Hullo Folks! A LOOK INTO THE FUTURE No... I'm not going to try to tell you what the Real Estate market will be like this time next year or even next month. The only safe prediction that any one can make about Real Estate prices... is that at least on a short term basis of a year or so... is that they will have their ups and downs.

Now that the Gordon Report has been tabled in the House of Commons, we have something to go on for long range predictions about values. I've been talking to some highly respected people in this business, and in other types of business. All seem pretty well agreed that the Gordon Report is conservative... that the economy will progress at least as far as the commission has predicted.

What does that mean in every day living? Well for one thing, it's almost certain that the dollar won't buy as much in 1980 as it will buy today. The experts seem to think the 1980 dollar will be worth about 60 cents in terms of today's money.

Apply that to homes, it means that it's safe to say that a home you buy today for \$15,000 will be worth at least \$30,000 by 1980... and it could well be worth much more. That makes a home or other Real Estate a really sound investment... even for the young couple who have to take it on with a small down payment and a large mortgage.

When it comes to making an investment, be sure you seek competent advice. The best place for advice on a home is a reliable Real Estate dealer. Drop in and see us soon. No obligation to you of course.

We want to express our great appreciation to all the members of the Christian Churches of Stouffville and Ringwood who have generously helped us in many ways, including grocery, linen and personal showers, and especially thank the Stouffville Church for providing a home for us throughout our furlough, and all who helped to furnish it. The PaPe family.

I would like to take this opportunity to express my thanks to all the neighbors, friends and relatives for the lovely cards, baskets of fruit, candles, flowers, during my stay in the hospital after my accident, and since returning home. I would also like to thank my neighbors for doing chores, and also thank my friends who took my wife to and from the hospital. My grateful appreciation to all. Earl Brillinger.

I would like to express my sincere thanks to all my kind friends, neighbors, relatives, the United Missionary Church and the Ringwood Excelsior Chpts for the lovely cards, kind inquiries, gifts and many acts of kindness. I received during my illness. All was deeply appreciated. Jim Smith.

I would like to say a very sincere thank you to all who so kindly remembered me in various ways during my sojourn in the hospital and since coming home. It has all been deeply appreciated by Frank and myself. Ruby Burkholder.

IN MEMORIAM REDSHAW — In loving memory of a dear mother, Elizabeth Redshaw, who passed away March 7th, 1920. Time changes many things, But love and memory ever clings. Lovingly remembered by daughters Ina, Ila, Ethel and Luella.

EVANS — In loving memory of a dear husband and father, Morgan Evans, who passed away March 10, 1956. Like falling leaves the years pass by, But memories of you will never fade. In our hearts you are there to stay. Loved and remembered every day. Sadly missed by wife and family.
