**High School News**  
 The Stouffville girls junior basketball team played their last game of the season in Toronto last Saturday. It was a tough game—the score was tied most of the time, until the end, when the Port Perry team got ahead of us, and with only a minute and a half to play, we couldn't quite catch up again. The game ended 36-33 for Port Perry.  
 Stouffville and Burk's Falls were to have played off earlier, but these teams are so far apart that a special agreement was made to play in Toronto and eliminate two teams at once. As there were four teams to play off, it was agreed before the game began, that should Stouffville or Burk's Falls lose and the other win, the loser should have the Georgian Bay Championship and the other should have a try at the Ontario Championship. So Stouffville is the holder, for a second year, of the Georgian Bay Championship. We're proud of our girls!  
 Grade 13 started writing exams Wednesday and the rest of us begin today. So possibly, there will be no column next week—no one strong enough to hold a pen, anymore. We hope it won't be that bad!

**9th Line Markham**  
 We are pleased to learn that Mrs. Frank Grove is able to be out after sustaining injuries from a very bad fall in her home. We are sorry to hear that Mr. Fred Wicks Sr. has not been feeling well lately. We hope that he will soon be much improved.  
 We regret to report that Mr. Fred Cole was admitted to the Toronto General Hospital this week for observation.  
 Mr. and Mrs. Herb Thomas visited with Mrs. Harold Arncliffe of Stouffville on Sunday afternoon.  
 Mr. and Mrs. Jim Randall and family of Oshawa were Sunday visitors at the Thomas home last week.  
 A very pleasant evening was spent at the home of Mr. and Mrs. Jim Lewis on Friday when friends and neighbors assembled to say farewell to Mrs. Bell and Mr. and Mrs. Albert Walton and family who are leaving our midst to take up residence on the new farm near Brechin. They will be greatly missed in our section where they have always been most helpful and active in all the activities of our community. Following an appropriate address by Rev. Mr. Gibson, a presentation of an arm chair and walnut sewing cabinet was made as a farewell gift. Dainty refreshments and the singing of Auld Lang Syne brought to a close a most enjoyable evening.

**Probation Helps Both Old And Young Offenders**  
 (This is the second in a series of articles on probation work prepared by Probation Officer William Outerbridge in his annual report to York County council.)  
 When a child under 16 appears before the court and is convicted of a delinquency, one of the alternative methods of disposition is probation. Under this disposition, the child returns to the community under supervision of the probation officer for a certain specified period of time. During this time, the child must abide by certain rules of probation which are laid down by the court. He is subject to supervision and counselling by the probation officer. The purpose of this method of disposition under law is to give the probation officer a chance to get to know the child and to attempt in any way possible to prevent further outbreaks of delinquency.  
 During 1956, a total of 25 juveniles were placed on probation to this court for offences ranging from minor breaches of municipal statutes through break, entry, and theft to more serious offences such as delinquency as a result of arson and wounding. This has involved a varying degree of supervision, depending on the seriousness of the offence and the severity of the social problem underlying the delinquency itself. Of this number eight have successfully completed their probation without further offences; four have been returned to court for further offences or breach of rules of probation; and thirteen remain under probation supervision as of January 1, 1957.  
 For the purpose of acquainting Your Honour of all the social circumstances of those who have appeared before the court, a total of 28 pre-sentence reports and social histories have been prepared. The importance of these reports cannot be over-estimated, as they help place before Your Honour a total picture of the child who appears before the court. When further intensive assessment has been required by a psychiatrist, we have been able to use the services of Dr. J. D. Atherton, D. Psych., of the Metropolitan Toronto Juvenile Court, if mental illness or serious emotional disturbance has been suspected of being a contributing factor to the delinquency.  
**Probation — Adult**  
 Certain sections of the Criminal Code and Provincial Statutes are heard in family court when they apply to matters between husband and wife. These statutes enable the judge to use probation supervision where "this seems to be indicated." Of the 117 cases appearing before the court in 1956, nine adults

