Cedar Grove Couple Feted on Departure

The Sewells have not really left Cedar Grove. They have a new house in Markham but they still live in Cedar Grove. So the party and presentation last Wednesday night was not a farewell but only an excuse for all their friends around here to let them know how much their kindnesses over many years are appreciated and how nice it was to be neighbors of the Sewells. Mr. and Mrs. Frank Sewell were presented with a lawn umbrella to grace their new lawn and Murray was given a smoking stand. It was a merrier evening with over 125 present and it celebrated something else, too. Mr. and Mrs. Dare Sr. have been married fifteen years about now so that event was also celebrated. They were given a lazy Susan, a red dish and a couple of union jacks to help with future fourth of July festivities. Mr. and Mrs. Archie Little and their beautiful garden were the hosts and it was a good Cedar Grove get-together.

On Friday evening this year's Bible School came to a close. There were 137 children enrolled this year and, judging by the amount of Bible study and music displayed at the closing, not a minute of the two weeks was wasted. The teachers who so willingly give up time in the summer to conduct Bible School deserve a special thanks. The children learn so much in such happy surroundings. It is no wonder they look forward eagerly to Bible School each year.

The Community Club swimming lessons at the Freeman's Park have been a great success. Miss Farr has managed to overcome any fear of water and has packed a lot of instruction into a month of lessons. Both parents and children will be sorry to see the end of the course this week. We are very grateful to Miss Farr and since she will be married in August, we wish her every happiness in her new role.

Whew! It's hot. A little rain would be very welcome about now. Not a deluge, please, the oats stand straight and tall and a little would be nice, but not a heavy rain to flatten everything. The second Cedar Grove Peaches ball game scored a win for our side, 25-11. Following the game last Thursday night, the teams were entertained at Jean and Cam Kennedy's where any weight lost on the diamond

was more than replaced with ice cream and raspberry pie. There will be one more game between these two teams but, with harvest in full swing, the date has not yet been set. The Cedar Grove team played the HotTots, a very excellent Jr. team coached by Lloyd Clendenen, and were beaten. They will battle it out again this week but the score will have to wait for next week's news.

Notes About Neighbors
Mr. and Mrs. Robb Sr. are home again after a very happy trip to the eastern provinces. Last time they visited historical spots and this time they toured the holiday resorts — and found them very popular.

Mr. and Mrs. Frank Sewell left last week for a trip out West. They will combine a wedding with a holiday.

Louise and Susan Ryan are at camp near Cobalt.

Mr. and Mrs. Aubrey Lapp were hosts at a family picnic on Sunday. Among those attending were Bill and Loretta Flaska from Stouffville and their family, Ron and Joyce Connor and family, Mr. and Mrs. Marsh Connor and Hilliard Walker.

Mrs. Housler is home again after a holiday at Georgian Bay. Ruby and Mabel Reesor leave next week for a real holiday. They are going to Minor's Bay and the big attraction is that somebody will call THEM to dinner.

We are sorry to report that Ella Reesor's mother, Mrs. A. Rittenhouse, is in Scarborough Hospital after suffering a broken hip in the fall.

Our sympathy is extended to Mrs. John D'Amper of Guelph (mother of Olive Reesor, Irene Macintosh, Allan and Elliot Harrington) whose husband passed away last Wednesday.

Mr. Clifford Reesor visited in Cedar Grove this week after an absence of 16 years. He drove through the village re-acquainting himself with his birthplace and many familiar landmarks of his childhood here.

Community Club meeting was held at the home of Ruby and Mabel Reesor on Monday night. Must have been too hot to think, very little business went over the boards.

W.M.S. meeting will be held on Wednesday, Aug. 7th at 8:30 at Mrs. Maitland Ryan's home.

Birthday Good Wishes Passed Out at Musselman's

The sympathy of the community goes out to Mr. and Mrs. John (Jack) Watson and family, 7th line. Jack's dad, Mr. John Watson Sr., passed away suddenly last Thursday morning in St. Joseph's Hospital, Toronto. Services were conducted Saturday afternoon by Rev. Davidson of Ballantrae and Mr. Watson was buried in the cemetery in Stouffville. He is survived by his son Jack, our local Cub Master, and another son, Edmund.

We heard some happy news from the Herbert family. Mr. Herbert, the former principal of Ballantrae school, became a proud father last week. Mrs. H. presented him with a beautiful baby girl at Briarbusch. Congratulations and best wishes from us for a very happy future.

In our birthday department this week we have two. A very Happy Birthday to Mrs. Frances Wright who was 80 years old on July 30th. Many more happy ones to come we hope. Also a Happy Birthday to Ricky Romyn, Valley Rd., who celebrated his 9th birthday last Tuesday. He and his friends enjoyed a swimming party on Saturday and everyone is looking forward to another birthday complete with party next year.

We have also heard from the Patersons at last. Just a short note—6 pages and a newspaper. It was good to hear that they had arrived at their new home safe and sound after a very wonderful trip. Ponoka, Alberta, sounds like another name for paradise, a young town built for young people to grow in. Maybe we'll get some ideas from these new Westerners.

John and Jim Wylie are having a great time entertaining their cousin Jacqueline this week. Jackie and her mother, Mrs. A. J. H. Blake are, from Woodbridge.

The Musselman's Lake Community Church had a fine turn out last Sunday morning to celebrate the 30th anniversary of the Church. Mr. Greer was the speaker for the day and special music made a delightful programme. The vocal soloist, Mrs. Draper, sang a very beautiful and appropriate solo, "The Church by the Side of the Road". A violin solo by Miss Martin added to the enjoyment of the service. It was truly an anniversary service of note and those responsible for arranging the day are

to be congratulated on a job well done. This Sunday the guest speaker will be Mr. E. Herbert. It will be like old home week having Mr. Herbert with us again. It should be another fine Sunday programme so do try to attend.

Magnet for many visitors in Washington, D.C. is the classic Thomas Jefferson Memorial on the Tidal Basin. The heroic statue of the standing Jefferson is clothed in a greatcoat—a likeness of the coat that was given to him by General Thaddeus Kosciusko, the Polish patriot of the American Revolution.
