The men" (Hebrew leaders, including the Pharisees and scribes) actually recognized Christ as the Son of God. Their determination to kill Him was due to jealousy and lust. His spiritual authority, His prerogatives as the Son of God, His redemptive Mission - they rejected all. Their self - interest helped to

bring the Saviour to the cross. Verse 39-"They caught him ... cast him out of the vineyard, and slew him." The relationship of the Son to the Father did not impress our Lord's enemies. They carried out their foul plot and brought Him to death. The casting "out of the vineyard" suggests His excommunication by the Heb-rews (the high priest condemned Him as a "blasphem-er"-Matt. 26:65, 66); and His transfer to the Gentiles for punishment (Matt. 27:2).
