

SPORTS

Lion's Pee-wee League To Open on Nov. 5th

The Stouffville Lions Pee-wee League will commence activity for the 1956-57 season on Monday evening, Nov. 5th. All boys ranging in age from 8 to 13 years will be eligible to play.

A registration fee of \$3.00 per player will be charged this year. Of this amount, \$1.00 will be used to cover the cost of accident insurance for each boy both during scheduled games and practices. The remaining \$2.00 will assist in paying a portion of the cost of ice time, equipment, hockey banquet and championship crests at the close of the season. Every boy wishing to play hockey MUST be registered prior to Monday, Nov. 5th. Players without a registration card will not be permitted to play. Registration forms will be available at the following places of business: Don Davis Clothing Store, Ted's Men's Wear, Hendricks Hardware and L. E. O'Neill's.

The first couple of weeks in November will be used mainly for practice sessions in order that the boys may get the kinks out of their legs. A schedule will be drawn up and the lads will be paired off in separate teams. It is likely that the league will operate in two separate groups in order that the young boys will not have to compete with the older and more experienced lads. Coaches to operate the group have not as yet been selected.

SCHOMBERG STAR HAS PRO TRY-OUT

Don Graham, star defenceman with last year's Schomberg Bantams, will receive a pro tryout at Hamilton, a member of the Detroit Red Wing chain. The speedy rearguard, one of the best players in his class to perform here last season, is only 14 years old. His father was a well-known speed skater a number of years ago and was a Canadian entry in the Olympics. Graham was the leading scorer in the North York group last winter. Fans who watched the marathon series between Stouffville's Bantam club and Schomberg may recall Graham's outstanding performance. He played practically the entire game and was mainly responsible for his team's showing in the playoffs.

High Spots in World Series

Hitting the high spots in the Yankee-Dodger world series: Greatest Thrill—Don Larsen's perfect no-hit, no-run, no-walk, no-error job in the fifth game. Longest Home Run—Mickey Mantle's blow deep into the bleachers in right centre field at Yankee Stadium in the fourth game. Saddest Ballplayer—Don Newcombe trudging toward the Dodger dugout after Elston Howard's home run in the fourth inning of the seventh game. Most Happy Fella—Yogi Berra giving Larsen a bearhug after final out in fifth game. Greatest Fielding Play—Duke Snider's tumbling catch of Berra's sinking liner in fifth game.

Most Important Catch—Mickey Mantle's running backhand snare of Gil Hodges' drive that kept Larsen's game perfect. Oddest Putout—The Andy Carey-to-Gil McDougald-to Joe Collins play on Jackie Robinson's drive in the Larsen game when the ball bounced off Carey's glove to McDougald whose rifle shot to first just nipped Robinson in the second inning. Most Dramatic Hit—Jackie Robinson's game-winning single in the 10th inning of the sixth game. Wildest Inning—The second inning of the second game when the Yanks scored five to take 6-0 lead and Brooklyn came back with six to tie. Greatest Pitching Duel—0-0 battle between Bob Turley and Clem Labine for nine innings in sixth game, finally won by Labine 1-0 in 10th.

Strangest Strategy—Casey Stengel benching two lefthanded batters against righthanded pitcher for two righthanded batters in seventh game. Result? Bill Skowron hit a grand slam homer and Elson Howard hit a homer and a double. Shortest Stay—Tommy Byrne after throwing home run ball to Duke Snider in the second game. Experimental tests recently have shown that steers fed the antibiotic, terramycin, ate less and returned an additional \$3.93 per head. In the test, the animals were given 75 milligrams of terramycin daily.

Would Cost \$8,000 to Operate Senior "B" Team Here, Meeting Told

At a public meeting held in the Stouffville arena recently, Manager Harry Lee of the Clippers informed his listeners that it would cost at least \$8,000 to operate a Senior "B" hockey team here this winter. Stouffville iced a Senior club 2 years ago but dropped back to Intermediate "A" last winter. Manager Lee stated that the town needed a hockey team, one that would be a real contender. He pointed out, however, that if a Senior club was organized, financial backing would be necessary. The "A" club was operated on a "split" basis last season. Coach Bob Blang stated that the players on a Senior team would have to be guaranteed a certain amount of money plus transportation coverage. He said he was doubtful if a "B" team could be operated strictly on a split basis as was the club last year. "I want to see hockey in Stouffville, the best the town can afford," said Coach Blang. Bob stated that from last year's team, about five players would qualify for Senior "B" competition. In either "B" or "A" they would be placed in a group with Milton, Brampton, Elmira, Georgetown and Oakville. Mr. Les Clarke, one of the players on last season's club, felt that an Intermediate "C" team could be operated satisfactorily. He contended that Stouffville could operate in a compact group which would assist in cutting down transportation costs. "As long as the competition is good, we will receive good fan support," he said. The Clipper defenceman pointed out that by entering "C" class hockey, the younger lads too old for Juvenile or Junior competition would have a place to play. Other local teams in Intermediate "C" grouping are Aurora, Richmond Hill, Bradford, Sutton and Vandonor. "Can we afford Senior "B" hockey here?" questioned Mr. Ken Laushway, President of the Arena Board. Mr. Laushway pointed out that lack of fan attendance was a complaint that was being heard over the entire Province. "I don't think we can operate a team of that type unless we have a millionaire to sponsor it," he continued. Following the appointment of an Executive, it was decided to approach the O.H.A. with regard to icing an Intermediate club. A meeting of the O.H.A. is being held Saturday from which Stouffville's exact status will be decided.

