**Farewell**  
 On Saturday evening about 45 friends and neighbours gathered at the home of Mr. and Mrs. James Valliere, 5th line. The occasion was to bid farewell to them and their two children, Patsy and Jimmy Jr., and to wish them many happy years in their new home in the vicinity of Orton.

Jim has grown up on this farm, receiving his public school education in S.S. No. 12 Markham. Mrs. Valliere, (nee Gladys Lehman) is the last of the famous Lehman Mills family to leave our community. The name Lehman has always stood for friendship, honesty, and a good neighbour. Gladys has always shown us her ability to live up to the family name.

This family will certainly be missed. There was never a neighbour in need of help but help was a-coming from the Valliere family. (This was a familiar gesture in the past generation of the Valliere family.) The number of children at the gathering spoke for itself of the little friends Patsy and Jimmy

have amongst the younger generation.

After an hour of chatting and visiting with all the friends and neighbours, the gathering was called to order, at which time an address was read relating to how much the family would be missed. Best wishes for the future were read by Miss Mabel Sanderson while Messrs. Nelson and Art. Buchanan presented them with a coffee-table. Mrs. John Snlder presented them with a combination floor and reading-lamp. Mr. and Mrs. Valliere both thanked everyone for the lovely gifts and invited all to go to see them in their new home.

Mr. Frank Brumwell then took several snapshots of the gathering. The pleasant evening was brought to a close with refreshments served by the ladies.
