Stover Runs 100 yds. For TD, Beat Markham 11-7 In School Rugby

All the thrills and colour of an inter-collegiate rugby game were packed into last week's Markham - Stouffville High School encounter on Wednesday afternoon. The homesters upset their southern rivals by a score of 11-7.

Bob Stover's 100 yard touchdown plunge was the feature individual play of the hard-fought game. He picked the ball up on his own 10 yard line and romped through the entire Markham squad for a six point T.D. On at least three occasions during his long-distance up-field advance he found himself surrounded by determined Markham blockers but each time he managed to shake himself free. Stover's effort amazed even the partisan visiting rooters.

Stouffville jumped into a 3-0 lead early in the contest when Gord Eckardt booted a field goal from a difficult angle. Bob Stover's spectacular touchdown put Stouffville out front 9-0. The convert was wide by a few inches.

Markham staged a rally in the late stages of the third quarter and scored a converted touchdown to trim the Stouffville lead down to three points.

The homesters salted the game away when Gord Eckardt trapped Markham's T.D. Eberhard behind his own goal line for a two point gain. In the final quarter, the visitors resorted to an aerial

attack but the majority of their passes were knocked down by a strong Stouffville defence.

One of the most tense situations of the game occurred in the second quarter when, with only 25 yards to go, Markham completed a 22 yard pass. Parked on Stouffville's doorstep with the goal to go, the locals miraculously held the fort to protect their lead.

Bob Stover, Fred Abraham, Ron Thomson, Gord Eckardt and Tom McCraith excelled for the winners. John Little showed tremendous kicking power in spite of a strong head wind. In a previous meeting between the two teams, Stouffville absorbed a 14-0 whitewash on Markham's home field. Wednesday's victory was sweet revenge for the shut-out defeat.

Carol Skinner and her band of enthusiastic cheerleaders provided the boys with the needed encouragement to upset their southern neighbours. Hot dogs replaced the energy consumed by Stouffville's vociferous supporters.

On Saturday afternoon, Stouffville journeys to Newmarket for an engagement with Pickering College. A return game will be staged on Stouffville's home field on Tuesday afternoon at 3:30 p.m. If Stouffville can sweep the home and home set, they will capture the coveted championship.

BRAMPTON SRS. EDGE CLIPPERS 7-6 GIBSON GETS TWO

The Stouffville Clippers, competing in their first pre-scheduled game of the season, dropped a 7-5 decision to Gregg Currie's Brampton Seniors on Wednesday night of last week.

The Clippers spotted their rivals three goals in the first period, but battled back to even the score in the second frame with three unanswered tallies. Each club counted a pair in the final session.

Ex-Brooklin Junior star, Elmo Gibson paced the Stouffville attack with two goals. Single tallies came from the sticks of Ted Vanderpol, Pete Lacey and Jim Cruikshank. Russ Forfar was a tower of strength on the Clipper rear guard.

Coach Gord Lewis used both goaltenders, Geo. Wilkins and Bruce Middleton in the nets. Middleton guarded the twine in the final period.

Coach Currie iced a formidable squad, comprising a number of ex-Lyndhurst Motors performers including Moe Galand, Don Couch and Al Muggford. Ex-Clipper, Frank Stephenson was also in the Brampton lineup. No return game with Brampton has been arranged.

John Marshall Heads Badminton Club

Mr. John Marshall is the new President of the Stouffville Badminton Club. The election of officers was held on Monday evening. Other members of the Executive are as follows: Vice Pres., Noel Storey; Sec. Treas., Oliver Priestley; Social Committee—Carol McDermott, Jean O'Neill, Mildred Sherwood and Jeannette Waite.

Badminton is played in the Stouffville Dist. High School gymnasium every Monday and Wednesday evening at 8 o'clock. New members are welcome. It is hoped that tournaments will be arranged with other nearby centres in the near future.

PEEWEE (BANTAM) SCHEDULE

6:00-7:00—Cdns. vs Buffalo
7:00-8:00—Leafs vs Pitts.

It must be a terrible strain on the manufacturer of tranquilizer pills, lying awake worrying that people might suddenly stop worrying.

