\$114 Proceeds From Gormley H&S Bazaar

Mrs. C. Milsted

Once again Gormley Home & School Association went over the top and reached its objective with its Annual Bazaar held on Saturday afternoon at S.S. No. 7 Markham.

This year the proceeds from the Bazaar are to go toward purchasing books for the School Library which is badly in need of building up. Through the sale of home baking, sewing etc. and afternoon tea, the sum of \$114.00 was realized after all other expenses were paid. It must be realized that this is a small school, representing as it does, approximately forty families in the section (with children attending the school), and it requires every parent to help in one way or another.

When it comes to the Annual Bazaar, the parents are there 100%, teachers and trustees are all in there giving a boost, and special thanks must go out to the local merchants. Milled's Grocery Store, Berta's Snack Bar, Brown's Bread Limited, Stouffville Bakery, who contributed so generously.

Without willing co-operation, this small Association would not be able to carry on so well, and achieve so much for its children.

At its annual meeting, May 15, after the presentation of annual reports on the activities of the Association, the Gormley Home & School Association elected the following members to office for 1958-59: Pres., Mrs. W. C. Noble; 1st Vice, Mr. Norman Johnston; 2nd Vice, Mrs. Les Hart; Treas., Mrs. Harold Hill; Rec. Sec., Mrs. Earl Empringham; Corr. Sec., Mrs. H. Varioy; Exec. Members-at-large, south area, Mrs. Jim Dennis, Mrs. McNamara, north area, Mrs. Clarence Steckley, Mrs. W. Baxter. A general vote of appreciation was extended to the retiring executive.

Congratulations to Miss Judith Wilcox and Mr. Douglas McWhirter, who graduated this week from the University of Toronto. Judy graduated in Physical therapy and Mr. and Mrs. C. R. Wilcox, Sheila, Dinah and Richard attended Judy's graduation at Convocation Hall on Monday afternoon. Douglas graduated in electrical engineering and Mr. and Mrs. Gordon McWhirter attended the graduation on Wednesday.

Miss Arvilla Forrester spent last week with Mr. and Mrs. Hazen at Ancaster. Mrs. R. Pix spent several days

last week in Buffalo. The Home and School Association of S.S. No. 7 Markham held a very successful bazaar in the Junior Room on Saturday afternoon.

Three carloads of young people from the Gormley United Missionary Church motored to Owen Sound on Monday to attend the annual Young People's Convention. They greatly enjoyed the ministry of Don Nonie, famous High School Evangelist from Detroit.

Some excitement was caused on Sunday when Mr. J. Kaarageorge's garage was burned. Due to the high wind, the garage was quickly destroyed, however nearby buildings were saved. Stanley Kerr, Robert Chambers, and Leonard Foster of S.S. No. 7 Whitechurch, received scholarships for being good "all round" students this year. Mr. Lawrence Smith of the Home and School Association presented the boys with their scholarships. "Arbor Day" was held Tuesday afternoon at S.S. No. 7 Whitechurch. The children brought rakes and shovels; Mr. Gamble supplied a tractor and wagon; Mr. Boynton a truck; Mr. Kays provided a dumping place for the load of garbage that was gathered up. The school grounds were well cleaned out and a lawn and flower bed have been made at the front of the school. The staff of S.S. No. 7 wishes to convey thanks to all those who so generously contributed.

Miss Shirley Wideman, daughter of Mr. and Mrs. Murray Wideman underwent an appendectomy in York County Hospital on Saturday. On Sunday Miss Joan Wideman, Shirley's sister, was rushed to Sick Children's Hospital.

About forty people attended the raising of an implement shed on Monday evening at Mr. Roy Wideman's farm.
