Garrett Evening Auxiliary
The Easter meeting of the Garrett Evening Auxiliary was held in the church parlours on Tuesday, April 16th, with the President, Mrs. Storey presiding. In keeping with Spring, Mrs. Crouch, in charge of Devotions, read an article on "Trees" and also gave us the well-known poem entitled "Trees". For her Bible reading Mrs. Crouch used the 1st Psalm.

Mrs. Oldham, with Mrs. C. Nolan at the piano, rendered two appropriate Easter songs which were much enjoyed. Mrs. Storey read a letter received from Mrs. Murdoch, now working in British Columbia and formerly president of the Toronto East Presbyterial.

A challenging message was given by Rev. Wm. A. Rae by the use of his set of slides taken in New Guinea last year. Mr. Rae pointed out to us that these people were a primitive race who are greatly in need of missionary help. Only by seeing such pictures as he presented can we fully appreciate how very much our prayers and dollars are needed to bring God to these people. A vote of thanks was given to those taking part by Miss Eva Hoover. Rev. D. Davis closed the meeting with prayer. A social half-hour was enjoyed. Program conveners were Mrs. Klinck and Mrs. Mercer.

United Church W.A.
On Monday evening, April 15, the W.A. of the United Church was held in the church parlors with the President, Mrs. A. Dowswell presiding. The call to worship was expressed by quoting the motto, and then singing hymn "Let the Beauty of Jesus be Seen in Me," followed by prayer. Mrs. Dowswell read a portion of Scripture and then offered prayer. It was decided to hold a rummage sale in the near future. Mrs. Forgie, leader of group 5, then took over and Mrs. C. Brillinger and Claudia sang two very lovely Easter numbers. Mrs. C. Gostick took the devotional and she brought a very inspiring Easter message, "Christ's Legacy of Peace." God demanded a sacrifice of his own body on the tree, regardless of what new fears may be conceived. He rose triumphantly to those who would accept. We are hearing of so many who will not accept the blood—how dreadful, how compassionate! Mrs. McCright extended sincere thanks to all who had taken part, and the meeting closed with the benediction. A social half hour followed.

Business Men's Meeting

There is a meeting called for Stouffville Businessmen at the Masonic Temple Tuesday, April 30 at 8 o'clock sharp. The agenda is important and it is hoped at least one representative from each business will be present.

—Ted Topping, President

Dr. Gilbert Richardson of Toronto is visiting with Mr. and Mrs. Frank Wagg for a couple of weeks.

He says that there are many changes in the personnel of the town. There are only a few of the former public school companions remaining, but there are certain constant reminders such as the name of the Stouffville paper which is still "The Tribune," giving more news for more people. The passenger train that took students each morning to Markham High School still runs. The patriotism of all the citizens is still of a high standard as seen by the well kept homes, the rapid, up-to-the minute development school system, the roads, the many, new homes and all the town property. It is always a pleasure to visit in one's home town.