18 PLAYERS ATTEND "JET" WORKOUT

"I think we should have a better club than last year," said Polly Minton, Coach of the Unionville Jets, this week. Coach Minton will handle the Junior "D" entry again this winter. He expressed concern over the scarcity of netminders in the district. He said that although they had their hopes set on a goaltender from Agincourt, he was not out for the last practise session.

Coach Minton will use six members of last year's team and will attempt to build a contending club around them. Back for another season are John Darbyson, Bob Atkinson, Les Jarvis, "Nebbie" Gayman, Stan Thornton and Don Middleton. The teams hold a workout on Friday nights at nine o'clock and every Sunday afternoon from 12 to 2 p.m. An attempt will be made to organize an exhibition contest with Cliff Johnson's Brooklin team.

J. Goudie Nets Hat Trick for Leafs

Jim Goudie, a member of the Maple Leafs in the Lions Pee Wee (Bantam) League, is currently one of the top marksmen in the four team group. In two games he has scored a total of four goals as his club has chalked up two impressive victories.

On Monday evening, Lloyd Jennings' Leafs whipped Buffalo 5-3. Jim Goudie paced the winners' attack with a three-goal hat trick. Bill Corner and Kenny Aida notched singles. Corner picked up a pair of assists and Aida assisted on one.

Wayne Crowder fired a pair for the winless Buffalo squad. Joe Holt counted one. Mike Cadieux picked up an assist on Crowder's first tally.

The hull of the frigate "Constitution," the gallant "Old Ironsides," was of live oak from St. Simons Island, Georgia. The live oak is named for the fresh, lively look of its shiny, oblong leaves.

Midgets Placed in Seven-Team North York Loop

coached by Nick Bangay, has been placed in a 7-team North York group. An organization meeting was held at Newmarket on Tuesday night. Stouffville was represented by Messrs. Jim Austin, Don Davis and Ken Wagg.

A total of 14 Midget teams have filed entries into Geo. Haskett's North York loop. Due to the overflow entry, it was necessary to split the league into two separate divisions. The schedule will start Nov. 20th.

Stouffville has been grouped with Richmond Hill, Unionville, Woodbridge, Aurora, King City and possibly Sutton. The larger centres have been classed as "B" entries but will perform in the same loop. Midway through the season they will move on into OMHA competition.

Commencing Monday, Nov. 11, the Midgets will practise weekly between the hours of 8:30 and 9:30 p.m. Workouts had previously been held on Thursday evenings. Players are requested to make special note of the change in date and time.

Seven Teams in North York Juvenile Group

Seven and possibly nine teams will perform in the North York Juvenile group this season. Seven definite entries have been filed with League Governor, Geo. Haskett of Newmarket. Port Perry and Uxbridge may also join. The schedule will commence Nov. 20th.

HAWKS WIN 9-2 REDSHAW BAGS 4

Claremont's Ted Redshaw, playing his first game of the Lions PeeWee Schedule in a Black Hawk uniform, fired four goals and picked up one assist as Chicago whipped the Rangers 9-2 on Thursday night. Redshaw, centering a first string line with Keith Betz and Arlan Galbraith, led the attack for the winners. Galbraith potted a pair of goals and assisted on one. Tom Benson, playing on defence, fired two tallies.

The Rangers' two goals were divided between forwards Blair Wagg and Jim McHaffey.

Wings 1, Bruins 0

Richard Yakeley, performing in the Bruin net for the first time in his young hockey career, chalked up a shutout on Thursday afternoon as his club blanked the Red Wings 1-0. The little puck-stopper turned in a fine job and blocked many goal-labelled shots. At the other end of the rink, Bill Farthing turned in a good game in the Red Wing goal. He had little chance to stop the one shot that evaded him.

Fast-stepping Ronnie Castle spoiled the Red Wings' debut with the lone goal of the contest. He picked up a loose puck outside the Detroit blue line and skated in alone on the net. His low, hard shot caught the inside corner of the cage.

On Thursday afternoon of this week, Ed Dawson's Bruins will battle the Black Hawks. The game will start at 4:30 p.m. In the second half of the double bill, the Red Wings will meet the Rangers. This contest will commence at 5:30 p.m.

boys will have had adequate time to prove their worth.

