

GIRLS' PROTEST IS TURNED DOWN

The protest lodged by the Stouffville girls' softball team has been rejected by the Provincial Women's Softball Union. The complaint occurred in a playoff game at Whitby when the plate official credited the home club with a 1-run victory over Stouffville, ruling interference at the plate. According to Stouffville Coach, Dennis Pike, the umpire, in his report to the P.W.S.U. stated that the catcher Doreen Jarvis dropped the ball and the Whitby runner scored on the play. The interference ruling was not mentioned. The protest cost the local team \$25.00.

Couples Club
The September meeting of the Couples Club was held in the Sunday School room on Tuesday evening of last week, to which everyone in the community was invited. The meeting was in charge of the president, Barry King. It opened with a hymn followed by the Lord's Prayer. Mrs. Lawrence Stephenson read the Scripture lesson. Mrs. Allan Orr and Mrs. Jim Barker sang a duet, accompanied at the piano by Mrs. R. Perkins. Mr. Allan Doner showed lantern slides of his work as a missionary in Africa, which were very interesting. The offering that was received was given to Mr. and Mrs. Doner to help them in their work when they return to Africa late in the fall. Following the meeting refreshments were served by the group in charge.

There is great enthusiasm among the Public School children of our community especially the pupils of S.S. No. 6, now that the football season has arrived. On Wednesday afternoon of last week, the boys football team of S.S. No. 6 played a game with the boys of S.S. No. 5, Buttonville School. The weather was perfect for football, with brilliant sunshine, and a cool breeze blowing.

The boys of both teams played a good game with an exciting ending — when the final whistle blew, the score was tied 30-30. Wayne Morrison scored five touchdowns while Bruce Morrison scored one for No. 6. Both teams are looking forward to a return game in the very near future.

There were 211 ladies in attendance at the Fall Rally of the York Presbyterian, which was held in the Sutton United Church on Wednesday of last week. There were 12 from Victoria Square in attendance. Dr. Margaret Arkinstall presided. Mrs. H. McCague was introduced as Candidate Secretary and spoke on "Candidate needs." The Dominion Board for 1958-59 selected itself to appoint and support eleven new missionaries for overseas, and twenty-five new missionaries for Canada. This is far below the number of workers requested.

The address by Mrs. J. L. Cardy, Dominion Board Secretary of Mission Bands was a most challenging one. Mrs. Lawson Mumberson was in charge of the Conference for C.G.I.T. leaders. W.M.S. The Victoria Square W.M.S. has been invited to attend the W.M.S. in the Unionville United Church on Tuesday, October 8th at 2:30 p.m. The guest speaker will be Mrs. G. E. K. Howe, President of the Toronto Conference Branch.

Mr. and Mrs. P. Brethour of Sydney (Vancouver), and Misses Lillian and Jean Dowsell visited Mr. and Mrs. Earl Dowsell and family on Tuesday of last week. Miss Carol Kennedy visited over the weekend with Mrs. Mary Hartick of Uxbridge. Mr. and Mrs. Kempston and family from Leaside visited with Mr. and Mrs. J. Delamater on Saturday afternoon. Eunice Hammond entertained her grandmothers on Sunday evening. Mr. and Mrs. Percy Shaw and family, also Mr. Morris Shaw visited on Sunday with Mr. and Mrs. I. Dyke.

CEDAR GROVE NEWS

If your children come home from school talking about the nesting places of the whooping crane; or you hear about "Down North"; or that if you should meet a wolf he is very apt to sit down and wag his tail, these may be bits of information picked up from a very interesting talk on the North West Territories the children heard last Wednesday. Mr. John Hopkins who recently returned from three years in the Territories where he was Forest Protection Officer in Wood Buffalo Park, gave the pupils more than an hour of the geography, history and wild life of our north and they found out among many other things that although the Eskimo makes a very good white man, the white man makes a very poor Eskimo. It was a break in the usual school routine and, as time goes on, much of what Mr. Hopkins told them may return to add interest to their Canadian History and Geography lessons.

Anyone who missed Oklahoma in Toronto had a chance to see it last week in Markham, and many from Cedar Grove took advantage of the opportunity. The Cedar Grove Mennonite Church welcomed a new minister recently. Mr. George Ellsasser who is presently attending Toronto Bible College, has taken over the post vacated by Mr. Lorne Burkholder who was granted a release to teach in an interdenominational Bible College in Alberta. Mr. Ellsasser comes from East Toronto to take both the mid-week and Sunday services.

If you happen to be among the many who prefer to visit Markham Fair on Friday, perhaps you would like to set Saturday aside to visit the Pioneer Festival in the Dalziel area. It sounds like an interesting day: there will be sausage, sauerkraut and apple butter bees, demonstrations of weaving, spinning and hooking rugs and guided tours through the museum. The festival will open officially at 2 p.m. and there will be plenty to see and do for the rest of the day.

A careless driver bolting through a stop street caused an accident last Wednesday and Bob Dare's new car got pretty badly clobbered. Bob, Dickie and Don McClelland were in the car and luckily were not hurt. Phyllis and David Ritchie have gone to Dayton, Ohio, this week for a well earned holiday. Sorry to hear of Aubrey Lapp's unfortunate accident last week. While working on the new bridge, he wrenched his knee in much the same way that Jack Offen did, not so long ago. Hope this won't interfere with the Paris honeymoon.

Cedar Grove was in a travelling mood this weekend. The McCowan's visited Rev. Auld in Midland; Lloyd Clendennen and Errol Rittenhouse inspected the Seaway project and (we hope) approved. The Tapscotts and Frank Reesor went to Collingwood and Stayner and called on Mr. Harold Anderson, formerly of Cedar Grove, en route.

The September Community Club meeting held at the home of Mr. and Mrs. Bob Lapp on Monday night came up with plans for a square dance in the near future. Save your breath and your energy; there will be more on this subject soon. Residents of the village who are eager to get their tree planted on the corner lot are asked to plant opposite the stake bearing the number on their slip.

Euchres will be held in Cedar Grove schoolhouse on Oct. 7th and 21st. All players cordially invited. The WMS will hold their October meeting on Oct. 9th at Mrs. McCowan's. This date has been approved.

Off the press news: Mr. and Mrs. Aubrey Lapp will leave on Sunday for New York where they will board TWA for a week in Paris. Mrs. Keller and her mother will be taking the trip at this time also.
