

# MISSING LETTERS TREASURE HUNT

**\$100 Merchandise Certificate at Conclusion of Contest**

**\$10 WEEKLY  
IN  
Merchandise Certificates**

**RULES**

Each week there will be a number of missing letters in the wording of the advertisements on this page. Together these missing letters will spell out the name of one of the participating merchants (exactly as it is printed on their adv.). To be eligible for the weekly draw for \$10 in merchandise vouchers, you must indicate the missing letters as you find them in each adv., then enter the name of the merchant which you think they spell, on the entry coupon on this page. Tear out and send complete page, including coupon, to this newspaper. As it is anticipated that a number of readers may succeed in solving the missing name, a draw will be made of the correct entries each week to determine the winner. The grand prize of \$100 will be awarded to one of the 15 weekly winners the final week of the contest. Send in as many entries as you wish. No member of the staff or dependents of The Tribune is eligible. Entries must be in Monday each week.

These local advertisers on this page, try to give you, the customers, the best possible value at the lowest prices. You should patronize your home town merchants. These advertisers will be awarding someone \$10 in Merchandise Certificates each week, and at the end of 15 weeks someone will be awarded \$100 in Merchandise Certificates. Be Sure You Read This Page Every Week and Send in As Many Entries as You Wish.
