LICE EAT MEAT

Blood and energy are lost, milk, meat and egg production go down when livestock and poultry are infested with lice and mites. You'll find it easier, faster and more profitable to get rid of them with a HOWARD PRODUCT.

FOR LICE ON BEEF CATTLE, DRY COWS, HOGS AND SHEEP USE HOWARD STOKPEST SPRAY. STOKPEST SPRAY contains lindane. It's safe, more effective against lice. Gives better coverage and far better kill. 20 oz. can costs only \$1.40, makes 10 gallons.

(Stokpest is also available in powder form — a 2 lb. duster can costs only 69c.)

FOR LICE ON MILKING COWS USE HOWARD STOKPEST POWDER.

FOR FIGHTING LICE AND MITES use PEN PEST LITTER DUST over the litter. 10 lb. bag costs \$2.25, treats 600 sq. ft. Each rat on your farm costs you over \$20.00 a year. Kill all of them — and mice too — with HOWARD RAT KILL (WARFARIN) MEAL or PELLETS or water form.

October Flower Show Drew Good Entry List

On Monday evening, Oct. 14, the local Horticultural Society held its most successful monthly show of the season, in the United Church basement. Not only was the quality good but the quantity was there as well, it being just one quarter of the big August show. There were over 100 entries. The judge, Mr. Ernie Kohler of Thornhill said they hadn't enough flowers left over from the frost to put on a show.

Mrs. Alex Ratcliff showed pictures, some local and some taken on the Bus trip. She also showed some for Mr. Kohler, taken while in Switzerland this summer, and others taken at Sholdice Hospital grounds where he is head gardener. LOCAL TEACHER VICE-PRESIDENT TEACHER'S FED.

Mr. R. L. Mercer, a member on the staff of the Stouffville District High School, was appointed Vice-President of District 8 of the Ontario Secondary School Teachers' Federation at their annual meeting held in the basement of the Stouffville United Church last week. Nine schools were represented including Sutton, Richmond Hill, Newmarket, Markham, Aurora, Port Perry, Thornhill, Uxbridge and Stouffville. Ninety teachers were in attendance. The guest speaker was Mr. J. H. Mitchell, Assistant Secretary of the Ontario Federation. Reeve Elmer Daniels was present.

It was the first annual meeting of the Ontario Secondary School Teachers' Federation, District 8, to be held in Stouffville since 1947. It will be held in Sutton next year.

The newly elected executive for the coming year is as follows: President, W. Ellis, Richmond Hill; Vice-Pres., R. L. Mercer, Stouffville; Sec. Treas., F. Sweeney, Sutton; Public Relations Officer, Mr. Clifton, Richmond Hill. The banquet was catered by the United Church Womens' Association.

Community Shower for Buttonville Bride

Mrs. Jean Leaf Neighborhood Notes

Church services at Brown's Corners and Headford churches will be cancelled in favor of anniversary services in Victoria Square church on Sunday, Oct. 27th. At the 11 a.m. service the guest speaker will be Rev. Vic Wood of Royal York United Church, and in the evening, Dr. Harold Young of the United Church offices will be the guest. There will be special music at the evening service. Sunday School at Brown's Corners will commence at 10 a.m.

It was perfect plowing match weather last week, and among the local men who took advantage of it to see the event at Simcoe were Mr. H. A. Roberts, Mr. Milton Sherman, Mr. Jack Rodick, Mr. Wm. Rodick and John Rodick.

Calling all ladies of the community who are interested in learning how to make lamp shades. Mrs. George Kelly and Mrs. E. Walton, W.I. members, have completed a course at Newmarket and will conduct a local class in this homemaking art. If you are interested please call Mrs. Kelly at AX. 3-6171.

On Wednesday of last week Mr. and Mrs. Alec Gardner returned from a month's vacation in the British Isles where they visited friends and relatives they had not seen for many years. Their trip took them to Edinburgh, Windermere, London, Blackpool, and other points of interest, and their sea voyage over was perfect, but to quote Mrs. Gardner, their ship "did a bit of rock, roll on the way back." Since their arrival, Mrs. Gardner has been suffering from a severe reaction to smallpox vaccine, but the thrill of visiting her old home was worth a bit of discomfort.

On Tuesday of next week, the ladies of Buttonville and surrounding communities will meet at Buttonville Hall for the Autumn Luncheon at which Mrs. Eleanor Brown, Simpson's color consultant, will be guest speaker. The quilt which W.I. members have made to be raffled at the final game of the fall Euchre series, Dec. 13, will be on display and tickets will be available.

