

SPORTS

Fred Sgambati Points Out Benefits of "Good Sports"

Fred Sgambati, CBC sports editor on radio and television, was the guest speaker at the Stouffville Lions Club annual hockey night on Monday evening. He pointed out the great benefits of good sportsmanship to the fifty or so young hockey players present, the growth of confidence which they would attain and the rewards which would come in later years.

The speaker's bubbling presentation and enthusiastic manner, kept the large meeting at attention for nearly an hour. Mr. Sgambati had had varied experiences in a great many phases of sport, particularly as a football referee. Of the half-dozen ways he's been involved with sports, the toughest and most rewarding, he says is play-by-play commentary. His greatest thrill, he said, was working the All-Star football game from Empire Stadium, Vancouver, proceeds for crippled kids.

"You have the pleasure of reporting to people," he said; "and in addition, make up your mind for the fact that they can't be there."

A question period followed the regular address which brought

a number of chuckles here and there. At the conclusion one had queried the speaker, "if he could slightly mention the local boys on the air." This Mr. Sgambati did later in the evening in his 11:20 sports telecast.

Mr. Sgambati was introduced by Lion Chas. Nolan and a vote of thanks was moved by Lion Don Davis, Vice Pres., Lion Walter Pipher, president.

Following the address, Lion Don Davis, chairman of the hockey committee, introduced the various coaches and others who had helped so tremendously with the sport during the winter. Presentations were made to the league's two referees, Ross Pattenden and Polly Minton, and the Alf Mole trophy and Jas. Austin trophy were presented to the winners in the two house leagues.

Announcement was made that the Stouffville Municipal Council on behalf of the Corporation, would be presenting the members of the Bantam Club, Ontario runners-up in the OMHA finals, with windbreakers. To go with these windbreakers the Lions Club will provide crests.

May Locate New Golf Course at Almira

A new 18 hole golf course may be located near Almira between sections 5 and 6, Markham Township. Mr. Arthur Latham, formerly of Stouffville and now residing in Downsview, has approached two farm owners on conc. 5 in hopes of securing their properties. The Gordon Reid farm and the Clayton Gay farm have been mentioned as possible sites for the course. There is 100 acres on the Reid farm. The Gayman farm has 50 acres. A small stream cuts through both properties.

Mr. Latham is also interested in securing the Bruce property. The Metropolitan Toronto and

Regional Conservation Authority have also been seeking the Bruce farm but to date no agreement has been reached. The Authority wishes to retain it as a historical site. It is possible that Mr. Latham might work on co-operation with the Conservation organization if a satisfactory deal can be arranged. The old mill on the Bruce farm is still operated but business has declined over the years. It has been reported that Mr. Latham might purchase the land, then re-sell it when work on the course has been completed.

ADDITIONAL LOCALS

Following the meeting of council and planning officials of Stouffville, Whitchurch and Markham, on Tuesday night, wives of the Stouffville council members entertained the gathering to a buffet lunch. The meeting was held in the Masonic Hall.

Mr. Lawrence Wideman, an employee in the Bank of Commerce, has been transferred to the Pefferlaw branch.

ENGAGEMENTS

Mr. and Mrs. Percy Bayley of Dunbarton, Ont., wish to announce the engagement of their daughter, Sonya (Terry) Bayley to Mr. Donald Leslie Jackson, son of Mr. and Mrs. Fred Jackson of Stouffville, Ont. The marriage will take place on Saturday, May 23rd, 1959, at 4 p.m. in the United Church, Dunbarton, Ontario.

BIRTHS

FOCKLER—Mr. and Mrs. Bruce Fockler of Stouffville, are proud to announce the birth of their son, Brian Richard, at Brierbush Hospital, April 28, 1959; 1st grandson of Mr. and Mrs. Risebrough.

Moses—Mr. and Mrs. Ronald Moses, R.R. 2, Markham, are pleased to announce the birth of their daughter, Renee Elizabeth, at Brierbush Hospital, April 28, 1959; a sister for Ted and Cathy.

SIDER—Neale and Mary (nee Wideman) Sider of R.R. 3, Wellandport, are very happy to announce the birth of their daughter, Mary Christine on Sunday, April 19, 1959, at the Welland General Hospital.

DEATHS

GAYMAN, Joseph — at Scarborough General Hospital on Monday, April 27th, Joseph Gayman, beloved husband of Edna Lehman, in his 74th year, dear father of Louella (Mrs. Claude Brillinger), and grandfather of Claudia and Sharon. Resting at the Chapel of L. E. O'Neill for Service on Thursday, April 30, at 2:30. Interment Melville cemetery.

Death of Mrs. Asa Wilson—The death occurred in Toronto on Friday, April 24th, of Mrs. Asa Wilson, the former Elizabeth Reid. Mrs. Wilson had been living on Victoria Street in Stouffville for a time. She was in her 94th year. Survived by one brother Alfred Reid of Toronto. The funeral was conducted from Bates & Maddocks Funeral Chapel with interment in Elmwood Cemetery.

