the understanding heart and the human touch

Food, clothing, shelter . . . yes. But it takes more than these to lift the burden from despairing souls. This The Salvation Army knows. In its hostels, havens, homes and hospitals; in instances of emergency relief — the understanding heart and the human touch are ceaselessly employed in mending shattered lives and kindling hope in spirits darkened by sin or suffering. That this work may never flag, YOUR support is needed by faithful workers of The Salvation Army dedicated to these tasks of mercy.

GOOD SEEDS DON'T COST THEY PAY

Don't let seed prices per hundred or per bushel fool you. Figure your seed cost per acre. Then compare what CO-OP gives for the slight difference there might be — a better grade, a higher percentage germination and many thousands of weed seeds less per acre.

And don't forget, seed cost per acre is a small part of the total investment of seeding when you consider seed bed preparation.

It Pays to Buy the Best!
