MUSSELMAN'S LAKE— & BALLANTRAE

Honor Couple Preparing To Leave the District

Last week was a really busy one for most of the folks in this district. It started, of course, with election day, Monday, and everybody had a finger in that pie. The outcome is still making news.

On Saturday night, neighbours and friends of Mr. and Mrs. J. Paterson, 7th line, pulled off the surprise party of the year. As you probably know by now, the Paterson family is leaving us for a western climate—Alberta to be exact, and more than sixty people gathered at the old homestead to wish them bon voyage and the very best of luck in their future home. They will be sorely missed by the community. Mrs. Paterson is a tireless worker in all community activities—Church, school and recreation. Missed almost as much as the family will be the gentle roar of the old blue Dodge as it makes its appointed rounds day after day—but back to the party. Rev. Davis of the Stouffville United Church made the presentation of gifts to Jack "Mickey." The going away presents were two very fine pieces of luggage and a lovely chest of silverware. Everything went off beautifully, the food brought by the guests was delicious. A highlight of the evening was an old-fashioned sing-song led by Tom Phillips and his guitar. All in all, it was a most pleasant evening. Mr. Herbert, our school principal, was on hand to represent good old S.S. 11. Once again, much luck and happy times to the Paterson family, from all of us. We hope they never forget the folks "back home."

The second big event of the week took place Thursday, June 13th. The 1st Ballantrae Scouts & Cubs held their second annual Father & Son Banquet at Cedar Beach Park Pavilion. Some 96 fathers, sons and friends turned out to enjoy a very delicious dinner arranged by the mothers of the sons. A great deal of credit is due to all who had a hand in making this Banquet a really successful evening. The group committee did a very fine

job of organizing, arranging and presenting a most interesting programme. A big thank-you must go to Mr. Davies who so very kindly made Cedar Beach Pavilion and all its equipment available for the big evening. Guests for the evening were the District Commissioners for both Scouts and Cubs and also Mr. Davison and his pack from Melville-Peach's. Several boys received special awards, among them Scout Bud Henderson as best Scout in the Troop, and Cub Frank Plummer as best Cub. Young Lloyd Mowder received a prize for being top salesman in the recent sale of cards by the boys. The Grey six led by Sr. Sixer John Wylie won the award for leading group.

Each of the boys received Scout money purses. Mr. Tom Phillips and his faithful guitar were once again called upon to make music. The boys really sang out and the Dads did pretty well, too. Sixteen mothers turned out to lend a hand with the preparing, serving and of course the inevitable washing up. The ladies all volunteered and did a wonderful job.

Saturday's Bake Sale held by Ballantrae W.A. in Stouffville Arena was a great success, almost forty dollars was raised. The variety and quantity of baked goods was a pleasure to see. Thanks to all who so generously donated to make the sale so successful.

There was a slight accident at the school last week. Billy Storry came out second best in an encounter with a baseball bat. It took several stitches to close up a very nasty cut on his ear. Battle scarred but happy Billy is back at school showing off his neatly sewn ear—hem-stitched, no less!

Any of you who haven't been up the seventh lately, do go if only to appreciate the work recently done by the road crew. To say the least it's smooth. Thanks for the calcium job done on the Lakeshore Rd. and just in time, too. This Sunday was probably as busy as it will ever get this year.

Temperance Winners Receive Their Prizes

Mr. and Mrs. I. Smith attended Memorial Decoration Day at Newmarket Cemetery last Sunday.

Our school had 19 entrants and seven winners.

Our teachers, Mrs. Burnett and Mrs. Tait are to be commended for their effort toward this achievement.

78 Citizens At York Manor Home

"The old people of the county shouldn't be considered as worn-out street cars. They deserve the best," said Reeve Fred Armstrong, Woodbridge, when the York Manor commission report was presented to County council. The work of Mr. and Mrs. Peter Wilde was commended and the operation of York Manor farm by Archie Ritchie was praised.

"We appreciate the way Mr. and Mrs. Wilde treat the residents at York Manor," said Reeve William Clark, chairman of the commission. "They respect the atmosphere of a home not an institution."

Religious services are conducted each Sunday afternoon at York Manor. Ministers from Newmarket and Aurora take their turn in holding these services.

At present there are 34 woman and 44 men at the home for the aged. All Metropolitan Toronto residents have been moved to Greenacres.

Improvements to the home this year, included the panelling of the walls in the residents' dining room. The ceiling was covered with acoustic tile. Vinyl tile flooring has been laid in two dormitories.

The rate charged for paying guests is the per diem costs of operating York Manor for the previous year. The 1957 rate is \$2.14. Residents in receipt of pension and having no other means of income receive five dollars per month as pocket money.

"I feel the farm is an asset to York Manor," said Mr. Clark. "We have a lot of people going to the county's home for the aged with rural backgrounds. They like that rural atmosphere that the farm gives York Manor. They can go into the fields and barn as they did on their own farms and it makes them feel more at home."

"I am a strong supporter of the farm," added Mr. Armstrong. "York County should continue to maintain a farm at its home for the aged. Contentment is worth all the gold in the land. A visit to York Manor will show anyone that its residents are happy there."

Most successful married men owe a lot to their wives, but how do you get them to pay?