The community will miss the Easton family greatly when they move to Pennsylvania in the near future. Mr. Joseph Easton has managed the stock farm of Mr. J. W. Russell for about 15 years, and his work is well known throughout the continent. We wish them well in this new venture.

The flu has continued to play a major part in the social and economic life of the community throughout the past week, although things seem to be settling back to normal now. Mr. Dick Jones, who was holidaying with his son Bruce and his family at Wallaceburg last week, became ill on Wednesday and was unable to return home.

Two members of the community who were recently in Scarborough General Hospital are now convalescing at home. Mrs. Baldwin, whose hand was severely injured in a clothes wringer, it will be some time before she has the use of her hand. Mr. Baker, of Arrish Heights, in whose eye a nail head lodged during a do-it-yourself project at his home, is progressing well, but at last report still didn't know the extent of damage to his sight. Our best wishes for full recovery to these neighbors.

Did anyone hear Mrs. Charles Hooper when she was interviewed over CJRH concerning W.I. affairs a short time ago?

Mr. and Mrs. Milton Sherman were guests of their niece and her husband in Niagara Falls last weekend.

Mrs. Secret had the thrill of seeing the Queen and Prince Phillip in Ottawa when she was in that city for Thanksgiving, visiting relatives. Also on the weekend agenda was a football game and the christening of a grand-niece.

Mr. and Mrs. Wm. Spears and Nancy were pleasantly surprised on Sunday evening when they were guests of honor at a party which marked their membership withdrawal from Brown's Corners United Church. Mr. Spears served on the church-board for many years, and they have lived in the community for 28 years. Our best wishes go with them to their new home and church home in Markham. Those present gathered in the main body of the church for the first part of the evening, when, following hymns, Miss Dorothy Hood showed movies of a trip through Canada and the United States, as well as local points of interest. Following this, tea was served in the church parlors, and a presentation of a floor lamp, hostess chair and step-table and lamp was made to the Spears. Mr. C. J. Russell read the address and Mr. L. A. Hood presented the gifts. One bright spot in this farewell is that although their church membership is now at Markham, both Mrs. Spears and Nancy are remaining members of Brown's Corners W.M.S., and Nancy is still a C.G.I.T. leader, so we feel we can count on Mr. Spears sometimes, too.

Miss Adele Carruthers flew to New York for a few days early this week. Both Adele and Bertie attended the reunion when Weston C.I. celebrated its centennial last week.

Community Shower for Popular Bride-to-Be

On Wednesday evening last week, friends gathered at the recreation room at Leitchcroft Farms to honor Margaret Hood, whose marriage to John Brumwell takes place next Saturday, Oct. 26th in Brown's Corners United Church.

The bride was showered with beautiful miscellaneous gifts, and the evening was well spent before all of them had been opened. Hostesses for the evening were Misses Dorothy Hood and Mary Gough, assisted by Mrs. James Hood and Mrs. Bob Hood. Following Margaret's "Thank You", tea was served, and a social hour was enjoyed. Trousseau Tea

More than 70 friends and neighbors attended a trousseau tea for Miss Margaret Hood, when her sister-in-law, Mrs. Bill Hood, entertained in her honor on Saturday afternoon of last week. Receiving with Margaret and Mrs. Bill Hood was Mrs. James Hood, another sister-in-law. Guests were greeted in the trousseau and gift rooms by Miss Mary Gough, Mrs. Bob Hood and Mrs. Keith Hood, and presiding over the attractive tea table were Mrs. H. R. Patterson, and Mrs. Harry Roadway, aunts of the bride, and Mrs. John Donaldson, aunt of the groom, John Brumwell. Also assisting in the tea room were Mrs. Doreen Wilson and Mrs. Beth Burrows.

Buttonville W.I. members met at Buttonville Hall on Thursday evening of last week for their October meeting with Girls' Club members supplying the program. The roll-call of the evening was "Bring a Friend" and most of the members present responded, but the attendance was still small due to illness. The Girls' Club members present were Elizabeth Barker, Margaret Brodie, Joan Curtis and Cora Brodie. Elizabeth and Margaret demonstrated the packing of a weekend bag, Joan and Margaret sang a duet with Cora Brodie accompanying, and Cora Brodie gave an interesting resume of the girls' work and aims, and explained the various phases of their program. At the conclusion of the meeting tea was served by the hostesses, Mrs. Adam Brown and Mrs. Charles Hooper who substituted for Mrs. Ward who was ill.
