the Christian way of life. With her was Mrs. S. Fear of Unionville and Secretary of Christian Citizenship in Toronto East Presbytery who led in prayer. Mrs. E. Comfort of Markham was guest soloist and brought a challenging message in song.

The president, Mrs. Tindall, had all business dispensed with other than making two announcements, namely, the Toronto East Presbytery W.A. meeting in Victoria Park Church on Tuesday, Sept. 25th, and an invitation from Rouge Hill ladies to meet with them on Sept. 26th, at 2.30 p.m. Mrs. L. Gates extended courtesies to all who made the meeting so helpful. The meeting closed with a hymn and the W.A. benediction. The ladies and their guests enjoyed a social time over a delicious lunch before leaving.

Keep in mind the Turkey Supper to be held in the hall on Oct. 18th, from 5 p.m. on. Get your tickets early.

Sunday School will be at 9.45 for the next two Sundays.

Anniversary services will be held on Oct. 7 in Cherrywood United Church.

The W.A. will hold their regular monthly meeting in the hall on Oct. 3 at 2 p.m. Word for roll call is "Thanksgiving". Please note the change of day.

Mixing gasoline and liquor is dangerous under any circumstances, and immensely dangerous when a third factor in the mixture is a teen-age boy.

### From the Tribune Files

Sept. 30, 1926

Heavy night frosts set in on Saturday and Sunday nights last. Ice froze quite solid in water pails standing outside, while cabbage and beet leaves were nipped heavily.

While Markham and Whitechurch Townships hadn't a single appeal against the Voter's lists as prepared by the Municipal Clerks of the respective places, over in Uxbridge Township no less than 75 appeals were filed, which were dealt with at a Court of Revision held in Goodwood on Friday last.

The Horticultural lecture given by A. H. Moore in Ratcliff's Hall on Friday evening was greatly appreciated by all who were fortunate enough to be present. The lecture was brimful of useful information on growing roses. The following are a few of the points gathered from Mr. Moore's comprehensive treatment of his subject:

1. Roses require a cool, moist soil, from 50 to 75% of clay.
2. Soil should be prepared in Sept. or Oct. previous to planting and should have fresh cow manure dug in deeply.
3. The surface should be kept cultivated to admit air and moisture.
4. In planting, the roots should be given ample space and spread to radiate in all directions.
5. Hybrid teas and Hybrid Perpetuals are most desirable for our purposes, being hardy, profuse and perpetual.
6. The point of junction of stock and scion should be two inches below the surface of the soil.

The first car of potatoes to be shipped from the potato centre of Goodwood this season was loaded last week at \$1.25 per bag. The price is likely to climb upwards from this, as the acreage is smaller than usual, and on the heavy land the tubers are rotting, owing to the wet weather.

Grants to Stouffville school from the Ontario Government are slightly lowered this year. The Continuation School grant is set at \$763.55, and the public school this year is \$1189.75. The total reduction amounts to \$151.

The last garden party of the season will be held in the United Church basement on Wednesday evening under the auspices of the Garrett Mission Circle. Good program with orchestra, refreshment and candy booths. Admission—Adults 15c, children 10c.

### DISTRICT CATTLEMEN TO ATTEND DAIRY SHOW AT CHICAGO

Many Canadian purebred dairy cattle breeders will exhibit this year at the 4th annual International Dairy Show opening in Chicago, October 8. It will be held there in the International Amphitheatre through the 13th.

A total of 154 head have been entered in the competitions of three dairy cattle breeds by 58 Ontario dairymen.

Exhibiting in the purebred Ayrshire classes at Chicago will be Stansell Brothers, M.D. Carter and Luke Eskoitt of Aylmer, Henry Elzina, Mossley; Robert Ward, Union; Alex. Sutherland, Paris; Hamilton Health Ass'n., Hamilton; Ellen Bompas, Bells Corners.

