

Suggest Bond Lake Water for Oak Ridges

A delegation from Oak Ridges appeared before Whitechurch Township Council last week asking that council enquire into the providing of a water supply for the built-up area of Oak Ridges. The delegation was composed of James Smith, David Ground and Henry Zimmerman.

side of Yonge St. and residents on the Whitechurch side were anxious that the local township co-operate so that the entire area might be serviced. He said that if the two small well sites at present being drilled in King did not produce sufficient water, it was proposed to investigate the possibility of securing water from Bond Lake.

Goodwood News

Thursday morning, Feb. 19th, the thermometer was down to 18 below and a stiff wind blowing. Many of the children waiting for the high school bus which was delayed by drifted snow, got so chilled they had to return to their homes from their point of waiting. Misses Joy and Judy Ward who had quite a walk to the bus stop, received severely frost bitten legs. They were treated at Sick Children's Hospital. It is feared they will both have to miss several days or weeks of school.

BALLANTRAE

There is a very disappointed young lady in the community these days. Young Janet Davies had her birthday party all ready to roll for last Tuesday, but it had to be called off in a hurry. Janet blossomed out with a full blown case of chickenpox on Sunday. Happy Birthday anyway, Janet, and get well soon. Janet is not alone in her misery. Two other young fellows we know are sporting spots. Bryan Ogden and Carl Inley are also in technicolor this week.

Birthday greetings are also in order for Garry MacEachern of Ballantrae United. The young people wished him a very happy birthday as he blew out the candles on the cake last Sunday morning at Sunday School.

The Sunday School is planning a skating party for Saturday, March 7th to be held at Mount Albert. More details re meeting time and place next week for sure.

Another good crowd turned out for the Euchre last Friday. The ladies did better this week. The door prize, a lovely cake plate, donated by Mrs. Wright of the General Store, was won by Pearl Mowder. The ladies' first prize went to Mr. Les Ogden but the consolation prize was won by Mrs. Goodell. The

men's prizes were won by Murray Nesbitt and Elliot Graham. Next Euchre will be on Friday, March 6th. The next ratepayers' meeting to be held at the school has been set for Thursday, March 5. This is a week from Thursday, so it gives you plenty of time to make arrangements to get there. It's most important that the school problem be settled as soon as possible, so make a real effort to attend this meeting.
