Cows At Buttonville Cause Auto Accident

Cow Causes Accident—Mr. Russell Boyington narrowly escaped injury on Tuesday evening of last week when one of a herd of cattle escaped from pasture on the sublet K. C. Gray farm, and wandered onto Don Mills Road in front of his car as he was driving south. The cow had to be destroyed, and the Boyington car was badly damaged, but Mr. Boyington suffered no more than a shaking up, we are happy to say.

Neighbourhood Notes—Beverley Burr, chosen as York County's Dairy Princess for 1958, and now a student at the Ryerson Institute of Technology, is one of ten delegates to represent Canada at the National 4H Club Congress in Chicago next week. Beverley will be a guest at the Conrad Hilton Hotel.

It was a happy time for the Vincent Holland family last weekend. On Saturday Mrs. Holland arrived home from the Branson Hospital with Allen Leslie, born on Monday, Nov. 17, a brother for Barry and Kevin. On Sunday Mr. Holland re-

turned home after two months in the same hospital with a knee injury. Our best wishes to them.

Will Oust Milverton Loafers

Students of Milverton District High School who persistently loaf through classes and exert a disturbing influence may find themselves heading for the nearest exit.

This could come about as a result of school board action taken at a meeting there last week.

A motion was passed "that the principal be given authority to suspend troublemakers and those who fail to give proper attention to their work."

The motion followed discussion of the recent stand taken by Elmira District High School Board in dealing with troublemakers and loafers.

Gordon Smith, a board member, said, he thought a student should be given a second chance after the first warning, but that sterner measures should be used in dealing with subsequent misdemeanors.

P. W. Farr, principal, said he has already asked teachers to be more strict in their classrooms.

most-of the ladies of the community gathered at Buttonville Hall, looking for that special hand-made gift or picking up some delicious home baking or candy. The White Elephant booth will be a busy place too, and the apron committee always has attractive choices. It is the Harmony Club Christmas Bazaar, and it is justly famous for its choice selection of articles. Come and find out for yourself. Meet your friends and enjoy a cup of tea.

Farewell Party

Mr. and Mrs. H. A. Roberts, who have been very much a part of the life of this community during their six year stay at Mt. Farms, were guests of honour at a farewell party held at the Assembly Hall at Leitchcroft Farms on Monday evening of last week. In spite of a heavy fog which overlay the countryside, there were 35 friends present to wish them success and happiness in their future Victoria, B.C. home. A presentation of a 400-day clock and a table and floor lamp was made by Mr. Wm. Rodick and Mr. Norman Reid added a few remarks. Refreshments were served by the members of the Harmony Club.

Buttonville W.I.

Wexford W.I. members were guests on Thursday evening of last week when Buttonville W.I. held its November meeting in Buttonville Hall. Mrs. Richard Pralet conducted the first part of the meeting, when business was discussed, and later the programme was turned over to the Wexford ladies, who conducted the entertainment.

There were Current Events of interest to women, and there was a Roll Call by way of introduction for the Wexford ladies.

Mrs. Mulhead of Wexford presented Miss E. French and Miss Ann Fitzpatrick, former Wexford members; with W.I. crested coffee spoons. Both of these ladies now live in Unionville and Miss French is a Buttonville member. Miss Baird and Mrs. Green took charge of the games and a contest which everyone enjoyed.

SNOWED UNDER

The night was dark, the snow was blowing. The traffic rush was homeward flowing. The road with slush and ice was deep, And cars were moving of a creep.

Joe Doakes was travelling close behind The car in front, so he could find His way by the red light ahead ... His windshield wiper had gone dead.

And all was well with Joe until Far up ahead, a sudden spill Stopped all the cars right down the line For careful drivers, this was fine.

Joe jammed his brakes, began to skid, Wise drivers don't, but Joseph did. Now six feet down, Joe takes it easy. He wasn't smart when it was freezy.
