Smith-Corona

Has Many Unique Features

When you give a Smith-Corona you give a typewriter of outstanding merit. It's the only portable typewriter ever to win the "excellence of design" award of the National Industrial Design Council. Its "page gage" — its remarkable key-set tabulator — are only two of the features that make Smith-Corona "top of the heap." We'll gladly explain those features to you.

TOPS IN EFFICIENCY — at surprisingly low prices — Smith-Coronas are artistic in design. A wide range of decorator colours adds to their attraction. In order to make sure of getting the colour that you want — see us now.

HERE IT IS!

takes the guesswork out of page-end typing!

First time on any portable and only Smith-Corona has it. Page Gage shows you how much space is left to the end of the page — saves time and makes your work much neater. Come in and see it demonstrated. Ask about Smith-Corona's 38 other features, too.
