GOODWOOD

Mrs. R. May
The February meeting of the Moviettes on Tuesday evening, Feb. 10th was well attended by the regular members with a complete disregard for the very inclement weather. Doubtless the poor driving conditions kept some away who had previously expressed a desire to join the Club.

This week it was the writer's turn to show films of a trip to B.C., also pictures taken in Montreal, and Ottawa, besides local scenes and family pictures. Mr. Reid also showed film taken from an airplane, of the Temagami and Camp Wahnapitae district, with other pictures of scenes from Lake Simcoe and Island Lake.

We are learning from these weekly showings of our films, and every one of us will benefit by an improved technique. Someone has said, "Comparisons are odious," but to the amateur they can be enlightening. Our past experiments in home movies will help us to make better movies in the future and enable us to avoid many of the errors and pitfalls in which the beginner is prone to find himself.

Our hostesses for the evening were Mrs. George Baker and Mrs. Sara Pockler, assisted by Mrs. Dave Ratcliff and Mrs. Sam Roberts, who served us with an excellent luncheon which we all enjoyed. So if you are a movie fan, we extend a cordial invitation to you to come and join in the fun and fellowship of the Moviettes.

VICTORIA SQUARE NEWS

Mrs. W. Sandle
Sr. Women's Institute

The February meeting of the Sr. W.I. was held on Tuesday evening of last week at the home of Mrs. Harold Hill, with a large attendance. Mrs. David Hockley was chairman for the meeting.

Mrs. Harry Barber gave the motto "Grandmother said 'Listen twice and speak once'." The roll call was answered by "Grandmother's hint to a bride."

Mrs. Jack Runney gave a reading on the origin of Valentine's Day, and gave a demonstration of Valentines. Mrs. J. McCague and Mrs. D. Hockley gave demonstrations on the making of Valentines. Mrs. G. Joyce led a sing-along of some of the "Old Songs." Mrs. Earl Empringham, vice-president, took charge of the business in the absence of the president.

At the close of their practice on Thursday evening, Jan. 29th, all were invited to the dance; where Rev. A. F. Binnington conducted the election of officers which resulted as follows: Organist and Choir Leader, Mrs. Jim Barker; assistants Mrs. R. Perkins and Mrs. S. DeFoe; Music committee, Mrs. A. Orr, Mr. C. Boynton, Mrs. N. Boynton, Mrs. G. Joyce.

It was decided to have practice 8.30 to 10 p.m. on Thursdays, and all members are to try to secure some new members.

At the close of choir practice on Feb. 5th there was a lovely surprise waiting for three members (Mrs. H. McCague, Mrs. S. Boynton, Mrs. J. Barker), who have a birthday in February.

Some of the social committee and others arranged this. There was a very attractively decorated table with gifts and a large birthday cake iced in pink and white.

The Brownies meeting is a hive of activity, with the girls practicing and passing their ball throwing, skipping and balance tests. The following girls have completed these three tests: Judy Varden, Jeanette Lang, Mary Miller, Ardy's Winger, Glenda Moses, Carol Moses, Marilyn Stacey and Trudy Tulner.

Also of very much interest was a short talk and display of a wasp nest brought by Judy Varden. The Brownies must bring three articles from the world of nature and be able to tell where they found them and a little of the history of the article. The nest was our first article to be brought for display and was truly wonderful to examine.

The next meeting will be spent in preparing for our thinking day program, to be Feb. 22nd. All Brownies are asked to make a special effort to be present for the next two meetings.