"It takes 65 muscles to frown; only 15 to smile," says an anatomist. Most people, however, prefer to put on a facial expression the hard way.

Four Teams in Twp. Softball Group

The Markham Township Softball League is now complete with four entries in the group. Markham, Aurora, Agincourt and Richmond Hill will comprise the circuit. The new President is "Huck" Young of Thornhill. The regular schedule will open around May 20th. Most of the clubs have already held warm-up workouts.

Aurora, always a potent entry, will be handled by south-paw ace Norm Stunden and Earl McDonald. Newmarket were contacted but declined to place a team in the group.

Former Red Sox Attend Leaf Baseball Banquet

Ten local athletes attended the Toronto Maple Leaf baseball banquet in the Canadian Room of the Royal York Hotel on Tuesday night. Mr. Earl Cook, a former mound star with the Toronto team, was the host for the Stouffville group. His guests were Messrs. Ted Cadieux, Lorne Bowdway, Ken Schell, Ken Wagg, Bud Lehman, Les Clarke, Stan Miller, Dr. Ron Smith and Lloyd Jennings.

Bob Hassard was also among the invited guests but he had to cancel his plans due to a hockey workout at the Whitby Dunlops in the Weston Arena at eight o'clock.

Jr. Fisherman's Day At Greenwood May 23

The Metro Toronto and Regional Conservation Authority will hold their annual Junior Fisherman's outing for 2 days next month in two separate districts. On May 23, grade 8 students from Metro Toronto and region schools will visit the Greenwood Conservation Area with their rods and reels. The park is located in Pickering Township, south of Greenwood. Pupils are selected by their teachers for general proficiency. A similar outing will be enjoyed at the Albion Hills Conservation Area near Bolton on May 9. The streams will be stocked with legal size speckled trout contributed from the conservation funds of the Canadian National Sportsman's Show.

This will be the third year in a row that these fishing days have been held. More than 500 boys and girls have taken part in them each year.

Two Stouffville Motions Approved, OHA Meeting

Two Stouffville motions were approved at the 70th annual meeting of the O.H.A. held in the Royal York Hotel, Toronto, on Saturday. Both motions were proposed by Mr. Russ Forfar, Secretary of the Clipper Intermediate Hockey Club. They were seconded by Mr. Bucko McDonald of Sundridge.

Mr. Forfar's first motion requested that the entry date of clubs should be changed from Nov. 1st to Oct. 1st. He explained that the later date made it difficult in organizing schedules and obtaining arena ice time.

A second motion presented by Mr. Forfar now makes it unlawful for a team that has won a group championship or better, to compete in a class lower than its population warrants. For example, this would mean that Georgetown, a "B" class winner this season, will be boosted up into "A" class competition next year due to its population figures. They were permitted to play in "B" class this winter if their club comprised only home town talent.

In addition to Russ Forfar, other Stouffville hockey representatives present were L. E. O'Neill, Milt Smith, Harry Lee and Jack Watson. Mr. O'Neill was returned to the Board of Directors of the O.H.A. Other members are—Jack Devine, of Belleville; Mat Leyden, Oshawa; and C. G. Patterson, Brampton.

An amendment to clarify the regulation barring players from leaving the bench to enter fights on the ice was passed.

The amendment makes the rule clearly state that it is an offense for a player "to go on the ice while an altercation is taking place. Under the old rule a player had actually to take part in the fight before he could be penalized.

Most of the other regulation changes passed by the 80 delegates make the rules more concise or broadened their powers. They cover such topics as waivers, registration dates and the boundaries of the areas from which teams may draw players.

The rule covering group standings was changed so that, in the case of a tie on points, the team with the most wins is given the preference. Under the old regulation, this was decided on goal average which still applies if the teams have an equal number of wins.

The meeting voted to ask the Canadian Amateur Hockey Association to amend the icing the puck rule. The OHA amendment would force a stoppage of play if a player shoots the puck from his own half of the ice across the opposing goal line, at any time except, of course, when a goal is scored. The rule does not apply now when a team ices the puck while short-handed.

It was announced that the association has finished making

a film which will be used to train referees. It will be ready for release later this year and prints will be made available to those interested.

Retiring president L. Cooke of Kingston presented the association's gold stick award of merit to two executives. Receiving the award were Bob LeBel, president of the CAHA, and Ernie Goman, general manager of the Senior A Kitchener-Waterloo Dutchmen.

It was announced two new trophies have been donated. Mayor Harry Jermyn of Whitby has presented a trophy to be given to the champion of the Eastern Senior A Series and George Dudley, treasurer of the association, has given one which will go to the OHA-Northern OHA Senior A champions.