**BALLANTRAE**  
 (Mrs. Paterson)  
 We find that the past week has been an eventful one. Beginning with the meeting of the United Church, Mrs. G. F. Group planned the program and provided the lunch. Each member of this group invited a friend and the following ladies were visitors: Mrs. G. Fockler, Mrs. W. Meagher, Mrs. Tom White, Mrs. C. Badgero, Mrs. D. Graham, Mrs. B. Radford, Mrs. Howard Storry, Mrs. W. Patten, Sr. A pot luck supper was planned for Mar. 16th at 7 p.m. Mrs. J. Phillips was elected as chairman of the entertainment committee for this supper. The following are to assist with the program: Mrs. Ross Hood, Mr. Archie Watson, Mr. Tom Phillips, Rev. D. Davis of Stouffville will show films.  
 Mrs. J. Phillips gave a piano solo and Mrs. Wm. Owers read the scripture lesson. Mrs. A. Watson gave a reading "The Nightingale of the Psalms." Rev. Davidson was our guest speaker. He told the members of one of his recent visits with Mrs. O. Flewell of the Gormley Rest Home. He found Mrs. Flewell quite well and very cheerful.  
 March 7th was a busy night for a lot of people. To the principal and teachers at our school it was encouraging to see so many interested parents. Members from the Home and School Association assisted the principal and teachers and grade mothers provided the refreshments. Mrs. J. Write and Mrs. J. Phillips who helped to make tea started at 8 p.m. and made their last pot full at 10:15. Girls from grades 7 and 8 served the guests in each room. On March 7th the members on the United Church Board held a meeting at the home of Mr. and Mrs. J. McDermott.  
 A well attended council meeting at Vandorf was held on Mar. 7th. A petition was presented to council by Mrs. C. Horton for a school to be built at the lake. Mr. A. Neil of Toronto also had a petition of which he was representing four associations at the lake. Those associations being North Shore, South Shore, Conner Drive, Church Hill Drive. This group is against splitting the school area and still another group wishes one large school

**TO WHICH CHURCH did the APOSTLES BELONG?**  
 Saviour. It is still made up of all those who are saved.  
 There is close fellowship today among Bible-believing Christians in numerous Protestant groups, just as there was close fellowship among the various groups of believers in the days of the apostles. Among these believers the Bible has always stood as the supreme authority in spiritual matters.  
 Through the Bible message of salvation these Christian believers have come to know a newness of life which was known to the apostles—and to all believers of their day. The Bible says that "if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." (II Corinthians 5: 17)  
 If you would like to know more about the Church—its great fellowship of those who believe on Jesus Christ as Saviour—you will want to have a pamphlet which has been prepared for your benefit. You may have it FREE of charge if you fill in and mail the following:

**3 FINE ALUMINUM AWNINGS FOR YEAR 'ROUND PROTECTION AND BEAUTY**

- 1. THE KOOL LITE "CUSTOM"**  
 The "Custom" is stationary with no moving parts. This awning is available in any size. Its unique vented roof allows an abundance of light to enter at the same time providing a built-in cooling system to protect the window from solar heat.
- 2. THE KOOL LITE "CAPRI"**  
 The "Capri" is an adjustable awning. It opens and closes from the inside. Close the shutters for sun protection and open to admit light on those dull days. In other words you can adjust it to suit the weather.
- 3. THE KOOL LITE "KOOL-ROLL"**  
 The "Kool-Roll" is a roll up type. It can be operated from the inside or outside whichever the home owner prefers. On dull days it can be rolled up out of the way. When it is needed just pull the cord and down it comes and adjusted to the position required.

to do the whole area (meaning additions to the present school). This group feels that children have a better education being taught by one teacher per grade. Reeve Legge felt that if these groups would get together and come up with a solution among themselves a lot of time could be saved. He suggested that the Trustees of our School Board call another ratepayers' meeting when the Trustees receive the petition which is in the hands of the township clerk. Mrs. Horton has called a meeting at those interested in a school at the lake as well as splitting the school area, to be held at Villemer's Bowling Alley at 8 p.m. Monday, Mar. 18.  
 We are sorry to hear that our principal, Mr. Herbert, will not be with us next year. He has been offered a better position which he felt he couldn't refuse at the present time when the future of a principal doesn't look too promising at the Ballantrae school. The Euchre at the Vivian School had to be cancelled due to the fact that there has been an outbreak of scarlet fever in the area.  
 Ballantrae school will be having their euchre this Friday, Mar. 15th at 8:30 p.m. sharp. Mr. Roberts, our Scoutmaster, had a group of Scouts at his home last Saturday. The boys all passed their test on outdoor cooking. They each had to cook bacon and potatoes.  
 The Cubs are doing their part. They had a church parade Sunday. Mr. Watson, the Cubmaster, is quite proud of his boys.  
 Friends and neighbors will no doubt be sorry to hear that Mr. George Partridge, formerly of Ballantrae, passed away last Saturday, March 9th at the Sunnybrook Hospital and was buried on Tuesday, Mar. 12th.
