born in the last few months to parents attending this church. Congratulations to parents and grandparents! What a wonderful Sunday School class these children will be for some lucky teacher. We wonder if this record can be equalled in the communities served by the Stouffville Tribune.
In the passing of Miss Martha Hoover, in her 86th year, Dickson's Hill has lost its eldest resident. She had been in failing health since the death of her brother Simeon, and confined to her home for many months. Her life interest centered about the church, her relatives and her friends. She taught a class of girls in the Sunday School, who despite the years, speak of her with respect.
Many can recall her efficient assistance in their homes, in times of sickness and need. She was very active in the work of

the Women's Missionary Society making quilt tops, knitting and repairing garments for M.C.C. Relief. Her family of nephews and nieces, extending to the third generation, will cherish memories of "Aunt Martha."

Election day at the Polling booth at the Wm. Grove home passed quietly, and some of Mrs. Grove's friends used this opportunity to make a short call.

handiest helper a farmer ever had! PIONEER

Repairing everything from fences to farm buildings, clearing new acreage, cutting winter firewood... these are just a few of the time-saving, money-making ways farmers across the country are using light-weight, easy-to-service Pioneer chain saws. Let us show you how a Pioneer saw can help you to more profitable farming!

FRED BYER
Stouffville, Ontario
See the complete range of Pioneer saws priced as low as \$204.05.

\$210,000? \$125,000? \$150,000?
\$75,000? \$180,000?
\$100,000? \$270,000?

How much will you earn in the next 20 years?

Let's say that you earn \$5,000 a year. In twenty years you will have earned \$100,000 — without taking into account any future increases.
Whatever the exact figure, you will have earned a sizeable fortune.
Have you ever stopped to figure out just how much you can save for your family or your retirement years?
By its very nature, life insurance can help you to preserve a part of that fortune. For, with the payment of one premium, life insurance automatically creates an immediate estate to guarantee income to your family in the event of your death. At the same time, life insurance can be building a fund to provide you with a lifetime income for your retirement years if you survive.

Your Sun Life agent will be glad to discuss this important point with you and explain in greater detail how part of your own personal 'fortune' can be preserved through life insurance.
