## Markham Twp. Concert Society To Discontinue

So it is curtains for the Markham Township Concert Association, at least for the coming year. Announcement of discontinuation was made at last Wednesday evening's concert when the Toronto Men Teachers' Choir were program guests.

The committee has provided excellent concert, entertainment but have had two bad winters against them, and felt it was inadvisable to continue. Among those attending last week's concert were Mrs. S. J. English, Mrs. Wm. Rodick and Rev. and Mrs. A. F. Binnington.

**Neighbourhood Notes—**  
Mr. McGimpsey is home from hospital now, and last week was able to enjoy the first warm days outside. And wasn't it a wonderful week! Before it was over, farmers were seeding the high fields, and the dust was blowing.

Mr. and Mrs. Aubrey Stephenson spent last weekend at Port Colborne with Mr. and Mrs. Galbraith who were celebrating their 50th wedding anniversary. Off on business trips last week were Messrs. Rae Donaldson who went to Detroit; John Wilkins motored to Washington, D.C. and other American cities, and Harold Wright flew to Montreal. Mr. and Mrs. B. K. Wilson are visiting their son Johnny and his family in Wheeling, W. Virginia, this week.

Miss Adele Carruthers will demonstrate floral arrangement at Buttonville Home & School meeting on Wednesday evening of next week. Adele is the clever artist who has made the florist shop windows of Eunice Denby Ltd. on Eglinton Ave. W., a delight for uptown Torontonians.

Rae and Betty Donaldson and Betty's sister, Mary Lyn Snider, are now settled in their new North Buttonville home.

It was with a deep sense of loss that we noted the recent passing of Miss Lillian Risebrough of Willowdale whose death occurred suddenly at the Toronto General Hospital on Tuesday, April 7. Her many friends in this neighbourhood will remember her for her gentleness of spirit and her great kindness. To her sister, Mrs. G. Kelly and brothers Roy and Gordon and their families we offer sincere sympathy.

C.G.I.T. and Explorer members taking part in the W.M.S.

service at the Victoria Square church last Sunday afternoon included Patricia Paterson, Marcelle Storey, Berta Storey, Susan Harrott, Maureen Martin, Explorers, and Margaret Paterson, Judy Hord, Jean Maw, Janet Craig, Joy Fuller and Donna Denby. At a recent Explorer meeting, gifts were presented to Mrs. Binnington and Mrs. Bennett for their new grandsons. Berta Storey made the presentation.

**C.G.I.T. & Explorers**  
May will be a busy month for younger girls in the community. The Mother and Daughter banquet is scheduled for May 11, with the annual affiliation service for Explorers and CGIT members taking place at an earlier date as yet not determined. May is also the month of their Lilac Tea and already the Explorers are busy. If you are looking for a Mother's Day corsage, these girls can supply you with one which will last for years. They are making some from plastic foam which are very attractive.

**Friendship Club—**  
Mrs. Bryce Jacksie was hostess to the Friendship Club members on Wednesday evening of last week. The most important guest of the evening was the Jacksie's new 10-week-old baby Bryan, who was the centre of attention. Mrs. Jacksie entertained her guests with coloured slides of West Coast life sent by her brother. Present were Mrs. Maw, Mrs. Storey, Mrs. Foster, Mrs. Turner, Mrs. Harrott, Mrs. Vidler, Mrs. Burr, Mrs. Greensides, Mrs. Martin, Mrs. Dunlop.

**Cancer Society—**  
Mrs. Gordon Purves tells us that local collections for the Canadian Cancer Society are up an average of 50% per book over last year. Miss Beryl Clark, Armligh Heights, was the first canvasser in this area, and Mrs. J. Champion and Mrs. H. Johnston have completed their calls. Mrs. Johnston's total for two books was \$85.00, and Mrs. Ogden of Unionville has turned in four books worth \$39.50. At Woodbridge Mrs. Purves reports \$498.50 has been returned to date.

**Curling Club—**  
The Ladies' Unionville Curling Club members held their final dinner at Cedarbrae Golf Club on Thursday evening of last week, winding up a successful season. Local women present were: Mrs. Russell Boyington, Mrs. Bill Hood, Mrs. Ray McTavish, Mrs. F. W. Baker, Mrs. James Rodick, Mrs. J. Brown, Mrs. Norman Reid, Mrs. Harry Barber, Mrs. Garnet Francey, Miss Marjorie Barber, Mrs. Donna Brigger and Mrs. June Griffin.