Samuel S. Rose and Sons, Mountain; I. D. Ramer & Son, Richmond Hill; L. M. McQuat and E. Cooper, Brooklin; Harry W. Boyes & Son, Pickering; W. H. Green & Son, Brantford; Allan Crosier, Blackwater; and S. L. Pattison of Elora.

There will be 31 exhibitors of purebred Holsteins. They are Hector I. Astengo, Hallward & Houck, and J. E. Houck of Brampton; J. M. Fraser and George Glader of Streetsville; Quinte District Cattle Breeding Ass'n.; Romandale Farms, Ltd.; Grant S. Richards, and Robert C. Young & Son of Gormley; A. H. McKane, Georgetown.

Hardy Shore & Sons, Glanworth; Weaver Brothers & Howe Brothers, Belmont; Oxford District Cattle Breeding Ass'n.; Woodstock; George R. McLaughlin, Oshawa; E. C. Brown, Welland; Sheffield Farms, St. George; O. Chambers, Wilfred; Puccini Farms, King; Rock Realty & Investment Ltd., Toronto; F. Roy Ormiston, Brooklin; and W. J. Knapp of Galt.

Ontario exhibitors in the National Jersey Show, held in conjunction with the International Dairy Show, are Don-Head Farms of Richmond; Maurice C. Beatty, Milton; Murray Mellow, Bolton; George H. Innes, Woodstock; Alfred Bagg and Sons, Edgeley; R. R. McCall and Featherstone Brothers, Oakville; R. Stenger and Son, Enniskillen; B. H. Bull & Son, Brampton; and J. T. Markham of Ingersoll.

Canadian exhibitors have won many top honors at past Chicago shows. Included in this year's entries are the Grand Champion Ayrshire bull and cow at the 1955 International shown by Stansell Brothers, Aylmer.

A two time Holstein Grand Champion at the Chicago show will compete again this year. Quinte District Cattle Breeding Association is sending their famous Holstein bull Rockwood Rocket Tone, Grand Champion winner at the International in 1953 and 1955.

### ONTARIO COUNTY FEDERATION TO MEET OCT. 3rd

The first of the fall meetings of the Federation of Agriculture in Ontario County, a directors meeting was held at the home of John Hamer, Myrtle. The meeting was held to discuss plans for the winter meetings and it was decided that all meetings for the coming season would be held in community halls and would be open to all farmers. The first meeting would be on the first Wednesday in October and would be held in the Myrtle Hall.

Mrs. Hamer was asked to attend the directors meeting in Toronto due to the press of farm work for the president, Mr. Tindall.

Plans were laid for the annual meeting and the secretary was instructed to write to the Minister of Agriculture for the Province of Ontario, Mr. Goodfellow to invite him to be guest speaker at the dinner meeting. Mr. Clarence Werry, Mr. Milton Pegg and Mrs. Hamer were named a committee to carry out plans for the annual meeting.

School-Girl Types of Dresses in spun, corduroy and taffeta, in red, blue, charcoal, green, sizes 7 to 14.  
From \$2.98 up

SPOFFORD & Co.

### PROV. TO ASSUME COST BRUCellosis VACCINATION

Hon. W. A. Goodfellow, Minister of Agriculture, announced today the inauguration of another forward step in the fight against Brucellosis, or contagious abortion, in cattle. Brucellosis has been causing heavy losses in the cattle population. In addition, the infection may cause undulant fever in humans.

Mr. Goodfellow said today that the Brucellosis Act, passed at the last session of the legislature, would come into effect on October 1. Under its provisions the 245 townships in which by-laws were passed under the Brucellosis Control Act, 1953, will be designated supervised areas. Included in this number are all townships in the counties of Brant, Bruce, Dundas, Durham,

Grey, Haldimand, Halton, Oxford, Peel, Prince Edward and York.

Other townships may be added from time to time, but before any township can become a supervised area at least two-thirds of the cattle owners must sign petitions favoring the adoption of a compulsory calfhood vaccination program, an action that has been taken by the cattle owners in the townships that have been designated supervised areas.

