Wherever plowing matches have been held in Canada, the increased interest aroused has resulted in better plowing-better farming.

This year the International Plowing Match is being held in Ontario County at Brooklin, Heber Down's Farm, October 9, 10, 11 and 12. Plowmen from many parts of Canada will be competing for top honours.

The Canadian Bank of Commerce extends a welcome and good wishes to all those competing at the International Plowing Match. With more than 89 years' experience in promoting better farming and looking after farmers' banking needs, this bank is vitally interested in every important agricultural event.

A Mobile Educational Unit like this will be on hand again at the 1956 ... International Plowing Match. This Canadian Bank of Commerce trailer is visited each year by thousands of farm people who ask information about farming and banking problems. Why don't you pay us a visit while you're at the Match?