**Final Euchre—**  
Friday evening of last week there were 16 tables of players at the Buttonville W.I. sponsored Euchre at Buttonville Hall. Winners for the evening were Mrs. Lucille Cummings, Mrs. Florence Denby, Mrs. Adam Brown, Messrs. Howard Trimble, W. Muirhead and W. Wright. The lucky draw was won by Matt Davie, and freeze-out winners were Messrs. R. Burr and A. Brown against H. Trimble and H. Forster. Hostesses for the evening were Mrs. A. Brown, Mrs. D. Arnott, Mrs. R. Pralet. The Euchre announced for May 1 has been cancelled.

**Davidson Mission Band—**  
Davidson Mission Band members entertained their mothers and small brothers and sisters on Saturday afternoon of last week, when they held their Easter Thank-offering.

Mrs. S. R. Patterson was guest speaker during the worship service, and the children enjoyed a special treat in a film strip, "Puppy for Jose". Donna Kerr presided and Margaret Patterson and Margaret Champlain assumed responsibility for music. Piano solos were played by Mary Champlain, Susan Harrott and Patricia Patterson.

Mite boxes returned contained a total of \$17.28.

Among the mothers attending were Mrs. Kerr, Mrs. Leitch, Mrs. Patterson, Mrs. Ken Stephenson, Mrs. Bauthus, Mrs. S. J. English and Mrs. Craigie. Ten-month old Christine Craigie was the youngest child present.

**Junior Farmers, Sat. Night—**  
The programme the Junior Farmers have been working so hard on will be presented at Buttonville Hall Saturday evening of this week. There's hidden talent around these parts, and it would be definitely worth your while to come and see some of it in action. These boys and girls will entertain you with songs, skits, solos, trios — the works, and their youthful enthusiasm is something to see. Make a date for Saturday night at 7:30, Buttonville Hall.

H. & S. Beige and Euchre —  
There was a good evening's fun at Buttonville School on Tuesday evening of last week when the Home & School Ass'n. held the Annual Bridge & Euchre.

## HALF-PAST TEEN

MY FOLKS TOOK LOTS OF SNAPSHOTS ON OUR FLORIDA VACATION BUT WE DON'T HAVE ANY MONEY LEFT TO GET THEM DEVELOPED.

chre. For those whose curiosity about the hockey game needed to be satisfied, Mr. Sherman of TV Sales & Service provided a TV set for the evening. Euchre prizes were won by Mrs. Douglas Hood, Mrs. R. Burr, Mrs. Gardhouse, Mr. Burke and Art Storey. Bridge prizes were taken home by Mrs. John Brown and Mr. M. Roberts. Mr. Ray McTavish was M.C. for the evening and the social hour was under the convenship of Mrs. J. Harrott, with Mrs. K. Stephenson and Mrs. Bauthus assisting. Door prizes were won by Mrs. Arnott, Mr. D. Hood, Art Storey, and Mr. and Mrs. Nichols.

**W.I. Elects Officers—**  
On Thursday afternoon of last week, when Buttonville W.I. members met at Buttonville Hall for their annual meeting, Mrs. John Wilkins was named president for 1959-60. Mrs. R. Pralet, became honorary president, and other officers were as follows: 1st vice, Pres. Mrs. A. Brown; 2nd vice, Mrs. D. Arnott; 3rd vice, Mrs. A. Robinson; Sec. Treas., Mrs. James Rodick; Ass't Secy. Treas., Mrs. A. Gardner; Dist. Director, Mrs. C. Hooper; Ass't. Mrs. R. Pralet; Branch directors, Mrs. McGimpsey, Mrs. Hill and Mrs. Purves; Work Convener, Mrs. K. Stots; Social Convener, Mrs. Boyington; Sick & Visiting Com. — Mrs. F. Leaf, Mrs. Gardner; Pianists, Mrs. E. Hill, Mrs. Geo. Hooper; Press Secty., Mrs. F. Leaf, Mrs. D. Arnott, Mrs. A. Stephenson; Auditors, Mrs. Mc-

Gimpsey and Elizabeth French Standing committees were re-installed. Conveners of standing committees with executive members will form a program committee for the year.

Reports were given by executive members. Mrs. Rodick reported receipts of \$2,331.97 for the year, with \$313.01 balance. Mrs. McGimpsey stated that quilts had netted \$236.00, and first prize display at Markham Fair brought an additional \$12. Mrs. Russell Boyington reported on catering activities; Mrs. E. Stots reported for Citizenship and Education, and H. Robinson for Agriculture and Industry.