BUTTONVILLE NEWS

Special Mention Our best wishes for future happiness go to Miss Coral Perkins of Victoria Square whose marriage to Mr. James Barker takes place in the near future. Coral is well known to the younger members of the community through Explorer and Vacation School work. Also, congratulations to Mr. and Mrs. E. Crisp, Mr. and Mrs. James McQuay, and Mrs. Dick Jones who celebrated wedding anniversaries this week. Mrs. James McQuay and Miss Janet Oakes received birthday congratulations. Mission Band The first meeting of the autumn season for Davidson Mission Band members was held in the parlours of Brown's Corners United Church on Saturday of last week. Mrs. Wilfred Turner told a story using the flannelgraph, and Miss Anne Davies conducted the crafts. Mrs. S. J. English explained to the children about the Christmas cards they will sell this year.

Friendship Circle Mrs. Bryce Jacksie entertained Friendship Club Members on Thursday evening of last week when they held their first meeting of the season. Although the attendance was light, those present were enthusiastic. Mr. and Mrs. Norman Reid had been invited to show their coloured pictures, and they took their audience on a trip which ranged from the Reversible Falls on the East Coast to the Butchart Gardens, Victoria, B.C. on the west coast, and from Juneau, Alaska, to the Everglades in Florida.

Mr. Jack Harrott will entertain the group at their next meeting, and the speaker will be Mrs. Rummy of Victoria Square who is with Eaton's of Canada as an interior decorator. New members will be welcomed and anyone interested is asked to contact Mrs. Harrott, AX-3-6247. Thankoffering Service When Brown's Corners WMS held their autumn Thankoffering service on the evening of October 3, there were approximately 75 members and guests present, and neighbouring societies from Unionville, Milliken, Whitevale, Thornhill, Melville, Headford and Victoria Square were represented as well as our own friendship circle.

Miss Nancy Edwards of the United Church Radio and Television staff was the guest speaker, telling of her work with the church in Newfoundland. Miss Edwards had taken many pictures in connection with her work which proved most interesting. She stressed the need for audio-visual aids in outlying areas. Mrs. Wm. Rodiek, president, welcomed the guests and conducted the meeting, and Mrs. A. W. Miller presided at the piano, in the absence of Mrs. English.

Neighbourhood Notes Miss Rhea Scott entertained at an evening party for members of the Baby Booth group of Harmony, last week. The occasion was a shower for Mrs. Roy Marson. Mrs. George Hooper was soloist at the Bennett-March wedding which took place at Richmond Hill Presbyterian church recently. Church service at Brown's Corners United Church will be withdrawn in favour of Anniversary services at the Victoria Square Church next Sunday, Oct. 21, at 11 a.m. and 7.30 p.m. Sunday School session at Brown's Corners will be at 10 a.m. Misses Dorothy and Isobel Hood were at Young Peoples' Conference last weekend. When the Canadian Cancer Society convenes at Delawanna Inn, Honey Harbour, the latter part of this week, Mrs. A. C. Huston, Victoria Square; Mrs. Malcolm Thomson, Richmond Hill; and Mrs. Gordon Purves, Unionville will represent the Richmond Hill Unit. Mrs. Huston is the delegate for the Campaign. Mrs. Thomson for Extension and Mrs. Purves will represent the Ontario Division of the Canadian Cancer Society, leading the discussion following panel talks on "Campaign" and "Extension". C.G.I.T. Calendar Sales C.G.I.T. & Explorer groups will be at your door shortly to sell the United Church Calendar. Proceeds from this endeavour will go to Dr. Winnifred Bryce, a missionary recently returned from India, to aid in the support of two children she is sending to school in that country. The new executive for CGIT was chosen at a meeting held at Victoria Square Church. Officers are as follows: President, Betty Patterson; Vice-president, Margaret Smith; Secretary, Janet Oakes; Treasurer, Mary Hooper. This was also the initiation meeting for girls graduating from Explorers, and Eleanor McKinney, Margaret Patterson, Randalyn Trussell and Susan Terry were welcomed to the group. Two former members, Betty Snider and Margaret Brodie will graduate from CGIT, and a special ceremony and dinner is being planned for this occasion. Leaders this year are Mrs. A. C. Huston and Miss Nancy Spears. Mrs. John Wilkins conducted the devotional, and the guest soloist was Mrs. Mason of Yonge St. United Church, a sister-in-law of Mrs. John Brown. During the meeting a presentation was made to three retiring members, Mrs. C. J. Russell, Mrs. Robert Giles and Miss Rhea Scott who have moved from the area. Mrs. S. J. English had prepared a farewell message for them which was read by Mrs. Walter Craig. Rhea Scott, a faithful member for many years, always ready to serve in any way possible, has moved to Markham. Mrs. Giles, always cheery and ready to help with program or refreshments, is going to Richmond Hill. We hope these ladies will consider Browns Corners WMS their own group still. The circle will always be open to let them in. Following the main body of the meeting the ladies adjourned to the church parlours where tea was served by the hostesses, Mrs. A. C. Huston, Mrs. John Wilkins, Mrs. John Brown and Mrs. John Donaldson.

