In order to give farmers an opportunity to become familiar with the wheat producers' marketing plan on which they will vote in January, The Tribune reproduces below the proposed regulations, almost in their entirety.

Some sections have been omitted but they are of a purely technical nature.

The following terms should be explained:

"Producer" means a person engaged in the production of wheat for sale.

"Wheat" means wheat of every variety, including wheat sold for seed, produced in Ontario.

"Board" means The Farm Products Marketing Board.

"Local board" means the Ontario Wheat Producers' Marketing Board.

The local board shall consist of twelve producer-members elected or appointed in accordance with regulations outlined below.

The local board is given all the powers of a co-operative corporation under Part V of the Corporations Act, 1953, as amended from time to time.

Producers shall be divided into seven districts as follows:

(a) District 1, comprising the counties of Essex and Kent;

(b) District 2, comprising Elgin, Lambton and Middlesex;

(c) District 3, comprising Bruce, Grey, Huron and Perth;

(d) District 4, comprising Brant, Halton, Oxford, Waterloo and Wellington;

(e) District 5, comprising Hamilton, Lincoln, Norfolk, Welland and Wentworth;

(f) District 6, comprising Dufferin, Peel, Simcoe & York, and

(g) District 7, comprising Durham, Hastings, Lennox and Addington, Northumberland, Ontario, Peterboro, Prince Edward and Victoria.

County Groups
(1) Producers in each of the counties named shall form a county group.

(2) A producer in a territorial district or in a county not included in section 7 may become a member of the district group of producers nearest to his place of production.

Committees
There shall be a committee in each district to be known as "The District Wheat Producers' Committee".

Producers in each county group shall on or before February 15 in each year elect from its members one representative to the District Wheat Producers' Committee for the district in which the county is located on the basis of 10,000 acres of wheat seeded or fraction thereof for each representative.

Election of Members
Each District Wheat Producers' Committee may on or before March 1 in each year elect, from the producers in the district, members to the local board. Each district will elect one member except District - (Essex and Kent) which will elect two members.

No person will be eligible for election from any district to the local board unless he is a producer in the district but in no case shall he be elected to represent more than one district.

The members of all District Wheat Growers Committees may on or before March 31 of that year elect the member or members, as the case may be, from

from whom the wheat was received.

The dealer or processor shall forward the licence fees deducted in any month not later than the 15th of the following month to the local board.

The Board authorizes the local board to use the licence fees and other moneys payable to it for the purpose of paying the expenses of the local board, carrying out the purpose of the plan.

The Board authorizes the local board to establish a fund in connection with the plan for the payment of any moneys that may be required for the purposes mentioned.

The Board delegates to the local board its powers to make regulations with respect to marketing of wheat locally within Ontario.

(a) requiring the furnishing of security or proof of financial responsibility by any person engaged in the marketing of wheat and providing for the administration and disposition of any moneys or securities so furnished;

(b) providing for the exemption from the regulations under the plan of any class variety or grade of wheat or any person or class of persons engaged in the producing or marketing of wheat or any class, variety or grade of wheat.

The Board delegates to the local board the power

(1) to require persons engaged in the producing or marketing of wheat to register their names and addresses with the local board, to require such persons to furnish information in regard to wheat as the local board may determine, and to inspect the books and premises of such persons;

(2) to stimulate, increase and improve the marketing of wheat by such means as it may deem proper;

(3) to co-operate with a marketing board, a local board or a marketing agency of any other province for the purpose of marketing wheat; and

(4) to do such acts and make such orders and issue such directions as are necessary to enforce the due observance and carrying out of the provisions of the act, the regulations and any plan.

(Negotiating Agency)
(1) There shall be a committee of 12 persons to be known as "The Negotiating Committee for Wheat", six of whom shall be appointed annually by the local board, 3 of whom shall be appointed annually by the processors, and 3 of whom shall be appointed annually by the dealers.

(2) The local board and the dealers and the processors shall appoint their respective members of the negotiating committee for wheat and shall notify the board in writing of their names and addresses not later
