**Ballantrae News - Musselman's Lake News**

There was a good turnout at the Euchre Friday in spite of the nominations meeting. Everyone had a really good time, so try to make it out to the next one on Friday, Dec. 6. Make up a party and bring your friends and neighbours along.

You will be getting notices this week about the annual Christmas Carnival. It sounds like fun for all the family. Make Saturday, Dec. 14th a real family night. Come over to the school and join in the fun. There will be games for old and young and something for everyone.

Start collecting your donations for the sales tables; the call will be coming soon.

The Santa Parade should be bigger and better than ever this year. The school float is just about completed and looks good. Be in Stouffville on Saturday and wave your float on to victory.

Well, there's going to be an election again this year. There were four candidates nominated for the three council seats. The three present council members, Mr. Wallwork, Mr. Williams and Jack Wylie are seeking re-election, but something new has been added this year. The 4th candidate is a lady, a housewife, Mrs. Elsie Gibb of Wilcox Lake. No matter who wins, the main thing is that everyone eligible to vote, votes. The votes that don't count are the ones that aren't cast, so make yours count.

Our Polling Station is at Bill Topper's farm, Ballantrae side-road, now called Musselman's Lake Road. Polls are open from 10 a.m. to 8 p.m. on Monday, December 2.

The Cubs and Scouts are going ahead by leaps and bounds. Several new boys joined the Scouts this week and more are expected. We have still another second star Cub Andrew Watson who passed his test with flying colors and was presented with his second star last Monday.

Young Billy Windsor is also to be congratulated on successfully passing his first star work. He received his star on Monday too. The boys are an eager lot and really anxious to learn. They are planning a Christmas party for December 16th - mothers get the cookie jar out. Each boy has taken home the name of another and is to buy a small gift, no more than 25c. Santa or a helper for sure will be at the party. School closes on the 20th this year, so the 16th will be the last meeting for 1957 and they'll start up again on January 6th, 1958.

Don't forget the parade on Saturday. Your school is doing a good job, so be sure to let them know you appreciate it by seeing your float go by in the parade.

And you grown-ups, remember to vote - see you all at Bill Topper's, Monday, Dec. 2nd.

**BINGO**

The regular weekly bingos under the auspices of Branch 459, Canadian Legion, will be held in the Legion Hall every Saturday evening at 8 o'clock sharp.

If you began counting in the year One, and counted until this very moment, you could not have counted enough atoms to cover a pinhead.

A curious species of pine carries built-in fire insurance. The heat of a forest conflagration is needed to trigger the slow opening of the cones and release of seeds. Thus the tree automatically replants a burned-over tract.
