

Ballantrae - Musselman's Lake

The children in the community had a real treat last week. Rev. Frank Wellington known as the Musical Story Man, presented a program every morning at Bob Wood's Sunny Valley. One hundred and forty-five children attended the first show on Monday morning and well over two hundred were attending by Friday.

especially Roy for their energetic work. On behalf of all of us, thank-you to Rev. Wellington for a pleasant week and a job well done.

We mustn't forget Tiny and Chocolate, Mr. Wellington's ventriloquist dolls who entertained the children and adults alike.

The lake had a lot of visitors last week, too. Mrs. Ward, Mrs. Hamilton and Mrs. Thoite, all of Toronto, are spending a pleasant holiday at Northview Cottage, the lakeshore Road home of Mr. and Mrs. Burgess.

Mrs. T. Clayton spent a few days with her mother, Mrs. Cordelia Paxton, Lakeshore Rd. They both had a fine time.

Don't forget the Ballantrae Sunday School Picnic on Saturday, July 19th. Cars are meeting at the church at 1:30 and the picnic is to be held at the Provincial Park, at Lake Simcoe. Pack up the picnic basket and the family and come out for an afternoon of fun and games. Tea, ice-cream and pop will be provided. That's Saturday at the Church at 1:30 p.m.

Buttonville Residents Receive Letter on Proposed Rd. Widening

Road Widening—

Last week many Don Mills Road property owners received registered letters stating that "the Toronto and York Roads Commission, in contemplation of the immediate rebuilding and repaving of that portion of the Don Mills Road from Hagerman's Side Road to Victoria Square, has found it necessary to acquire additional right-of-way for ditching and for the location of the utilities."

The letter further states that a firm of Real Estate brokers has been engaged to negotiate settlement with owners for the lands required.

Mrs. Scott gave the lesson thoughts and closed with prayer. Shirley and Margaret Smith sang a duet, "The Lord is Watching Over Me." Mrs. Brown gave a short missionary reading. Mrs. Baycroft introduced the speaker Mrs. Thomason from Temperanceville, who gave a very interesting and helpful talk on Mission work in India. Mrs. Thomason stressed the great need for the support of mission work, both financial support and prayers.
