Over 1,000 Attended Lake Bible School

Over 1,000 children attended a five day series of special meetings held in Sunny Valley Dance Pavilion at Musselman's Lake last week. The Church of the Lake Bible School which meets every Sunday morning in the Church of the Lake, organized the Campaign.

Meetings were held every morning at 10 o'clock. Mr. Douglas Birch and many friends assisted in bringing the children. A number of local ladies contributed cookies, and orange crush provided refreshment.

Rev. Frank Wellington, the well known "Musical Story Man" conducted a thrilling and exciting series with the children. Many consider Mr. Wellington one of the best children's evangelists. He was formerly a juvenile psychologist with the Big Brother movement of the Y.M.C.A.

Friday night was "parents' night" and the conclusion of the series. The hall was well filled with parents and friends to hear Mr. Wellington, in his unique way, again present the wonders of the Gospel.

Mr. Wellington conducts his next series in Lindsay. His son, Keith is travelling with him for the summer months while school is out.

THE PRESERVING KETTLE
by Thomas Weston
OF GENERAL FOODS KITCHENS

A friend of mine said "If you can make jelly from one kind of fruit, then jelly made from two kinds of fruit will be twice as good!" Well, that's certainly true of the following recipe:

CURRENT AND RASPBERRY JELLY
4 1/2 cups juice (about 1 quart fully ripe red currants and 1 1/2 quarts ripe red raspberries)
7 cups (3 lbs.) sugar
1/2 bottle Certo fruit pectin

First, prepare the juice. Crush 1 quart fully ripe red currants. Add 3/4 cup water and bring to a boil. Crush about 1 1/2 quarts fully ripe red raspberries. Place fruits in jelly bag and squeeze out juice. Measure 4 1/2 cups into very large saucpan.

Now make the jelly. Add sugar to juice in saucpan. Mix well. Place over high heat. Bring to a boil, stirring constantly. Stir in Certo at once. Bring to a full rolling boil. Boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon. Pour quickly into glasses. Cover at once with 1/2 inch hot paraffin. Makes about 11 medium glasses.

Where does pectin come from? Well, pectin is the jelling substance found in all fruits in varying amounts. Certo is pectin extracted from fruits rich in this natural substance; then refined, concentrated and performance-controlled. Your jam and jelly set exactly right when you use Certo and follow the tested Certo recipes.

Preserving Pointer: It's wise to buy new rubber rings each season. A good rubber ring is elastic and not brittle. Test each ring before using. It's poor economy to save a rubber ring at the expense of a quart of fruit.

Jam and jelly making can sometimes bring problems... if you have any, write and tell me. I'd be glad to help. And please visit with me again in my next column.

NOTICE

Stouffville Community Swimming Pool

It has been brought to the attention of the Swimming Pool Committee of the Stouffville Lions Club that complaints are being made regarding prices of admission. The Committee wishes to make the following comments:

Prices have been increased approximately 50% for season tickets over 1957 prices.

The season will be 9 weeks this year rather than the 5 weeks of operation in 1957.

In the year 1957 no profit was made from the operation of the Pool by the Stouffville Lions Club. The committee has no particular desire to make a profit in the year 1958, but would hope that the receipts would cover the cost of operation.

The cost of wages for management, instruction and life guards for the season will exceed \$2500.00. Other expenses for supplies are expected to exceed \$1000.00.

The total take for 1957 was not over \$2500.00.

We assure you it is our wish that the pool be operated in the best interests of the community and if receipts are satisfactory season tickets may later be honored on weekends.

We believe that the staff is competent and a high standard of safety is being provided for your children.

We wish to remind you that free swimming is being provided for all children of the Community on Saturday mornings.

Through the generosity of your good friend and ours, Mr. Latham, the pool was provided, for the benefit of the community. Your support is solicited to make its operation a success.

Signed: L. E. O'NEILL

Local and Personal Happenings

ST. PATRICK'S PARISH PICNIC
Many from Stouffville and Musselman's Lake attended the St. Patrick's parish picnic at Woodland Park on July 13. During the afternoon a teen-agers' softball game was played and swimming and races were enjoyed. Harry Assink, Stouffville won one of the first prizes and the Campitelli children of Musselman's Lake captured two more. One hundred and seventy sat down to supper and Mr. Geo. Ryerson of Locust Hill favored everyone with ice cream. Following supper two more softball games were played. St. Patrick's parish vs. a family reunion group who were present in the park. The other game was between the fathers and sons of the parish. Mrs. Bailey of Stouffville was the convener for the programme.

ST. PATRICK'S C.W.L. FIRST COMMUNION
St. Patrick's church, Markham, was the scene of a unique service Friday morning, July 11, as fourteen first communicants were led in procession down the aisle.

Following the service, the ladies of the C.W.L. under the direction of Mrs. J. Lynn and Mrs. B. Reddy, served communion breakfast to some 170 children and their parents.

Father Carvill and Fr. Pulito, his assistant, presided at the head table along with the children who had made their First Communion.

A large, suitably decorated cake was presented by Mr. W. Lavis of Stouffville. Those making their First Communion were Nancy Haylow, Stouffville; Regina Dorna, Stouffville; Patricia McGrath, Scarborough; Susan Casineri, Milliken; Valerie Weese, Markham; Gilda Wannon, Markham; Jan Marie Arnold, Markham; Jo Ann Arnold, Markham; Karl Mund, Markham; Dennis Garland, Markham; Robert Weese, Markham; Warne Lavrisik, Markham; Terence Weese, Markham; Richard Holas, Markham.

The famous platter-tipped women called "Ubangis" were given that name by a publicity man for Ringland Brothers and Barrum & Bailey Circus. Actually they came from the Ubangi River but another part of French Equatorial Africa, and are members of the Sara tribe of the Territory of Chad.
