Wilcox Lake Ratepayers To Discuss Slum Clean-up

A doubly potent topic of discussion will be brought up when the Lake Wilcox Ratepayers Association meet Monday evening, February 3, at the public school. At the last meeting of the Ratepayers in November, it was decided to send a letter to the Attorney General in Toronto, to see what could be done about the many deserted shacks at the Lake, which have been condemned by both health and fire departments of the district.

For some two years the Association has been working to clear up this deplorable situation at Lake Wilcox. No one at present is living in these tumble-down dwellings mentioned in the letter, but there are others not mentioned, which people are inhabiting. The main stumbling block in the past, has been lack of concrete proposals for a better scheme.

Certain to be considered at the meeting, is a past proposal by Rev. Mr. McLernon, minister at St. Mark's Anglican Church, Oak Ridges, for a development similar to the Regent Park undertaking.

Recently the letter, written in a persuasive manner by Ratepayers' Secretary Mrs. Chester Butt, was replied to by the Department of Municipal Affairs. In the letter, reason was given to make members believe that something at last could be done about the "slum" shacks of Lake Wilcox.

Only, Whitechurch Council can pass a motion to tear down the buildings.

INTERESTING SIDELIGHTS ON TRIP DOWN TO FLORIDA

Fred Vacher who has just arrived at Jacksonville, Florida, gives The Tribune some interesting sidelights on the motor trip down. Here is Mr. Vacher's letter in part, written in his own inimitable style:

"Driving down from Toronto is a long hard, dreary, wearisome, heartbreaking, stomach-aching job, and every time we do it, it becomes moreso. However, we got here safely although we saw one or two who didn't. When they have an accident on these 65-mile-an-hour highways they do a good job of it.

In some ways the highways have been improved — you can bypass the big cities. However, by doing so you have to buy gas at grocery stores at two or three cents more a gallon and you find yourself eating at trucker's restaurants. Some of the meals would put the inmates of the Don Jail on strike.

There was a lot of snow in Michigan and Indiana, more than in Ontario. The custom officer at Detroit told me I wouldn't need the big overcoat in Florida, but less than 50 miles out of Florida, in Georgia there was still ice on the rocks at the side of the road, where the spring water oozes out and freezes before it can run down.

Just the same, between Tallahassee and Jacksonville, the sun got so bright and so hot that I threw off my overcoat, then my jacket, then my sweater and my felt hat. I opened the straw hat season at Live Oak. We couldn't get in at our usual stand but got a very nice little place, outside dimensions 21' x 14', refrigerator, stove, bath, room and free TV, also a parking space, \$30 a week. The railway is about 300 yds. away and the highway a 100 yds.

Despite the narrowness of these traffic arteries we slept the first night like logs. I don't think you get as good a sleep on the road at motels, you're always worrying about tomorrow. Too much to eat and not enough to drink; you innards don't work right. Once you're down here and know, you don't have to do any more long driving, you really relax.

Some of the TV's ask you to keep putting quarters to keep them going. Yesterday I was charged 2 cents on a quart of oil. They've got a lot of silly little taxes down here. We didn't see quite as many religious signs as usual coming down, but one night just coming out of Kentucky we read one as follows: "Sale of 33 Head of Cattle — the Lord is Coming — Be Ready." There was a sale I'd like to have gone to."

FERGUSON TRACTORS TAKE HILLARY TO POLE—Tractors similar to those used throughout rural Canada were employed in the Hillary expedition to the South Pole. The Ferguson system tractors, known as model TE-20, are basically identical with the world-famous Ferguson "35" used on Canadian farms. The only modifications made were to electrical and cooling systems. While the above photo shows a unit with a half-track, the final stages of the journey were accomplished with full track supplied by the manufacturers. (Photo courtesy A.N.A.R.E.)

Ballantrae News — Musselman's Lake News

There was a nice turnout of members at the annual meeting of Ballantrae Church last Thursday, Jan. 16th. Quite a few of the junior members were present, too. Chairman for the meeting was Rev. Mr. Davison and Mr. Tom Phillips acted as Secretary. It was good to see Tom in the neighbourhood again if only for a few hours.

The Board of Stewards this year is made up of Mr. Archie Watson, chairman; Mr. Jim McDermott, Mr. Wm. Topper, Mr. Jack Watson and two new stewards, Mr. and Mrs. Ross Hood. Archie Watson is Treasurer and Jack Watson is replacing Tom Phillips as Secretary. It was a very pleasant evening ending with a tasty lunch served by the ladies of the W.A.