LION'S CLUB TO SPONSOR BANTAMS

As was the case last season, the local Lions Club will again sponsor the Bantam hockey club. Last winter, this team made a real name for itself, gaining a spot in the Ontario semi-finals. This minor club created a good deal of interest locally and a large crowd was in attendance at the arena for the third and final game of the series. The Midget team this season will be strengthened as some of last winter's Bantams move up the ladder into a higher class. It is expected that Mr. Bill Lennox will once again handle the coaching duties of the Bantams. Although the team is not expected to be as strong as last season's entry, it was thought only right that over-age Pee-wees and hold-overs from the 1955-56 Bantams should be given an opportunity to prove their worth.

AURORA LEAGUE SOCCER CHAMPS

Aurora are the group soccer champions. They gained the title by beating Newmarket 4-1 here in Stouffville on Saturday night. The contest was played in the park under the lights. The Canal Town crew jumped into a 1-0 lead in the first quarter but Aurora bounced back to score four unanswered tallies to win the game and the trophy. A small crowd was in attendance although the weather was unseasonably warm. The Aurora team have had excellent success this summer winning three separate honours in soccer competition. They completed the regular schedule in first place, won the league championship and captured the beautiful Lions Club trophy here in a tournament held in September.

THORNHILL WINS TWP. SOFTBALL HONOURS

Thornhill are the new winners of the Markham Township Softball Championship. They defeated Buttonville 13-6 under the floodlights here on Wednesday night of last week to take the series three games to two. Bill Bowen handled the hurling chores for the champs with Jack Rummy working on the mound for the Sluggers. The Hill jumped into a one-sided 7-0 lead early in the contest but Jack Watson's squad fought back with six tallies to tighten the game. In the ninth inning, the winners scored a total of seven runs, to sew up the series. Jerry Junkin relieved Rummy in the final inning.

SOFTBALL TEAM HERE PLANS ENTRY IN ONT. CTY. LEAGUE

The Buttonville Sluggers, one of the most colourful teams in the Markham Twp. Softball League, plan to withdraw from the group when another season rolls around. The local entry will perform under the "Stouffville" nameplate and will play in the Stouffville floodlight park. Other clubs in the Ontario County circuit are Brougham, Ajax, Pickering, Brooklin and Johns-Manville. Coach Jack Watson of the Sluggers informed the Tribune early this week that he was "fed up" with the lack of organization in the Markham group. He said he felt there was little or no executive administration in the local league and interest on the Management's part was lacking.

There wasn't a member of the league management in attendance at any of our final playoff games," said the Buttonville Coach. "I don't think they even knew when we were playing." Buttonville have been operating in the Markham Township group for nearly ten years, winning more championships than any other individual club. This season the group was slimmed down to a mere four teams, Markham, Thornhill, Newmarket and Buttonville. Aurora, an entry in a previous year, disbanded and Agincourt moved up into Senior competition in the Beaches League.

Class of Hockey Here to Be Settled This Week

Whether Stouffville will ice this week, that the O.H.A. looks on with some suspicion on Stouffville as an Intermediate "C" club here this season will be definitely decided this week. A representative of the recently appointed executive will attend a meeting of the O.H.A. in Toronto on Saturday. If they are allowed to go "C", they will be entered in a group with Aurora, Beeton, Bradford, Richmond Hill, Sutton and Vandonor. If they go "A" they will play in a league with Milton, Brampton, Elmira, Georgetown, Oakville and Stouffville. The first three towns will be classed as Senior "B" but will round out a six team group. Following the result of Saturday's important meeting with the O.H.A. another meeting of the local executive will be held on Monday evening at the home of Manager H. J. Lee to organize an immediate practice. Manager Lee informed the Tribune

Ladies Bowling League

The Blowouts, 9 points; The Pin Pushers, 6 points; The Pluggers, 6 points; The Spiltfires, 6 points; The Thunderbirds, 5 points; The Optimists, 4 points.
