

## Wall Collapses on Man At Musselman's Lake

One of our senior citizens, Mr. Fred Coultice, had a very serious accident last Wednesday. Mr. Coultice and sons, John and Jim, were making repairs to the barn when a cement wall collapsed and fell on Mr. Coultice, breaking both his legs in several places. His many friends and neighbours wish him well and hope he will be on the mend very soon. Still another on the sick list this week is Mr. Kim Rogers, the local Scout Master. Mr. Rogers is doing well after a serious appendix operation. Up and at 'em, Kim, you can't keep a good Scout down. Seriously, get well soon; you'll be missed.

The first Euchre for this season was a real success and much credit is due the Committee, who planned and manned the whole project. Everyone had an enjoyable evening and the lucky first prize winners were Mrs. C. Grenthead and Mr. Les Ogden. Those at the other end of the scale were Pearl Mowder and Morley Davis. It was good fun for all and we hope as many and perhaps more will turn out for the next one to be held in two weeks on Friday, Nov. 9th.

We have the very pleasant task of welcoming still another new family to the Lake area. Mrs. MacCormick and son Evan have moved into the Pollock home on the 9th line. We haven't had the pleasure of meeting Mrs. MacCormick yet but have met young Evan and if his mother is as nice as he is, we are very lucky to have her with us.

Last week Ballantrae School played host to the Public Speaking winners from several other schools in the Township. There were eight contestants in all, and the first place winner was Frank Harris, Grade 8, Bloomington School. His topic, "Alcoholics" was interesting and well done. Congratulations, Frank, and good luck in the tests to come.

We have been asked by Mrs. Horton and Mrs. Grenthead to clarify statements made in last week's Tribune. First of all, they do not feel they were misdirected. They have been through all the proper channels, which finally brought them to the Council Meeting. Secondly, the percentage with regards to the school petition is 25% and not 35% as published. Lastly, the petition has not yet been presented and anyone still interested in signing may do so by contacting either Mrs. Horton or Mrs. Grenthead at 29374.

Sunday was the occasion of the first Church parade to be held by the Ballantrae Cub Pack headed by Mr. Jack Watson. They formed two's at Wright's General Store and marched from there to the Ballantrae United Church. Fred Watson, son of Mr. and Mrs. Archie Watson, and John Wylie were the standard bearers and did a fine job too. The boys were proud and so were the parents and so too we feel were the townsfolk who turned out for a look see. Mr. Watson has done a fine job and should be given a big "Well done" for his efforts, even the weather did its share by being sunny and warm. Two others on hand to help things along were Sam Hendy, better known to the boys as "Kaa" and Mr. Reg. Mowder, chairman of the group committee.

tentative date has been set for Saturday, Dec. 8th, and that's not too far off now. Start looking through your cupboards and drawers and see what you can send along for the sales counter when the call comes out. Articles needed will be about the same, novelties, knick-knacks, white elephants and almost anything that's saleable. You'll be hearing from the committee soon, so let's all be good scouts and "be prepared". More details will come your way as plans progress.

We must say a sad farewell to Mr. and Mrs. F. Keeso of Valley Road. They have left for at least a year and taken up residence in Toronto. We wish them much luck and are sorry to see them go, but feel sure they'll be back for visits often.

### BALLANTRAE

We are truly sorry to hear that Floyd Mitchell, son of Mr. and Mrs. Garnet Mitchell, has rheumatic fever and will have to stay in bed from 4 to 5 weeks. Let's all get busy and send him a card for we know that Lloyd Richardson certainly appreciated the cards, books and games that we all sent to him.

Mr. Kim Rogers, our Scout Master, had a sudden attack of appendicitis and was rushed to the Newmarket Hospital. The last word was the operation was successful and Mr. Rogers will be home in a few days. The Scouts will continue as usual on Tuesday nights.

A pleasant evening was spent at the euchre on Friday night at the school with almost fifty people attending. Mrs. L. Grenthead received 1st prize for the ladies and Mrs. R. Mowder the booby. Mr. Les Ogden received the 1st prize for men and Mr. Morley Davis the booby. The next euchre will be held Nov. 9.

We are sorry to report that not all the Cubs could attend the Church Parade on Sunday, but those who did made us feel mighty proud. The boys met and marched from Mrs. Wright's store, led by their Cub Master, Mr. Jack Watson. The flag bearers were Fred Watson and John Wylie. On their arrival at the Ballantrae United Church the flags were held in an arch position and the Cubs and Cub Master marched through into the Church.

The W.A. wishes to thank all those wonderful people who came and helped to make their Family night a huge success. Over seventy people attended and all in all, everyone had a pleasant time.

Mrs. B. Windsor and Mrs. A. Vaughn are on our sick list this week. We do wish them a speedy recovery.

Ronny Watson had his tonsils removed last Wednesday, Oct. 24, and a little bird tells us he is coming along very well.

Remember Wed. Nov. 7, that is the date of our W.A. meeting. The Home & School Association have set the date for their Christmas Carnival for Dec. 8. Mrs. R. McLennan has consented to be chairman of this committee and it is our hope that everyone, especially the parents will pitch in and help to make this carnival an even bigger and better success than the one we had last year. Remember, the movie projector is our goal. The Principal feels that a projector will help the children a great deal, so let's get together and donate what we can, so that one day in the future your child may come home and say, "We had a very interesting science lesson today on film." You will be able to say to yourself, "I helped to provide the projector."

## VICTORIA SQUARE
