High School News

Whew! What with scurrying around decorating, and finding just the right dress to wear, and deciding the colour of that special girl's corsage, and arguing how to make sandwiches and cookies just right for the supper—we're pretty much out of breath. Goodness, but there's a lot to be done!

It's tomorrow night that we're all rushing around for—our biggest, special-est night of all—enchanting and exciting, and maybe a little bit frightening—but in every way a lovely night—the Prom.

We're expecting everybody to come—it's open to couples and we know it'll be grand. Steve Kennedy, the Effervescent Emcee, will be handling the programme with his usual Light

Touch. Ron Tomlinson's Orchestra will give us Music for the Mood, and there will be the crowning of our lovely May Queen. Who will she be? There are five beauties chosen now as candidates.

But that's enough. Come and see the festivities for yourself. We've got to dash. There's work to be done.

P.S.—The I.S.C.F. Party was one of the most enjoyable parties of the year. Everyone who went says so. It was a big success, and we just hope that next time there will be more people to join the fun.
