BORN IN CLAREMONT T. F. SCOTT PASSES

Thomas F. Scott, 80 Patricia Ave., a veteran of the First World War, died at Sunnybrook Hospital, Toronto, on Monday morning, July 22. In his 62nd year, he had been seriously ill for three weeks.

Born at Claremont, the deceased was a son of the late William G. Scott and Minnie Pugh. A resident of Oshawa for 10 years he had previously lived in Lambton Mills.

Mr. Scott was a member of King Street United Church, Brougham Union Masonic Lodge and of the Oshawa Curling and Lawn Bowling Clubs.

The deceased left high school to enlist in the Canadian forces early in the First World War and served overseas with the Army Service Corps. He was gassed in France and after receiving treatment in England returned to active duty. In one of the final engagements of the war in 1918 he was severely wounded while serving as a non-commissioned officer.

Following his return to Canada, he entered the University of Toronto to take a course in medicine. However, he was forced to give up his ambition due to ill health and during the past 30 years has spent lengthy periods as a patient at Christie Street and Sunnybrook Hospitals. Despite the severe pain which he often suffered he was always pleasant and congenial. As a member of the Oshawa Lawn Bowling Club he took part in tournaments and club games and was considered one of the club's better players. His interest in the game was such that he was one of the driving forces behind the organization of a club for the patients at Sunnybrook.

Mr. Scott is survived by his wife, the former Violet Currie, whom he married at Claremont in 1923. Also surviving are three brothers, David G. of Oshawa, Gordon R. of Windsor and Peter A. of Harlingen, Texas.

The funeral service was held at the McIntosh Funeral Chapel at 2 p.m. on Thursday, July 25, followed by interment in Claremont Union Cemetery. The services were conducted by Rev. M. A. Bury, minister of King Street United Church, assisted by Rev. W. Burnett, padre of Christie Street Hospital.

GOODWOOD

Mrs. Reuben May We are sorry to hear that Mrs. Alfred Pugh has been in bed the past three weeks at the home of her brother, Mr. and Mrs. Distin McDonald. Members of her family have visited her during her illness from London, Toronto, Newcastle, Leaside and Markham. At time of writing, her condition is not progressing very rapidly.

Thanks to Councillor Mr. Earl Downswell who informed me I haven't kept up on council news in the paper, because the sign posts I referred to as marks for concessions and side-roads are to be in our township this fall. The posts have already arrived and our road superintendent has had a busy time lining things up with the Star paper representative. Perhaps some of us don't realize just how much our council have to think about.

Mrs. Fred Woodland visited a few days with her old farm neighbours, Mr. and Mrs. Bert Staley.

Pleased to say, Mr. George Evans is home from hospital and progressing favourably, also Mrs. Gladys Norton returned to her home on Thursday.

The Fifth Line picnic was a merry afternoon for a good number. The water was perfect, it was held at Sunnybrook Park, Lake Simcoe.

Congratulations to Mr. and Mrs. Harvey Bunker, who this week moved into their beautiful new home.

Friends of Mrs. Russel Feasby were sorry to learn she was taken to Scarborough Hospital last week, suffering from a heart attack. It is expected she will be home the end of this week.

Never for years have I seen every roadside and grass-land pasture grown up so thick with sweet-clover. Reminds me of one of the drought years in the west, when sweet-clover saved the day for us, coming up after being in the field some ten or fifteen years previous. Harvesting is the order of the day, with wheat being threshed and oat crop ready for the binder. The best of harvest weather but we could do with a shower of rain.

The children have gone off happily to Bible Vacation School this Monday morning. Now may we invite all appreciative parents to come to their closing exercises on Friday evening in the United Church.

Local Scout Arrives In London, England

(This is the 3rd in a series of articles direct from the Jamboree, by Craig Peters, a patrol leader in Troop No. 11 of the Canadian Contingent.)

The Jamboree trip has begun! This report is being written from the bank of the river Thames, in the heart of old London. My particular troop flew over on flight number 3, which left Malton airport Sunday of last week, and carried 114 Scouts from Central Ontario, Eastern Ontario and Toronto regions to London in a huge super-constellation. At the airport the flight was delayed for an hour but at 11 p.m. the plane took off and then time passed quickly.

Four hours and one hot meal later, the plane touched down at Gander, Newfoundland, and it was refuelled while the Scouts ate and stretched their legs. The temperature in Gander was only 47 degrees F. and with the driving rain, and piercing wind, as well as the occasional snow flurry, it could have been any November day. Once the plane got above the clouds, however, the sun was shining, and after nine more cramped hours in a hot plane flying at 300 m.p.h., about 20,000 feet over the Atlantic, we arrived at the huge and modern London Airport. Organized into troops for billeting in the homes of Surrey Scouts, we met our hosts, and went to their homes.

Many of the English people are amazed at the size of the Canadians, for our average height is about six feet, while many of the English boys are

Kinsale Pupils Enjoy Re-union

Over 100 pupils and former pupils of Kinsale Public School gathered in Greenwood Park recently, in the second annual school reunion. Former pupils from as far away as British Columbia came to the quiet village to pay tribute to the little one-room red brick school-house, where they received their early education.

Master of ceremonies John Russell Heard, of Lindsay, started the program by leading in the singing of "O Canada." This was followed by a delightful violin duet by Mr. and Mrs. Walter Rogers.

The roll was called, each pupil and former pupil answering as the names were called giving their name, and the name of their teacher at the old school. Delightful Program

Mrs. William Harbron played a piano selection, after which Milton Parker Jr. played some popular numbers on the accordion.

The "Walter Rogers Band," then played. The band, consisting entirely of members of the Rogers family, entertained several times throughout the afternoon. Members of the band are: Walter Rogers, violin, his son Hugh, guitar, his son, Ivan, violin and his daughter, Mrs. Laura Lakey, piano.

Songs, to his own guitar accompaniment, were sung by Irvin Gibson, after which Walter Rogers played a selection of old time tunes, which set the picknickers dancing in the sand. One couple seen dancing, Mrs. Kate Lynde Davie, of Toronto, and Eugene Wilson, of Oshawa, are both over 70 years young.

Prizes Presented

Prizes were presented to Mrs. Gertrude Lawrence, of B.C., and Mr. Tom Lynde, of B.C., as the persons who travelled far-

IMPATIENCE CAUSED THIS FATAL ACCIDENT

The driver of the car on the left became impatient behind a string of five cars and pulled out to pass them. He accelerated hard because the station wagon was approaching. He didn't make it. The driver of the station wagon apparently realized too late that the impatient driver was coming too fast to stop in time. You can see what happened.

The impatient driver was seriously injured. His companion received a fractured skull. The driver of the station wagon and his wife were killed. Their 5-year-old son was badly injured.

Before you become impatient behind the wheel, think about the above picture.