Claremont Lg. To Operate

The Tribune has received word on good authority that the Claremont Softball League will definitely operate this summer. Mr. Jack Rennie, coach of last year's Claremont club, is anxious that the group should reorganize for another season. No information is available concerning a meeting of team managers.

The delay in taking the winter wraps off the Claremont circuit may have proven costly. Altona has already entered two teams in the Y.F.C. League and it's unlikely that they can formulate a third entry. An entry from Peach's is also a question mark. A new club from Ballantrae was considered a possibility, but there is nothing definite on their intentions. Markham would return but Uxbridge is not expected back.

Rec. Committee Asks Pickering Re-consider Budget Cut

The Pickering Township Recreation Committee has requested that Council reconsider a former decision to cut their requested budget from \$4,000 to \$2,000. Mr. Jack Peterson and Mr. Kal Vizely appeared before Council on Monday night.

Mr. Peterson informed the members that \$1,500 had been allotted for softball; \$500 for the Little Theatre and \$400 for park lighting and swimming instruction at Claremont. He noted that the Archery Club and the Canoe Club had applied for grants.

Reeve Sherman Scott contended that an increase from \$500 in 1958 to \$4,000 in 1959 was too great a jump in a single year. He suggested that an increase from \$500 to \$2,000 was quite sizeable.

"What is the reason for the \$1,000 increase?" asked Councillor Edgar James.

Chairman Peterson stated that the Council planned to organize both boys and girls softball teams this year. He said that the purchase of softballs alone amounted to \$300. He said that a giant Field Day had been planned where individual trophies would be presented at the conclusion of the season.

"What do the teams do to help themselves?" asked Dep. Reeve Mrs. Jean McPherson.

Mr. Peterson replied that the individual players did nothing. He explained that the younger lads were not in a position to help out in a financial way. He pointed out that Service Clubs had assisted in the purchase of sweaters and caps. No umpires were paid.

Mr. Kal Vizely stated that more softball entries were expected this year. He said boys and girls in the age bracket from 5-12 years were in the greatest need for recreation.

"I urge Council to reconsider the figure and if at all possible see fit to increase it," he concluded.

Reeve Scott suggested that a complete breakdown of the requested '59 figure should be presented to Council this week. The Reeve also stated that the Recreational Committee should approach Council with regard to the securing of proper recreational sites in the proposed Crusader Development at Frenchman's Bay.

Scouts Going To Jamboree

Two patrols of Stouffville Boy Scouts will be attending a two-day Camporee near Queensville on May 2 and 3. This is an annual outing of the South Lake Simcoe Boy Scout District. The local contingent will include 12 boys, with Jack Barkey as Scout Master.

Dave Stallard of Stouffville is the assistant District Commissioner in charge of the Camporee. All the outing will be under canvas, although the boys will be on their own.

Local Scout officials, tell us that there are openings for a few more Scouts in the local troop. They meet on Wednesday evenings at 7:30.

Plan to Organize Baseball House-League

The success of the "little lads" baseball house league here last season has prompted local sports promoters to enlarge their plans here this summer to include boys of 13 years and up. The house league for boys ranging in age from 9 to 12 years will be retained.

The boys, 13 years and over will be divided evenly into separate teams. The clubs' lineups will be selected according to age and ability in an effort to maintain a well-balanced league. A notice will appear in an issue of the Tribune when weather and ground conditions are favourable for a practice session.

Teen-age lads who have the ability to compete in O.B.A. competition will be picked out of the house league and entered in the Provincial playoffs as a Bantam or Midget entry.

Unionville Ends Metro Curling With Victory

Bob Lawrie's Unionville Curling Club rink concluded the Metro curling season Saturday night at Tam O'Shanter with a 3-9 win over Gord Campbell of Oakville in the Pepsi Cola Trophy final.

Unionville curlers, dominant force in this district's competitions for two years now, also won the second event and Hiram Walker Trophy. A foursome skipped by Len McMullen (Ken Roberts' rink) defeated Ernie Appleton also of Unionville, 12-3.

The Unionville spiliers placed four rinks in the semi-finals of this event, and had two rinks shooting for the Pepsi prize.

Campbell provided the upset in that bracket, ousting Murray Roberts' quartet, 9-8, in a close match. Roberts had his vice skip of Tankard play, George Rummy along. However, the Oakville rink, with Don Kennedy vicing, came up with a last end score.

Opening Sale By New Firm Draws Large Crowds

Spofford's Sell-Abration Sale, the opening sale since the store was recently taken over by Thurston Stores Ltd., proved a real crowd-drawing attraction. Customers lined up ready to enter the store for the opening bargains on Friday and business continued at a fast pace throughout the weekend.

The sale was launched with a bit of carnival atmosphere which attracted considerable attention.

The firm announces that this Friday and Saturday concludes the sale and more drastic price reductions have been made for the final two-day stretch.

The Canadian Cancer Society is organized in 2000 Canadian communities where it carries on education programmes and gives assistance to cancer patients. It also provides money for research.
