

Buttonville Bids Farewell to Rev. A. C. Huston

Following the service at the Brown's Corners Church on Sunday morning, June 30, the last at which Rev. A. C. Huston will preside as pastor, Mr. C. J. Russell, former clerk of session, read an address of farewell to Mr. and Mrs. Huston expressing the gratitude of the congregation for their years of faithful service and wishing them God-speed. Mr. Huston was presented with a purse containing a gift of \$200, and Mrs. Huston received a basket of roses presented by Mrs. A. W. Miller, with a short address of appreciation by Mrs. Wm. Rodick. Perhaps the most eloquent tribute to the Hustons was the fact that there was scarcely a dry eye in the house! They will be sadly missed.

Neighbourhood Notes

A soft-ball game at Buttonville School grounds on Monday evening of last week between Brown's Corners Y.P.U. and Richmond Hill United Y.P.U. left Richmond Hill to carry on the series. It was a tie game but Brown's Corners hadn't enough score behind them to save the day. Playing were: Walter Magee, Don Gohn, Doug Flood, Nancy Brown, Beverley Burr, Fraser Craig, John Craig, Carol and Sandra Russell, Isobel Hood and Doug Clarke.

Mr. Walter Craig and his family motored to Colgan on Sunday to visit Mr. and Mrs. Lauder Hamilton. John will re-

main with his aunt and uncle for the summer. Mrs. Craig is still in St. Michael's Hospital; her friends wish her a speedy recovery.

One of the most shocking incidents to happen in this area was the eviction of the Orville Smith family from their Arleigh Hts. home during the rain on Thursday of last week. Losing their mother in the car accident which also injured their father, early last spring, was hard enough on those little boys without this last fiasco upsetting them further. We understand that the family moved back into the house Thursday evening but in the meantime the furniture had had a thorough soaking while it was left on the lawn unprotected from the rain.

Mr. and Mrs. Maw have two small visitors from the Children's Aid for the summer months — a little girl and boy. Good for them!

Mr. and Mrs. Simpson and their three children went to their Collingwood cottage last weekend. Mrs. Simpson and the children will remain for the summer months.

Haying in the neighbourhood was almost over when Hurricane Audrey brought her deluge last week-end. Remember how late it was last year before this job was done?

On Tuesday evening of last week, while most of the neighbourhood was at the music re-

ception given by the pupils of Mrs. S. J. English, young mischief makers broke into Buttonville School. Entrance could not be made to the new part, but a window in the old room was forced, desks were upset, walls were written on and the radio was turned on and left — more work for the caretaker, Mr. Geo. Clarke.

Mrs. Alex MacGregor, Douglas and Donald of Kitchener visited Mrs. S. J. English last Sunday. Rev. and Mrs. Morrison Sellar of Owen Sound will spend July with Mrs. Robert Rodick, Mary and Jack.

For several weeks now work has been in progress to ready the block of stores at the Arleigh Heights corner for occupancy. It is Mr. George Arnold's intention to move the Arnold Farms store to this location.

On Monday evening of last week Miss Marilyn Magee entertained at a miscellaneous shower in honour of Miss Blanche McKinney whose marriage to Ronald Kirk of West Hill took place in Donlands United Church on Saturday, June 29. Attending the shower were many friends of this community. The bride's sister, Eleanor, assisted her with the opening of her beautiful gifts. Later in the evening refreshments were served by the hostesses, Marilyn Magee, Mrs. Clara Magee and Mrs. Brooke. Among other showers tendered the bride-to-be was a personal one given by Miss Marilyn Lawson, Don Mills Road, 'Tadmorden.

The groom is the proprietor of the White Rose Service Station, Don Mills and No. 7 Highway. Whether it is co-incidence or the station has some special matrimonial powers we cannot say, but the former proprietor, Jack Stephenson, was married just a year ago! Our best wishes go to Richard and Jean.

Hurricane Audrey Damage Light

The rain storms and high winds accompanying Hurricane Audrey did little damage in this area, with the exception of a few limbs blown from trees, and some harm to gardens. For the most part, grain fields were left untouched. Hydro power was off for a three-hour period late Saturday afternoon, and many cattle suffered neglect on this account. Lack of traffic lights at the corner of No. 7 and Don Mills Road during heavy holiday traffic may also have caused the accident which took place during the hydro break. No one was seriously injured but two cars, a Chrysler and a Cadillac, both new, were severely damaged.

Harmony Club Bake Sale

Enterprising Harmony Club members garnered \$35.00 from a sale of garden produce and home baking held between rain-drops at Victoria Square Church grounds on Friday afternoon of last week. Vacation-bound motorists welcomed the opportunity to purchase delicious home-made buns, tea-biscuits, pies, cakes or cookies, and the ladies of the community enjoyed their afternoon immensely. Everyone was surprised at the dispatch with which goods were sold, in spite of the bad weather. Another sale will be sponsored by the Brown's Corners Harmony Club on Friday, July 12, and members are hoping to have a good supply of baking donations to sell.

Local Couple Feted

Richard Tribbling and Jean Brumwell whose marriage takes place quietly on Tuesday of this week, have been entertained recently. On Wednesday evening of last week friends tendered a shower at the home of Margaret Wigmore, and on Thursday evening close friends and relatives met at the home of Mr. and Mrs. John Donaldson to fetter the young couple.

