TREATING TREES TO PRESERVE NEEDLES

Dropping needles or leaves of Christmas trees, which strip the floor, long have been a Yuletide bane. Therefore, the discovery of the New York State College of Forestry that waterglass spray will prevent the spruce leaves from falling comes as welcome news to family and housewife alike.

Besides preserving the foliage the waterglass spray adds to the decorative effect of the spruce by leaving a slight silver sheen to the green of the needle-like leaves. The waterglass also has been found to be a good fire retardant.

The college found that the shedding of spruce leaves also can be retarded by placing the base of the tree in a bucket of moist earth, peat moss or water. Users have reported the success of this treatment.

MINUTE MAKE-UPS

Look your prettiest to greet the New Year! Pin flowers in your hair. Mistletoe, dipped in silver powder, makes a beautiful "frosted" hair decoration! You won't have to stand under the mistletoe—you'll be under it, just in case!

Herod fortified the kingdom and kept it out of the clutches of Cleopatra, rebuilt the city of Samaria, and endowed several pagan temples long since crumbled into dust. Few people know, and fewer care, that his wife and two sons were murdered at his command. This sort of a Romanized Jew is remembered chiefly because of his hypocritical treatment of the Wise Men and because he authorized the slaughter of the Holy Innocents, and even this deed of incredible cruelty might have been forgotten if the Innocents were not associated with the Babe of Bethlehem who grew into the Christ and bequeathed a new philosophy of love and peace to all mankind.

Some men question what has been accomplished during the 20 centuries since Bethlehem.

True enough, some of the records have been written with indelible inks of hatred and prejudice and splattered with much blood; but cynics had best not rest their argument too confidently upon the gory records written or provoked by men who either did not know Christ or openly rejected His commands.

On the other hand, the glad tidings announced to a few shepherds at Bethlehem have inspired courage and faith and love such as no earthly decree or proclamation has ever called forth.

Faith and Peace are eternal questions—and twenty centuries are mere fleeting moments of Eternity.

FAITH AND PEACE ARE ETERNAL

Twenty centuries have passed since the inn at Bethlehem was overcrowded because of Caesar Augustus and his census.

The bigwigs who crowded the Inn were committed to oblivion by their contemporaries and, except for the census and resultant conditions at Bethlehem, it wouldn't matter too much if Augustus completely vanished from the history books.

It is generally immaterial that, as puppet king of Judea,
