## Reeve Outlines Plans For Giant Industry

Speaking before a well-filled; Claremont, the reeve commenthall of Claremont ratepayers on ed. Wednesday evening, Reeve Wm. Lawson outlined plans being made by Pickering Township council for the coming of a giant plant of the General Tire He could foresee when the sys-& Rubber Co. to the township.

The meeting was instigated by the Claremont Businessmen and was due to opposition over township council's plans to install a water system at a cost of \$417,000, the cost to be shared by all ratepayers in the municipality.

Reeve Lawson gave a most comprehensive outline of council's preparations towards industrial expansion and their reassystem was concerned.

the council had frozen 2600 open ditches. acres of land five years ago, allowing very little building and county warden, asked it there with a view to interesting | the debenture would be imposed industry in locating on this
