YOUTH JAILED AFTER UXBRIDGE BREAK-INS

William Earl Gourlie, 18, of Fairport Beach, Pickering, appeared before Magistrate F. S. Ebbs once more to have sentence passed on him on nine counts of breaking and entering and theft.

Magistrate Ebbs stated that in view of the fact that Gourlie's parents were not living together it would be unwise to place him on suspended sentence. Therefore the magistrate sentenced Gourlie to one year definite and one month indefinite to the Ontario Reformatory.

Magistrate Ebbs emphasized that there he could at least learn a trade.

Gourlie stole tires and other articles from stores in Scarborough, Ajax, Pickering, and Uxbridge up to a value of about \$4,000.

From four stores in Scarborough alone he made off with 78 automobile tires and in Pickeringhe broke into Pennyworth's store in that town and got away with \$500 worth of merchandise. All the tires were recovered but only \$400 of the Pennyworth merchandise was recovered.

In Uxbridge Township, he and an accomplice broke into two cottages but were discovered by the owner of one of the cabins and the two ran off.

Film Festival Next Saturday

The Annual Film Festival which is sponsored by the Ontario & York Counties' Film Council is being held this year in Whitevale United Church, Whitevale, next Saturday evening, March 30th, beginning at 8 p.m.

Everyone interested in films is invited, and although the festival films are specially chosen to appeal to the adults, children also are permitted to attend if accompanied by adults.

The Whitevale Film Club and Mr. and Mrs. J. C. W. Irwin have kindly offered to act as host to the annual film festival. The Toronto and District Film Council are planning to attend as our guests.

So, the film council hopes that every person in the district who has ever shown an interest in film programmes will attend, and help to make the Toronto and District film council members welcome.

A short social period will follow the film programme at which local members and their friends will have an opportunity of meeting the Toronto Folk, and will afford us a chance to return the hospitality which they extended to our group a few weeks ago when we visited their council.

As is usual, a collection will be taken to help defray the cost of the hall rental, and other incidentals, such as transportation of films, mailing meeting notices to members, etc.

County Seed Judging Test Creates Interest

Who enjoys seed judging? That can best be answered by a look at the Ontario County Seed Judging Competition which was held recently in the Uxbridge High School when some 30 juniors from the county showed their ability to judge grains and seeds and to give reasons for their placings as well as to identify legumes, grasses and weeds. The competition was keen as the competitors strove for the high honors and trophies which were offered.

The winner in the junior section, in which 19 contestants competed, was Neil Taylor, Pefferlaw, R.R. 1, with a score of 619 out of a possible 690, and thus won the Russell Morrison Trophy donated by Russell Morrison, Beaverton.
