JUST KEEPS GOING
Jack Watson, Stouffville's veteran athlete, never seems to grow too old for competitive sport. On the contrary it would appear that the local resident continues to improve with age. He has always been tagged as one of the best softball third basemen to don a pair of spikes, and signs would indicate that he is headed for another good season with Markham.

Jack Watson is truly a great competitor. It was he and he alone that kept the faint flicker of softball fire burning here until it became financially impossible to carry on. He has since joined the roster of the Markham "Aces" and has quickly become a regular member of the team.

He is blessed with split-second reflexes. It makes little difference whether the batter elects to bunt or blast a rifle-shot line drive, in the majority of cases it is merely a routine out for the agile Watson. He is equally fast on the base paths. To date, he is one of the team's top batsmen. In three games he has hit safely in every contest. The same story was true forced him off the active list.

Enthusiastic sportsmen of Jack Watson's calibre are not easily found. He's an all-around, all-season performer. Although in hockey. Only the fear of sustaining a serious injury has keenly interested in both hockey and baseball, the game of softball still remains his first love.

Markham "Aces" Upset Brooklin 9-5

The Markham "Aces" hit the victory trail on Tuesday night with a surprising 9-5 win over the Harper's Brooklin squad. The homesters took a two run lead in the second inning and never looked back. A three run outburst by second-sacker, like Huggins in the seventh inning, sealed the victory. It was Markham's initial win after two straight setbacks.

Markham batsmen teed off a Brooklin's Neil Bramley and racked out a total of ten hits. Four of these safeties were extra-base blows. Clean-up batter, Bob Atkinson belted a pair of doubles. Al Tidsbury hammered out a two-bagger and like Huggins socked a round-topper. Terry Lunau and Bruce Middleton each rifled a pair of singles through the infield. Morris Prochenko and Jack Watson collected one hit apiece.

Ex-Markham slugger, Bob Stach provided much of Brooklin's plate power. He smashed a triple and a home run off Middleton. Each blow came with

Redshaw Hurls 2-Hitter Mt. Zion Sinks Brougham 10-2

Claremont's Bob Redshaw appears headed for the best season in his pitching career. The sling shot twirler, a new addition to the Mt. Zion roster, chalked up his second successive victory with a sparkling 2-hit performance against Brougham on Friday night. His mates gave him fine support, both in the field and at the plate. They handed their rivals a 10-2 setback. For six consecutive innings, the Brougham bats were silent. In the seventh, Grant Johnston teed off on a 3-2 pitch and laced a four-base blow into deep right field. Moffat, Brougham's first sacker, rapped a single into shallow centrefield in the eighth. That was the extent of Brougham's plate power. Redshaw walked three batters and registered two strike outs.

Strong Defence
Mt. Zion fielders turned in a number of brilliant defensive plays. Would-be hits were turned into routine outs. A total of ten fly balls were gathered in by back-peddalling outfielders. Wes Evans made a brilliant catch on a long ball poked by veteran performer, Les Wilson in the sixth. Stan McMullen was equally good in grabbing a well-hit ball from the bat of Ivan Booth. Grant Johnston's tremendous clout was beyond the reach of McMullen's outstretched glove. He made a quick recovery of the ball and Johnston crossed the plate only a split-second ahead of the throw-in. Mt. Zion committed only one error. First baseman, Grant Carson bobbled an infield ground ball tapped out by Rae Ellicott. He was later cut off at second when Stu McGuckin hit into a fielder's choice. McGuckin scored on Johnston's round-tripper.

Three Home Runs
Mt. Zion batsman tagged ex-team mate Neil Pascoe for three home runs. Two circuit clouts were belted by first-sacker,

Frant Carson. Wes Evans bashed a four-bagger in the sixth with Carson and McMullen parked on base. Both of Carson's blows came with the sacks empty. Sloppy fielding by Brougham and deer-like base running by Mt. Zion stretched three other hits into runs. In the first inning, a single slipped past short stop Ivan Booth. John Hill, the batsman, scored from first base. In the third inning, Kaye Evans lined a double into left field that evaded Bill Maxwell. He completed the circuit on the two-base error. In the eighth, Wes Evans slammed a low roller to Bud Anthony. It kept on rolling for a home run. Brougham committed five miscues. In addition to the errors, Mt. Zion connected for 16 safeties. Pascoe whiffed five and walked two.

Helps Own Cause
Pitcher Bob Redshaw added his own cause by pacing the Mt. Zion plate attack. He poked out three singles in five trips. Vern Ferguson hammered out a pair of singles and a double. Grant Carson hit two home runs; Wes Evans, a home run and a double; Kaye Evans, two doubles; and Grant Jones, two singles. John Hill and Murray Jones each had one safety. Moffat and G. Johnston were the only successful Brougham batsmen. Redshaw retired the side in order in the second, fifth, sixth and ninth.