Useless cubbyholes can be made into valuable living space through the wise use of glass and mirrors.

A home arts consultant for a major glass company, says cubbyholes beneath stair wells, in window alcoves, in fireplace corners or off hallways are "naturals" for modernization projects.

To turn such a spot into a business nook for household accounts, the consultant suggests a work surface of plate glass bracketed between two opposite walls, and storage shelves of glass also mounted on the walls with brackets.

Unlike conventional bookshelves and desks, the clear glass will make the area seem less crowded, and a framed mirror or a wall of structural mirror will increase the apparent size still further.

GLASS, MIRRORS GREATLY IMPROVE DARK CUBBYHOLES

Messrs. Ken Wagg, Jim Austin and Don Davis attended the organization meeting of the N. York minor hockey loop at Newmarket on Tuesday night. The juveniles will be coached by Bob Bangay and managed by Ken Wagg.

Definite entries to date are—Unionville, Beeton, Thornhill, Woodbridge, Nobleton, Bolton and Stouffville. Each club will be classed according to population when it embarks into competition later in the season. Stouffville will receive a "C" rating.

A number of exhibition games are being lined up for both the Midgets and the Juveniles clubs.

Coaches Hal Gibson, Keith Sutherland and Manager Bud Nichols have decided not to place their Bantam team in the North York League. Instead, they will play exhibition games with neighboring towns. They will file an entry in the "C" class of the Ontario Minor Hockey Association.

Stouffville's reason for remaining aloof from the thriving North York loop is that they must register all their players by an early specified date. Coaches Gibson and Sutherland felt that, due to the overflow player attendance at recent practise sessions, they would be unable to select their best players by that time. They expect, however, that by the time the OMHA playoffs roll around, all

Clippers Have Signed Fourteen Players

The 1957-58 edition of the Stouffville Clippers is rapidly taking form. To date, 14 players have signed their names on the dotted line and more will be added next week. Manager Harry Lee informed The Tribune that he is confident this year's entry will be of championship calibre.

To date, the Stouffville roster includes two complete forward lines, two sets of defencemen, two netminders and two extra front line performers.

Elmo Gibson, noted Brooklin hockey and softball star has, for the present, earned a pivot position between fast-stepping wingers, Harold Hodgson and Bud Lehman. A powerful Pickering trio, comprising Pete Lacey, Gord Comport and Bob Jones will round out another forward line threesome. Bruce McDowell and Normie Neal have also been signed.

Defence combinations to date are Tip Vipond and Russ Forfar, Bob McIntyre and Jim Cruikshank. Both netminders, Geo. Wilkins and Bruce Middleton have been obtained for puck-stopping duties.

Manager Lee has his eye on a pair of Aurora prospects but will not make a move to obtain their services until he knows more about Aurora's intermediate hockey plays. Ted Vanderpol and Howard Bullock have been attending Stouffville's regular weekly workouts. They are Aurora's property at present.

Two other potent rearguards, Don McIntosh and Bob Burns are also on Manager Lee's list. Neither player has expressed his intentions to date. The Clippers, in intermediate "B" ranks, will be allowed to sign four imports. Manager Lee stated firmly that all positions on the club are still open. None of the certificates have been sent in to the O.H.A. and last-minute changes are still possible.

As we go to press, a definite grouping has not been established. Milton and Bradford will ice "B" clubs. Beeton will be classified in "C" but will likely perform in a "B" group. Newmarket and Aurora are question mark entries.

NO LAMPS NEEDED

Luminous ceilings are being designed for the entire 38-storey Seagram building now being erected on Park Avenue in New York. No conventional light fixtures or lamps will be needed. During office hours the ceilings will be lighted to full capacity. At night they will glow at one-fourth of normal intensity to make the sky-scraper a tower of light! The system was developed by Lightolier, Inc.

A basketball player makes a basket by weaving in and out.

In the language of the timberman, softwoods are trees that bear cones and hardwoods are trees that bear broad, deciduous leaves. The terms often mislead the layman, since softwoods such as long-leaf pine yield lumber harder than such hardwoods as the tulip tree and cottonwood.
