HOME AND SCHOOL HEAR TALK ON BOOKS

The November meeting of the familiar with them at as early Home & School Association was an age as possible and taught held last Wednesday evening, to treat them with respect. They and though the attendance was should be kept separate from. not as good as the first meet- and never treated as, toys. Faming, the incidence of sickness ily reading should be encouraged in the town did not deter some; and the background of the story

During the business, it was announced that a Games night children, in order that they may would be held on Saturday, November 23, at 8.15 as a funda choice of bridge, whist, euchre, crokinole, and darts, with prizes given in each game.

The members were then enterist, who sang "The Three Ships" and by a group of young ladies: Heather Heaton, Frances Farr, Mary Rae, Janet Button, Frances Devonish and Anna May Sanders, who sang "Venice" and "Almighty Father". These performances, which were introduced by Miss Brooks, were very well executed and equally well Bill Sanders.

received. Mrs. Stapley then introduced the guest speaker, Mrs. Clifton, who is an experienced librarian and gifted parent education leader, and the subject of her address was "Children's reading." Mrs. Clifton started by suggesting that the child's taste is unreliable, requiring guidance from both parent and teacher, and that even if difficulty was encountered in deciding which people who specialize in such trees covering 4,000 acres.

cataloguing. The speaker illustrated her by reading two poems; the sec- world's olive oil is a fruit which ond, "The Snake" by D. H. is botanically related to both Lawrence having the emotional the peach and the plum. contact, or ability to move us which is the hallmark of great art. The requirements of a good book for children were then considered. It must be written in good, plain grammatical English; its characters should be warm and human, not stereotyped or unreal; the information in it should be correct; the plot must be interesting; the format should be adequate, with clear unbroken printing, and a high level of illustration, printed on good paper; and there should be positive values and purpose

Mrs. Clifton then discussed the general attitude towards books. Children should be made