Play Below Par
Brougham's performance was below par in every department. They didn't appear to be in the same class with Mt. Zion at the plate or in the field. Gord Todd, one of the League's top catchers was not present. The only outstanding defensive play of the entire game for Brougham occurred in the eighth inning. With one out and runners parked on first and second, John Hill pumped a line drive into the

glove of second baseman, Stu McGuckin. Grant Jones was poked off at second.

Meet Markham
On Friday night of this week, Brougham will play host to Markham under the lights at eight o'clock. It will be the first meeting between the two teams this season. Both clubs will be anxious to claim a two point victory.

Greenwood Belts Peach's 14-5

Greenwood chalked up their initial win of the season with a resounding 14-5 victory over Peach's on Thursday night in the Claremont Community softball league. Bill Maxwell went the distance on the mound for the winners. Pete Dunec and Don Wheeler shared the pitching chores for Peach's.

Greenwood sewed up the game in the second inning when they pushed seven men across the plate. Glenn Carter, Jim Cruikshank, Harold Titterton, Bill Maxwell, Cooper and Allan each scored a pair of runs. Miller and Echram, each added single tallies. Earl Brooks, Geo. Clarke, Don Thomas, Pete Dunec and Don Wheeler completed the circuit for Peach's.

Bob Clodd Blanks Ringwood With 2-Hitter

Bob Clodd, one of the most promising young athletes in the district, twirled a neat 2-hitter on Thursday night to give Altona a 3-0 shut-out over Ringwood. Lead-off batsman, Ivan Bell spoiled a perfect game effort for Clodd by tapping out two scratch singles. The action took place in a scheduled Community League game at Claremont.

Clodd retired the opposition in order in the first, fourth and fifth innings. He walked two and struck out seven. The Altona hurler and Ringwood right-hander, Normie Neil staged a torrid pitcher's battle until the late innings. A walk to Allan Redshaw and a single by Gord McDowell broke the ice. Two errors, a walk and a single by Clodd pushed two more Altona men across. Harold Hodgson broke out of his batting slump and slammed a triple in the fourth. He was left stranded when Bruce McDowell and Glenn Byer were strike-out victims.

Relatives Mixed Up

A report that appeared in last week's issue of the Tribune stated that Bruce Redshaw handled the mound chores for Mt. Zion as they racked up an 8-2 win over Markham. The winning pitcher was not Bruce Redshaw as reported, but a cousin, Bob Redshaw of Claremont. The sling-shot speedballer continued his successful come-back in Intermediate company as Mt. Zion registered a 10-2 victory over Brougham on Friday night. Redshaw twirled a 2-hitter.

Ronnie Jones, Mt. Zion softball control artist, will be missing from his team's roster for the early part of the schedule until he completes his June term examinations. Ron is a student at the Pickering Dist. High School.

Thirteen Schools In Whitchurch Twp. Field Meet
Thirteen public schools have filed entries in the annual Whitchurch Township track and field meet to be held in the Community Park, Vandorf, on Friday. The events will start at 9:30 a.m. and will conclude at 3:30 p.m. The school scoring the most points will receive the coveted Council Trophy. The runners-up will be presented with the P. S. Legge award. The championship was won last year by Gormley. Their top competitors were Edward Grant and Pat Rankin. Pine Orchard placed second. Their school was headed by Mervin Preston and Pauline Syma.

The Association President, Mr. Harry Hunt will be in charge of the all-day program. The Secretary is Mr. Carl Grove. The two staff members will be assisted by Mrs. R. C. Baycroft and Mrs. Russell Elias. A P-A system will be set up to announce the individual events.

Mr. Carl Grove informed the Tribune that he expected the number of contestants would be slightly less than last year. A total of sixteen records were broken. Gormley, the winner, collected 77 points. Pine Orchard scored 63.

When you're satisfied to sit back and take things as they come, they don't!

Merchants Aid Softball Organization

Local Stouffville merchants have rallied to the financial support of the girls' softball team. Mr. Doug "Feg" O'Neill informed the Tribune that almost every party he contacted contributed generously to pre-season drive for much-needed funds. Coach O'Neill said that the money will be used to purchase new uniforms, balls, and bats for the entry. They are entered in a strong East York League comprising a East York (2), Richmond Hill and Whitby.