In spite of the cold blustering weather, there was a good crowd at the Euchre on Friday night. The lucky ladies were Mrs. Clare Kidd and Mrs. Audrey Bennett and the men to take home prizes were Mr. Fred Connor and Tom Card. A delicious lunch of home baked pie and ice-cream was served. Everyone had a happy time. The next Euchre is to be held at the end of the month, Friday, Jan. 31st. Try and make it, You will be glad you did.

On Saturday night the Church Skating Party was held. A fine group of kids, young and old, showed up for the affair. Details were ably handled by Mr. Jack Watson who led the folks to the rink at Mount Albert. After the skating they all came back to the church for a hearty lunch and hot chocolate. Many thanks to all those who helped make this a very happy evening for the kids, those who drove them up and those who helped provide and serve the lunch. The whole evening was much appreciated and greatly enjoyed by all present.

Young People's night at the Church is this Friday, the 24th. Come out and bring a pal for a pleasant evening among friends. They meet every other Friday at the Church but try and make it for to-morrow for sure.

We are very sorry to report that Mr. Hineman, 7th line, had a very serious accident at work last week. He has injured his hand very badly. One finger had to be amputated and the doctors are working very hard to save the rest. We all hope that they are successful and that Mr. Hineman will recover as soon as possible.

Still another accident, this time to Mr. Will Hood, Aurora sideroad. Mr. Hood hurt his leg while dragging logs in the bush. We hope it doesn't develop too seriously and that Mr. Hood will be up and around again very soon.

The Scouts had a really interesting and informative evening last Monday, when Mr. Herb Simpson, one of our local farmers, gave them an insight into animal husbandry. The boys enjoyed it very much and are looking forward to a tour of the fine Simpson farm on the 8th line.

The Scouts and group committee really appreciate the interest taken and time given by people in the community, and Mr. Simpson is to be thanked heartily for a very fine and instructive evening. We hope more of the same will be forthcoming.

BLOOMINGTON

The well attended yearly church business meeting was held in the church last Tuesday evening. A welcome to worship with us each Sunday with Sunday School at 10 o'clock and church service at 11. The pastor, Mr. Simmons delivered the box of used clothes to the city.

ATHA

Mr. and Mrs. Lorne Wagg and son Bruce from Udon were supper guests with Mr. and Mrs. Fred Draper and family on Sunday evening.

Mr. and Mrs. Norman Lehman entertained Mr. and Mrs. Clarence McDowell, Mongolia to Sunday dinner.

Mr. and Mrs. Earl Bell and family from Uxbridge were Sunday evening supper guests with Mr. and Mrs. Elroy Clodd and family.

Mrs. Bert Lewis from Altona spent a day last week with Mrs. Ellis Melton.

Dr. and Mrs. Hodgson, Toronto, visited Sunday afternoon with Mr. and Mrs. Albert Draper.

The Arctic Tern often covers 10,000 miles of flight during migration.

RINGWOOD

Church service 11.10 a.m. on Sunday, Jan. 26th. If you do not attend another church, or if you do, we are always glad to see friends of the community. We really need you.

Mrs. E. Brownsberger left Monday night by train for Calgary, arriving Thursday morning. She plans to visit her son Bruce and family for several weeks.

Mr. and Mrs. Clarence Fockler and Miss Anna Cole had Sunday night supper with Mr. and Mrs. J. Fockler.

Mrs. A. Summerfeldt and Mrs. F. Steckley attended a meeting at the home of Mrs. A. Smith, Cashel, to plan the program for the World Day of Prayer to be held at Melville, Feb. 21st at 2.30 p.m. There are twelve churches in this group.

Mrs. Harry Atkinson and Miss Edna visited their cousins, Mr. and Mrs. Frank Atkinson on Sunday and daughter and husband, Mr. and Mrs. Bill Cockwell, were Saturday visitors.

We extend our sympathy to Mr. and Mrs. Fred Jemmett in the loss of his brother last week.

Mrs. H. Hisey, Mrs. J. Fockler, Mrs. A. Summerfeldt and Mrs. F. Steckley attended Markham township Sunday School Convention held in Stouffville United Missionary church on Thursday, Jan. 16th. Especially interesting was the panel discussion—Lessons from the Teacher Training School.

Mr. G. Gower and Mr. and Mrs. F. Steckley had Saturday night supper with Mr. and Mrs. Gordon Holden. Mr. and Mrs. Bob McClanahan spent the week end with her parents.

There is quite a different view looking across one of our village corners, since the removal of the large cement garage and the former Stephenson residence.

handiest helper a farmer ever had! PIONEER

Repairing everything from fences to farm buildings, clearing new acreage, cutting winter firewood... these are just a few of the time-saving, money-making ways farmers across the country are using light-weight, easy-to-service Pioneer chain saws. Let us show you how a Pioneer saw can help you to more profitable farming!