At the latter shower friends were welcomed in the specially decorated recreation room of the Donaldson home, and Darlene Brumwell, cousin of the bride, played "Here Comes the Bride" as the honoured couple entered. After the beautiful gifts had been opened, refreshments were served and a social hour enjoyed.

The groom is the proprietor of the White Rose Service Station, Don Mills and No. 7 Highway. Whether it is co-incidence or the station has some special matrimonial powers we cannot say, but the former proprietor, Jack Stephenson, was married just a year ago! Our best wishes go to Richard and Jean.

Music Exams Successfully Completed

Congratulations to the following pupils of Mrs. S. J. English who were successful at the June examinations of the Royal Conservatory of Music. Grade 5 Piano: Darlene Brumwell; Grade 3: John Rumble (Honours), Sharon Rumble, (Honours), Patricia Patterson, Wendy Parsons. Grade 1 Theory—(First Class Honours) John Gee, Margaret Patterson, Lois Moorby, Jacqueline Johnson, Sheila Wilcox.

John Gee received 100%

Neighbourhood Notes— Friends and relatives visiting Mrs. Robert Rodick on the occasion of her 94th birthday were: Mrs. L. Scott, Miss Rhea

Sunday School Picnic

Next Monday, July 8, at 2 p.m. Sunday School children of Brown's Corners Church will meet at No. 7 Highway and Don Mills Road (White Rose Station) to board Mr. Norman Reid's school bus in which they will travel to Musselman's Lake where the annual picnic will be held. Bring a basket lunch. Everyone invited.

Scott and Mr. Clarence Scott (Mrs. Scott is in her 92nd year); Mr. and Mrs. Wm. Rodick, Grace and John, Mrs. S. J. English, Mr. and Mrs. R. Mitchell of Woodbridge, Rev. and Mrs. Morrison Sellar, Owen Sound; the Harper family of Bolton, Mrs. MacPherson of Toronto and others. Mrs. Rodick received many gifts and greetings from friends to make her birthday a specially happy one.

An orator, says a contemporary, is a public speaker whose audience would be better off if he were addressing envelopes instead.

ADMIRAL & PHILCO SALES & SERVICE
Stouffville, Ph. 346w1 - 2 - 3

NOTICE

To Patrons of the Bethesda and Stouffville Telephone Company Limited

It is the constant desire of this Company to give the best service possible. With this in mind, the Company has within the last few years, spent large sums of money to enlarge its switchboard, instal common battery service and some dial phones. It has added many new circuits, thus reducing the number of subscribers on most lines. This improvement will continue until the number on all heavily loaded lines has been reduced.

The Company last applied to the Ontario Telephone Authority for an increase in rates in February 1952, which is over five years ago. Therefore, it feels certain you will agree that with the ever increasing cost of materials and labour, a slight revision of rental charges is warranted at this time.

Application has been made to the Ontario Telephone Authority for authority to make the following charges for telephone service effective as at August 1st, 1957.

| Exchange Rates | Business | Residence |
|---|-------------------------|--------------------------|
| Individual line | \$6.20 per month | \$6.60 per month |
| Two-party line | Business 5.35 per month | Residence 3.15 per month |
| Multi-party line (on circuits having 3-10 telephones) | Business 4.05 per month | Residence 3.05 per month |
| Multi-party line (on circuits having 11 or more telephones) | Business 3.90 per month | Residence 2.90 per month |

The above rates are for a modern hand set. Where old style wall sets are installed a discount of 25c a month will apply until more modern equipment is available.

The above rates for individual and two-party line service will apply only within the Base Rate Areas which are defined as—

- Stouffville — Municipal Limits
- Claremont — Municipal Limits
- Gormley — Victoria Square north on the 4th Concession of Markham to the town line between Markham and Whitchurch, thence westerly to the hamlet of New Gormley. Including 1,000 feet on any road within reach of this cable route.

If individual or two-party line service is required beyond the above limits, there will be an additional charge for extra mileage of forty-five cents a month for each ¼ mile or fraction thereof for individual line and twenty-five cents a month for each ¼ mile or fraction thereof for each party on a two-party line.

Service may be furnished on a season basis for temporary residents where the telephone company has the necessary facilities available. This season service will be supplied for a minimum of seven months and the exchange rate, service connection charge, and any construction and installation charges applicable, are payable in advance. If the seasonal subscriber wishes to retain his telephone from year to year, a suspension of service charge of \$1.00 per month will apply during the months the telephone is not in use, in which case no re-connection charge is applicable.

| Supplementary Charges | Rate |
|---|----------------|
| Extension telephone on same premises | 1.25 per month |
| Extension bell, small | .30 per month |
| Extension bell, large | .60 per month |
| Jack and Plug per jack | .25 per month |
| Service Connection Charge (Instrument not in place) | 2.50 |
| Service Connection Charge (Instrument in place) | 2.00 |
| Moving telephone on same premises | 2.00 |

Any representations to be made to the Authority with respect to this application should be submitted on or before July 15, 1957, and addressed to the Chairman, Ontario Telephone Authority, 7 Queen's Park Crescent East, Toronto, Ontario.

If you desire any further information in reference to the need for increasing the telephone rates, you may apply to the undersigned either personally, by telephone or by letter.
