- In Canada, nearly 14,000 babies die each year.
- One of them might be your own.
- Last year Canadians drank nearly 900 million quarts of unpasteurized milk.
- You may contract bone tuberculosis, septic sore throat, undulant fever, typhoid fever and diphtheria from unpasteurized milk.

- Only 35 per cent of all Canadians receive dental care of any kind.
- Last year Canadians lost 173,793 years of working days through illness which might have been prevented.

Canadians must be awakened to the knowledge that health is important, and that each one of us can do something about it. Join the HEALTH LEAGUE OF CANADA to do your share. The League is the only national voluntary health organization of its kind in the world—a National Citizens' Committee for the World Health Organization. Nursery School to Open For Ballantrae Children

On behalf of the Cubs and Scouts we would like to thank all those wonderful people for donating their papers and books. Please continue to do so, there will be another drive; watch your paper for future date.

We have two belated birthday wishes. David Hineman reached the big age of six on Wednesday, Jan. 30th, while Heather McDermott was seven on Thursday, Jan. 31st.

While attending the euchre on Friday at school, one couldn't help but enjoy the friendly atmosphere. People from Sutton, Mt. Albert, Pine Orchard, Vivian, Stouffville, Musselman's Lake and of course Ballantrae made up 14 tables. The euchre committee do an excellent job and the pie and ice-cream made a big hit. We would like to thank the ladies who so kindly donated the pies. Pie and ice-cream is on the menu for the first euchre in March.

Mrs. Lovelace had the ladies highest score. Mr. Ted Doran was highest score for men.

Remember, folks! the next euchre will be a box social with the ladies providing the lunch. There will be no charge to play euchre but if you want to eat; buy a box; there has been a limit set on all box lunches. Oh! yes, the date—Feb. 15; just make this your Valentine Date.

Here is some good news.—Mrs. V. Davies informs us that the Nursery School will start in her home on March 1st. Mrs. H. Dewitt will be the teacher. The Classes will be held three days a week, the fee being six dollars a month. If you haven't enrolled your child yet, don't hesitate; the training your child will receive will be very valuable when he or she attends school (public) in September.

May we extend a thank-you to Mrs. G. Wright for her help with the choir. We know she has made a group of girls very happy and we know too that the choir has always been appreciated by the congregation.

There have been two teams formed for hockey, one from Ballantrae, the other from Musselman's Lake. Do you think there could be any men interested enough to come out and coach these boys and referee the games? Most of these boys were unable to get on teams in Stouffville—even though they have played there for several years, due to the fact that they are overcrowded with players. The boys are planning to meet again this weekend. If you can possibly help, please do so. We have some good players and with a little help, could have some interesting games. Who knows—

maybe we have a Teeder Kennedy in our midst.

Many parents will be greatly relieved to know that the draft getting into our basement classroom has been done away with. The entrance to this classroom has been completely closed in. Results—no more drafts, and we hope, no more grievances.

All Scouts please note: Your Scout Master, Mr. Kim Roges, has planned another outing for this coming Saturday 9th. For information phone Mr. Roges, Stouffville 63124.

A little bird tells us that the teachers and the Trustees of Whitechurch attended a banquet and although at the moment the name of the church escapes us (the church being on the north-west corner of the Don Mills road where the Aurora sideroad goes through). We do want those who prepared the dinner to know that those attending from this way certainly enjoyed their dinner, and thank you!

Ina Campbell of Scarborough spent a few days with her sister, Mrs. T. Phillips and family. Sorry to hear that Irene is having a bad bout with a cold.

Friends tell us that Mrs. O. Flewell is still her cheerful self. Not being able to put pressure on her injured leg makes her stay at the Gormley nursing home rather indefinite.

A truck parked on the 8th in front of Mr. Savoretti was the cause of an accident which Mr. and Mrs. Sheppard of the Lakeshore road were involved in. They suffered minor injuries about the head and face. Mr. Sheppard's car plowed into the back of the truck, doing considerable damage to the front of their car.

Do remember Feb. 13 is the Birthday of our Home & School Association. A very entertaining evening has been planned. Do come and be sure to bring your neighbor. If transportation is a problem to you, phone Mrs. Wylie 54531, and a ride will be arranged for you.

To those who attended the Leadership Training Course, please note that a meeting is being held on Feb. 15th at 8 p.m. at this address, 716 Davis Drive in Newmarket. Mr. Paterson, the gentleman who attended our last H. & S. meeting and gave us the interesting data on a Community centre, will be on hand also at this meeting to give us a refresher course on Leadership Training. 'Sounds interesting, let's go!'

Let's hope by next week we can meet someone who will say, "No one is sick in my family," then looks for a piece of wood to touch for luck.

—Yours truly, Mickey Mouse

Victoria Sq. Girl Fractures Back Tobogganing

Mrs. W. Sandle, Tobogganning Accident—Friends were sorry to hear of the accident that befell Miss Marjorie Barber while she was tobogganning at St. George's Golf and Country Club at Islington on Saturday evening, Jan. 26. Marjorie had the misfortune to suffer a fractured backbone in three places, also a dislocated foot. She is in St. Joseph's Hospital, Toronto. Her address is: Room 224. A speedy recovery is wished for her.