The May meeting will be held at the home of Mrs. John Donaldson on the evening of Wednesday, May 20. Mrs. Arthur Kennedy of Unionville will show pictures of Alaska.

Henceforth, meetings will be held on the third Wednesday of the month.

**COMING —** Variety night at Buttonville Hall, presented by the Unionville Junior Farmers. Proceeds for charity. Tickets from members or at door — adults 75c, children 35c.

Cancer of the skin is the commonest form of cancer in men. If treated early, it can nearly always be cured.

Mathematical problems inscribed on clay tablets found near Baghdad, Iraq, indicate that schoolboys were learning about the hypotenuse of a right angled triangle 1,700 years before Euclid's time.

## Wilcox Lake Rises 6 inches

Lake Wilcox rose about six inches last week, say residents. One road, Willowbank, was reported covered with a patch of water about 25 feet in diameter. Water crept a little way up Rosemarie Ave. from the lake.

Mrs. Elsie Gibbs, only woman member on the Whitechurch council, said the road culverts, which are all running freely, have kept flooding to a minimum. She had not heard of any houses being flooded.

Some new songs are murdered so often on TV and radio that they're dead on arrival at the music stores.

The Canadian Cancer Society and the National Cancer Institute of Canada are the two voluntary organizations fighting cancer. The Society is made up of lay and professional people. It supports research, carries on an educational programme, and a welfare programme to assist cancer patients. It also raises money. The Institute is made up of doctors and scientists and laymen. It supports worthwhile cancer research by giving grants-in-aid, fellowships and scholarships. About four-fifths of its money comes from the Society.

## GNT MICROWAVE SYSTEM

Harassed by one of the coldest, snowiest winters in Newfoundland's history, Canadian National Telegraph crews are doggedly pushing ahead with installation of a \$9 million microwave system across the province. This map shows the location of repeater stations over which CBC television programs will be brought live into Newfoundland in time for ceremonies marking the St. Lawrence Seaway opening by Queen Elizabeth in June. Harmon, to be linked with the system, is a United States Air Force base. Progress has continued despite storms which closed tower entry roads to all vehicles except snowmobiles, winds of more than 100 miles an hour which toppled scaffolding, freezing rain which within 15 minutes formed ice conditions hazardous for frost-nipped riggers and technicians and, at times, forced temporary suspension of work. Buildings have been completed at 18 of the sites, towers erected at 15. In addition to providing television in and out of Newfoundland—in the latter direction by the end of the year—the GNT project will mean greatly increased communications facilities to and from the island. With its completion Canadian National will be able to handle a much heavier flow of all types of traffic—telephone, teletype, radio, Telex—between Newfoundland and other parts of Canada and United States.

# TORO

Ordinary mowers clump, skip—leave messy clippings. New Toro cuts evenly, cleans up other clippings as well.

## Proved Best in the "X" test

Wind-Tunnel Whirlwind out mows them all!

Daring "X" Test proves new Whirlwind rotary will outcut any other. Wind-tunnel under the housing creates powerful vacuum to freeze every blade of grass upright for a sharper, crisper cut. See this revolutionary new Whirlwind today.

- Ends clumping
- Bags clippings
- No scalping
- Easy terms
- No extras
- Trims close

Complete with bag, chute and leaf mulcher

## NEW SUPER FLOW FERTILIZER

PRECISION GRANULATED FOR PRECISION PLANTING COMPLETELY GRANULAR—NO DUST

**NEW DRILLING PRECISION**  
The controlled particle size of SUPER FLOW —no fines or oversize granules—gives you new accuracy and ease of application. SUPER FLOW runs evenly and freely—no drill clogging and skipping. This smooth consistent flow means uniform distribution of fertilizer —gives you more even crops—higher yield.

**NO DUST**  
SUPER FLOW is completely dustless. Easier to handle... there's no loss of plant food on windy days.

**ALWAYS FLOWS FREELY**  
Completely granular, oven dried to remove excess moisture, SUPER FLOW contains no dust to harden into lumps.

**GREATER PLANT FOOD VALUE**  
The range of SUPER-FLOW granular size permits more phosphorous to become available to the plant. Furthermore, each granule contains all the nutrients in the analysis —which means a more uniform distribution of plant food.

**C-I-L CANADIAN INDUSTRIES LIMITED**  
you get more for your money with SUPER FLOW