Under the plan the cost of vaccination in supervised areas will be borne by the Province of Ontario. As in the past, the vaccine will be supplied by the Canada Department of Agriculture. In order to facilitate operations, every practising veterinarian will be given an opportunity of entering into an agreement with the Minister. If all practitioners take advantage of this offer as expected, each cattle owner in a supervised area will be able to get his female

calves vaccinated at no direct cost to himself, by the veterinarian of his own choosing.

The plan will be administered by the Live Stock Commissioner W. P. Watson and his assistant, Dr. Harold Worton, the Provincial Veterinarian.

"During recent years Ontario has made significant progress in reducing the incidence of Brucellosis as evidenced by the fact that 244,924 calves were vaccinated in 1955," said Mr. Goodfellow. "However, the fight must go on at an increased rate, not only because of the economic loss the disease is causing at home, but to preserve our export markets as well."

Last year Canada exported 41,691 head of purebred and grade cattle for breeding purposes, almost 85% of which originated in Ontario. The majority went to United States, a market which can be retained only if we have animals that are free from disease, and particularly Brucellosis.

"What will become of today's younger generation?" In thirty years or so it will be asking the same question of the youth of that future day.

### Musselman's Lake

There is to be an important meeting for all interested in the formation of a Nursery School in the area. A teacher and assistant are available, a suitable location has been found, now all that needs to be done is the registration of the children. The fee per month will of course depend on the number of children attending the school. For complete information and registration be sure to attend the meeting. It is to be held next Tuesday evening, Oct. 2nd, at 8 o'clock at the home of Mrs. Vern Davies, 9th line, Cedar Beach way.

Some of our neighbours have been smitten with the travel bug. Mr. and Mrs. Hummel, 9th line, have flown to Europe for a 5-weeks visit to the homeland. We'd like to take this opportunity to say Bon Voyage to Shirley and Archie Forfar. They have been staying up in this neck of the woods for a couple of weeks, but will soon be weighing anchor for points south. Good luck and smooth sailing — don't forget where you live, now.

Mrs. C. Paxton, Lakeshore Road, has just returned from a visit of several days at Uxbridge. Welcome back!

We had a visit from vandals Saturday night. Several wee houses on Appleton Drive were pushed over as well as gates and swings and other garden objects. Can't understand why people would do such unnecessary damage.

There are two names for our sick list again this week. Young George Davies and Floyd Mitchell have both been pretty sick. We hope they are on the mend by now.

The Ladies Bowling League has only three teams so far this

season, but what it lacks in numbers it makes up in enthusiasm. Congratulations to Janet Mortimer who struck out on her last game; the first one of the season. Nice bowling Janet, we'll have to watch and see how it's done.

Happy birthday to John Wylie. He celebrated his 11th birthday on Wednesday, Sept. 26th. We hope he had a good day, and will have many more birthdays to come.

The local Cub pack has a job on its hands these days. They are out selling Christmas cards, so if a cub calls on you and you can possibly help please do so. They have very few means of collecting revenue to carry on their work and this is one of them. Every little bit helps you know so let's all do our best for the kids.

A ratepayers' meeting at Balantrea School is scheduled for Thursday, Sept. 27th, at 8 p.m. We hope as many as possible will be in attendance.

### CHEST X-RAY AT GORMLEY

Your chest X-ray Clinic will be at Gormley Post Office on Monday, October 1st, from 2 to 4.30 p.m. The Gormley Women's Institute are sponsoring it and would like all to take advantage of this opportunity to obtain a free chest X-ray. Protect yourself and others from unsuspected TB. A test for Diabetes is also available. Be sure to get your FREE Chest X-ray now.

### CREAM

For Best Results Ship Your Cream to Stouffville Creamery. We pay two cents more per pound Butter-fat for Cream delivered to the creamery.

### COLD STORAGE LOCKERS

from \$8.00 to \$12.00 per year or by the month.