Merchants who rallied to the support of the Stouffville team were—Neil Patrick Motors; Mickey Hunt, Sunoco; Edgevale Motors; Hamilton Auto Supply; Hal's Snack Bar; Don Davis, Clothing; Ted's Men's Wear; Betz Pools, Ltd.; Hendricks Hardware; Wagg's Jewellery; Crest Hardware; Weldon Shoes; Stouffville Sand and Gravel; Kenneth Laushaw, Insurance, and O'Neill's Furniture.

Markham Trims Ringwood 12-3

Ringwood is the second successive team to absorb a decisive loss before the hard-hitting bats of Markham's Jr. "Aces". On Monday evening in the Claremont Community League, Markham racked up a one-sided 12-3 win over Ivan Bell's squad. Last week, Markham toppled Claremont by a score of 19-7.

Bert Beckett, Ted Matthews, Bruce Holdsworth and R. Graham each chalked up a pair of runs for the winners. Don Middleton, J. Johnson, B. Johnson and R. Conlin completed the circuit for single tallies. Lawrence Gayman, who wielded a big bat in the previous contest with Claremont was the lone member on the Markham roster who failed to score in Monday's tilt. He was left stranded on third base in the second inning. Burnett Graves and Reesor were the run-scorers for Ringwood. Ross Madill, noted Stouffville hardballer, joined the Ringwood roster for the game.

Unionville Fairways Part Of International Tourney

The Unionville Fairways, Kennedy Road, Unionville, has been designated as the exclusive, franchised course in this area, where elimination play will be featured during the coming season to select a champion to compete in the Grand Finals of the 2nd Annual International Miniature Golf Tournament at Asbury Park, N.J., September 12th and 13th.

Winner of the play here will be awarded a free, all-expense DeLuxe tour, including round-trip transportation to the International Championships at Asbury Park in September to compete for the grand title in the "World's Series" of miniature golf. Eliminations for the event are being held at major miniature golf courses throughout the U.S. and Canada.

An imported Fiat "500" car and a "40" trophy, symbol of world's supremacy in Miniature Golf, are among the awards to go to the winner.

Fifteen year old Twirls Greenwood to 5-4 Win

A fifteen-year-old lad twirled Greenwood to a 5-4 win over Altona in a Community Softball League game played at Claremont on Monday night. It was Greenwood's second straight victory against one defeat. Ken McTaggart displayed amazing speed and control in registering the close win. The redhaz ran into trouble in the seventh inning and loaded up the sacks but retired the side without a single run crossing the plate.

Greenwood gave their young moundsman fine plate support in the early innings and held a 5-1 lead going into the fourth. Altona staged a two-run rally in the sixth and had the tying and winning runs parked on base in the 7th when the final out was made. Murray McDowell handled the mound chores for Altona with Glenn Byer completing the battery.

the Snapshot Guild

A 5-year old, a couple of rabbits and a toy chick, and you have the makings of an unforgettable Easter close-up.

There's one thing about these inexpensive, popular-priced cameras that the makers must have had prominently in their minds—their handiness. Take the Easter Parade and other Easter festivities for example. With these cameras there are no special techniques involved if you want to take a few snapshots. That's because the lens opening and shutter speed have been pre-set for you. Then, too, these cameras are so light that you hardly know you are carrying one.

On Easter Sunday, with Mother and the children all dressed up for church, how about a snapshot or two just before leaving home or when they return. It's a souvenir kind of picture that you'll prize later on. Then, when you are out to see the new styles that are shown in the Easter Parade, you'll want some more shots of the family and of some of the fashion models.

Here, again, you have the advantage of simplicity in the camera's make-up because all you have to do is "aim and shoot". And this holds good if you are using color film or taking movies—just "aim and shoot", that's all.

Of course, you know how to hold the camera very steadily and to press the trigger smoothly. No jerking. If the model, car, or other object is moving, snap it at an angle as it approaches and not as it crosses your lens. That's the way to get a clear picture that doesn't show any fuzziness because of movement.

For your Easter picture story you'll probably get more fun out of picturing the children, especially if they are coloring some eggs. You might tell them that if they do a good coloring job, you'll take a color picture. They'll love that and so will you when you see the results.

To stage an unforgettable close-up all you need is a five-year old girl or boy all slicked up for Easter, a white rabbit and a couple of toy chicks, such a combination as you see in our illustration. In black-and-white, color or in movies, you've got the makings for a gem. Sure, it means going to a little trouble but what of it? Good snapshots frequently just happen but the ones you'll probably prize the most are the ones that you take the time to set up with appropriate props, good lighting and a fair amount of patience.

Snapshots taken "on the spur of the moment" are often thrilling, interesting and a lot of fun but when you plan a picture and endeavour to make it tell a story—that's good snapshotting.
