The World's First Electric Portable Typewriter.

Now you can enjoy Effortless Typing With beautiful, "print-perfect", letters every time

Never before has it been so easy and so much fun to type. With the new Smith-Corona Electric Portable a gentle touch of the keys and electricity takes the work off your hands . . . quickly, quietly and effortlessly. You finish typing feeling as fresh and relaxed as when you began. And no matter how you strike the keys, every character prints with the same sharp, uniform impression. Just think of the new pride you will take in your personal correspondence! You owe it to yourself to see and try the revolutionary new Smith-Corona Electric Portable today.

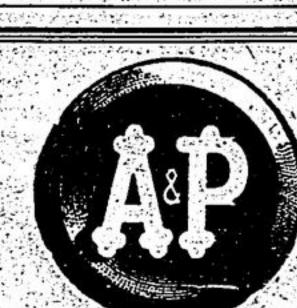

And its truly portable

Even with the many new features on the Smith-Corona Electric Portable typewriter, it's amazingly compact and easy to carry. And it comes with its own luxurious "Holiday" carrying case.
